Reunion Assistance

By Mason Branstetter

Are you thinking of coordinating or hosting your class' next reunion? Our Association can help you. We offer the following assistance:

1. In a perfect world, if all of our classmates paid their \$5 annual dues and received our SHSAA newsletter every November and May, then we would have a complete and up to date list of members and their addresses. We do have some addresses and will provide that list to you. We ask that you give us the benefