Alumni and Friends Reunion Party News

The 28th annual Alumni and Friends Reunion Party celebrated 30 years of the Silverton High School Alumni Association and our commitment to providing graduates with scholarships, reunion assistance and connection with classmates.

We were happy to welcome alumni from 27 classes to the event, with attendees ranging from the youngest SHS graduate from the Class of 2023 to the oldest from the Class of 1954.

The evening was filled with joy and camaraderie, catching up with long-time friends and meeting new ones. Several of our honorary diploma recipients joined us as our special guests. Throughout the evening, we recognized those who have served as trustees, officers, class representatives, volunteers and our donors. A special recognition was given to Mason Branstetter as he steps down as the only Secretary in those 30 years.

Naomi Ragon, Class of 1963, held the winning ticket for 50/50 raffle, winning $425. Instead of keeping the winner's portion, she immediately handed it back to Treasurer, Tracy Duerst as a donation to SHSAA. Thank you, Naomi, for your generosity!

The class with the most in attendance was the class of Class of 1961, with 16 classmates and guests.

We extend our sincere gratitude to The Wooden Nickel for their delicious catered meal and bartending services, and to the Silverton High School FBLA for their invaluable assistance with setup and cleanup. A huge THANK YOU to the many Trustees and Officers of SHSAA and the other dedicated volunteers who helped make the Alumni and Friends Reunion party a success!

Looking Forward to Next Year's Event

Mark your calendars for the 29th annual Alumni and Friends Reunion Party to be held **Thursday, July 22, 2027,** at the Festhalle. Yes, we're moving the event off our traditional date which has coincided with the annual Homer Davenport Festival. This is being done for several reasons:

- Classes have gotten away from holding their reunions in connection with the Homer Festival.
- Attendance at the Party has been dropping in the last several years.
- The cost to rent the Festhalle on a Friday night was increased this year a significant amount. We are no longer getting a reduced rate as a non-profit. Rental cost on Thursday night is $1,500, about half of the Friday night cost.
- In 2026, the Silverton Chamber of Commerce held a First Thursday (in place of First Friday) event, which was at the same time as our event.
- We believe by holding the event in July, it won't be in conflict with other events which may draw people away.

It is our hope that people will adapt to this change and plan to come out to enjoy an evening with classmates and friends. The Wooden Nickel will cater the event again.

Please feel free to contact us at silvertonalumni@gmail.com or any of the Trustees (contact information on page 12) if you have any questions or concerns about this move. We'd also like to hear what you'd like to see as the program for next year's event.

More information about cost and purchasing tickets will be available in the Spring 2027 newsletter.

Silverton Stories: The Next Generation (1950s, 1960s, & 1970s)

Jack Hande spent a lifetime giving back to Silverton—first as a beloved SHS teacher (SHS Alumni, Class of 1949), and later as the community's master historian and storyteller. Between 2003 and 2012, Jack compiled five popular volumes of real-life local history spanning the 1920s through the 1940s.

Following Jack's passing in March 2025 at the age of 93, the Silverton Country Historical Society is proud to carry on his legacy with a brand-new sequel to his collection of books. Our focus is moving into the mid-century, and we are searching for authentic stories, reflections, and local tales from Silverton and the surrounding areas in the **1950s, 60s, and 70s**.

Whether you have a quick anecdote about growing up in the Silverton Country or a detailed piece of local lore, we want to hear from you!

Thank you very much for the scholarship award! I can confidently say that it will be put to good use this upcoming school year.

Homecoming 2026

This year's Homecoming theme was "Around the World". SHSAA participated in two events during the week.

On Wednesday, October 21, Trustees Dori Meyer, Debra Street, Chris Fleshman and Treasurer, Tracy Duerst participated in the Homecoming Open House at the high school. They were there to provide information about the Association and encourage people to pay their membership dues.

Then on Friday, October 23, we had a float in the annual Homecoming Parade. This was a resounding success thanks to Darby Hector class of 1970 for organizing this year's effort. Special thanks go to Jim Wood for safely navigating the float along the route and to Verlene Beard class of 1957 for assisting Darby with the class signs. We appreciate all the alumni who joined in the fun! The float featured representatives spanning several generations, including alumni from the classes of 1964, 1968, 1969, 1970, 1972, 1973, 1975, 1976, 1977, 1979, 1980, 1987, 1992, 1994, 1996, 1999, 2000, 2001 and 2008 as well as our newest grad from the class of 2026, along with one "Future Fox". Included in this group were three Mother/Daughter duos. A special shout out to the class of 1979, which had seven classmates riding!

Everyone had a blast, tossing candy and hearing all the cheers from spectators along the route.

You can check out more photos of our float and participants on our Facebook page. Photos of all the parade participants and along the route are available on Our Town – Silverton, Mount Angel, Scotts Mills Facebook page.

President's Notes

By Kay Brandon

As I write this note to you, I think of all the people who have supported SHSAA in some fashion over the last 30 years. We would not be where we are today without them.

I am particularly aware of those who served as Trustees or Officers. Out of all the people on this list there has been one constant – Mason Branstetter.

Mason not only can be credited with instigating the creation of the Association, he has served as its only secretary – until this past September.

At our annual meeting, we welcomed Mason as an officially elected Trustee. Debra Street was appointed as Secretary, while continuing as a Trustee; she'll do a great job.

Our thanks go to Emily Duerst who completed a 5-year term as Trustee.

We are still looking for volunteers to help with our major events – the Alumni & Friends Reunion Party and our booth at the Homer Davenport Festival. Check out the June 2026 newsletter for details, or contact me directly.

Supporting Silverton Students: A Smart Way to Give This Year

Every year, gifts to the **Silverton High School Alumni Association** help ensure that graduating Foxes receive the scholarships they need to take their next big steps. As we look ahead to supporting the next generation, we want to share an important tax update that makes your support go even further in **2026**.

A New Tax Incentive for All Donors

If you typically take the **Standard Deduction** on your federal income taxes rather than itemizing, you may be accustomed to missing out on tax benefits for your charitable giving. However, under updated tax provisions beginning in **2026**, non-itemizers can once again claim an **above-the-line deduction** for direct cash donations to qualified nonprofits, including the Silverton High School Alumni Association:

- **Single Filers:** Deduct up to **$1,000** in qualified cash contributions.
- **Married Couples Filing Jointly:** Deduct up to **$2,000** in qualified cash contributions.

This means you do not need to itemize your deductions to lower your taxable income when supporting Silverton High School alumni programs and scholarship funds. (***Note: Please consult your tax advisor regarding your personal tax situation).***

How Your Gift Makes an Impact

When you contribute to the Alumni Association, **100% of your tax-deductible cash donation** directly supports:

- **Student Scholarships:** Helping graduating seniors pursue vocational training, community college degrees, or four-year university programs.
- **Alumni Connection & Outreach:** Sustaining historical records, class reunion support, and community engagement throughout Silverton.

Simple Steps to Claim the Deduction

- **Donate by Cash, Check, or Credit Card:** Only direct cash gifts (not goods or property) qualify for the non-itemizer deduction.
- **Keep Your Receipt:** The Alumni Association provides official tax receipts for all gifts so you have documentation ready for tax season.

Make Your Contribution Today

Whether you give $50, $250, or up to the full $1,000/$2,000 deductible limit, your generosity keeps the tradition of Foxes supporting Foxes strong.

- **Donate Online:** Visit our secure giving page at https://shsfoxes.com/give
- **Donate by Mail:** Send checks made payable to the *Silverton High School Alumni Association*.

Thank you for helping us support Silverton's students.

From Our Scholarship Recipients

I am honored to receive this scholarship. I deeply admire what he (Dr. P.A. Loar) did for our community and I hope one day to return to the community as a medical provider and return this kindness.

Strom Music Grant Award for 2026

The Silverton High School Music Department was awarded funds from the Doug and Donna Strom Music Grant program to go towards the purchase a Behringer X32 40-channel digital mixer. This new mixer will replace the original 30-year-old auditorium sound board, which has channels that no longer work, and no digital or direct recording capabilities.

Kim Skondin, SHS Choir Director, noted in the grant proposal that "this upgrade will provide reliable, high-quality audio for students and audiences alike, ensuring the success of the Fall production of Cinderella while creating lasting benefits for choir, band, drama, assemblies, and other school performances. Beyond the school day, the auditorium serves as a vital community gathering space for concerts, meetings, and special events. A modern digital mixer will enhance these programs and provide students with hands-on experience using industry-standard audio technology, building valuable technical and career-ready skills." In addition, the new mixer "has some preset capabilities" which "would make it so simple for when community events are occurring because then it can just be 'turned on' much like the preset basic lights."

We are excited to help make this much needed upgrade in equipment possible for the Music Department. It is something that will make a difference in listeners' enjoyment for many years to come.

Leave a Lasting Legacy: The SHSAA Named Scholarship Program

There are many ways to make a significant impact on our scholarship program and one of the most meaningful ways is through our Named Scholarship Program. Donors who contribute a minimum of $20,000 can establish a perpetual scholarship in honor of a loved one – a family member, friend, or favorite teacher – ensuring their legacy lives on and supports future generations of deserving students. These scholarships can be established during the donor's lifetime or through a Will or Trust upon the donors passing. We are incredibly grateful for the generosity of our named scholarship donors. Detailed bios of our benefactors are posted on our website at https://shsfoxes.com/scholarships

We awarded two brand new named scholarships this past spring, thanks to the generosity of the families of Carmen Joy Cochran Smith and Roger and Lisa Freeman. Bios for these scholarships were published in the June 2026 newsletter.

Khylee will be studying nursing at Montana Tech, Cynthia will be studying nursing at Oregon State University, Sophie will be studying nursing at Western Oregon university and Katrina will be studying nursing at George Fox University.

The **Ernie and Eleanor Hento Scholarship** was awarded to Connor Babb who is attending Oregon State University to Study Bioengineering. His goal is to get into research and development to help make the world a better place while learning more about the world.

SHS 2026 graduate, Allie Mansur, received the **Bill Dibala Scholarship**. Allie is attending the Boise State University studying Occupational Therapy. Her goal is to work in a school setting helping children with special needs.

2026 Class Challenge

By Tracy Duerst, Treasurer

The SHS Alumni Association Scholarship fund is fueled by many components, one of the most significant being the **Class Challenge**. Initiated in 2017 by the Class of 1959, this challenge encourages all classes to compete in raising funds for scholarships. The response has been overwhelming, with numerous classes participating each year and contributing substantially to the fund. Since 2017, the SHSAA Class Challenge has raised an impressive $323,785 for scholarships.

This year we had 14 classes participate in the 2026 Class Challenge by donating a total of $28,033 to the Challenge. The Class of 1960 won first place with total donations in the amount of $16,335; the Class of 1961 won second place by raising $4,900 and the Class of 1952 won third place by raising $3,000 in the 2026 Class Challenge. SHSAA will be awarding Class Challenge scholarships in 2027 to three graduating seniors under the names of the Class of 1960, Class of 1961 and Class of 1952. We extend our sincere gratitude to everyone who contributed this year to the Challenge!

The 2027 Class Challenge is officially open now so make your donations early and get your classmates to participate. It's so easy, just write a check and use the Membership/Donation form on page 15 or make a payment on our website. Just a reminder, dues, memorial donations and other designated donations will not be included in the Class Challenge. All donations must be received in our office by Monday, July 19, 2027 in order to be included in the 2027 Class Challenge. Winning classes will be announced at the Alumni and Friends Reunion party on Thursday, July 22, 2027.

If you are required to take a distribution from your IRA this year, consider making a **Qualified Charitable Distribution (QCD)** donation to the SHSAA 2027 Class Challenge. A QCD allows you to donate directly from your taxable IRA instead of taking the required minimum distributions, potentially lowering your taxable income. Consult with your IRA custodian or tax advisor for more information. Lower taxable income for you and a generous boost to young Foxes wanting to continue their education, a winning combo!

Keep updated on the 2027 Challenge by following our Facebook page for more details in the coming months.

Honorary Diplomas

Honorary Diplomas were presented to Donna Bahr and Scott Towery at the 2026 Graduation ceremony.

Donna Bahr

Donna Bahr graduated from Western Oregon State College in 1992 with a Bachelor of Arts in Language Arts and Secondary Education. That same year, she began teaching 7th-grade English Language Arts at Mark Twain Junior High, beginning a 34-year career with the Silver Falls School District. In 1997, she earned her master's degree in Elementary Education with an emphasis in Middle School Education.

In 2016, Donna moved to Silverton Middle School, and in 2019, she joined the high school staff and created the Technical and Professional Writing program, helping students develop real-world communication skills. Donna wants students to recognize that school prepares them for more than assignments and grades. Students develop life skills by the way they tackle projects, respond to challenges, and interact with people different from themselves.

Her dedication to students and community has extended far beyond the classroom. Donna coached volleyball, basketball, softball, and track; served as the Golden Key Club advisor, creating memorable experiences from Winterhawks hockey to white-water rafting; and, over 22 years, led student trips to the East Coast, sharing the historical sites of our nation with more than 1,000 students, parents, and community members. Her service continued with board positions at Silver Falls Soccer Club, Rotary, and Interact, and currently through her role as chairperson of Rotary's annual Daddy Daughter Dance.

To Donna, Fox Spirit means leaving a positive impact in everything she does—with compassion, purpose, and integrity. That belief is reflected in her dedication to students, service to education, and commitment to the Silverton High School community.

The heart of Donna's teaching is relationships. Donna believes God put her and her students together for a reason, and she will always cherish that gift. No matter how old her students are, she wants to hear from them, celebrate their successes, and remain part of their world. That lasting connection has made her "Momma Bahr" to over 4600 students she's taught and reflects what she means when she says, "Once a Bahr kid, always a Bahr kid."

Throughout her career, Donna has been blessed by the love and support of her family: her husband, Olaf; her sons, Aiden and Anson; and her daughter-in-law, Emily. Whether cheering her on or being lovingly roped into her Fox Spirit projects, they have been an important part of the love and service she pours into her students, school, and community. For Donna, this philosophy isn't just a school tradition—it's a way of living, serving, and leaving things better than she found them

Scott Towery

Scott received his AA Degree at Bakersfield College 1986 studying Agriculture Education and career related opportunities. He transferred to Fresno State University and received a BS Degree in Food Science 1990. Scott worked a year in the Food Science Industry at Foster Farms Creamery in Fresno California. After one year of industry experience, he decided this was not exactly the calling he wanted to pursue and went back to his roots of what he enjoyed during his HS school experience – sports and FFA. Scott made a decision to be a teacher of Agriculture Education with the opportunity to coach students in FFA and have an impact like his former teachers had on his HS experience. Scott graduated from Fresno State with a BS in Agriculture Education in 1993.

Scott started his career of teaching at Modoc HS in California for 3 years. He then made the move to Oregon in 1996 at Cascade HS where he taught for 10 years; starting the FFA Alumni and qualifying 2 teams for the National FFA Conventions. Scott is currently in his 20th year of teaching/coaching FFA members at SHS. He is in his 33rd year of teaching.

Scott's biggest accomplishments are motivating students to be a leader and encouraging students to get involved while opportunities are there for them. The number one regret of himself and students that visit after graduation is "I wish I would have done more in HS." His biggest achievements at SHS are 27 State titles in FFA, 5 National top four placings, 1 National title in FFA Extemporaneous Speaking and 1 National title in Skills USA Welding/Fabrication. Demonstration of your skills and leadership values have always been an important component of teaching for Scott. He always finds the FFA motto an important component of life skills in learning and teaching: "Learning to Do, Doing to Learn, Earning to Live, Living to Serve."

Outside of SHS, Scott enjoys his 5 grandchildren with one on the way. He enjoys camping, fishing and of course fabricating/welding when time allows. He cannot say enough about his family and wife who have provided amazing support during his teaching career. All four daughters were very active in the FFA and gained many leadership skills that are utilized and talked about during gatherings.

Scott Towery enjoys quotes to inspire students: "Never Give Up", "If the want to is strong enough the how to will come" and "Once a Fox Always a Fox!"

Class Representatives are needed for the following classes: 2014, 2016, 2022, 2023, 2024 and 2026

What does a Class Representative Do?

A Class Representative is a contact person for a designated class year – the year you graduated.

It is assumed that this person will keep track of classmates in order to make preparations for a reunion at 5, 10, or 20 years. The more often you have reunions, the easier it is to keep track of everyone. The Class Representative doesn't have to plan the reunion by themselves – they can enlist other classmates to help.

The Association keeps a database of all SHS alumni which includes names, addresses, phone numbers and emails. A Class Roster (from the database) is available to each Class Representative.

Membership Dues

Check the notation next to your name in the mailing address above.

- If the "Expires" date is 2026 or before, please consider renewing your membership.
- If it says "Complementary," it means you have not paid dues, but are receiving this because you live in the Silverton area or your class may be having a reunion next year. Please consider becoming a member.

Dues are currently $5 per year. We are considering an increase in the next year to help cover our costs of producing the newsletter and other expenses of the association.

A donation of at least $500 will secure a lifetime membership.
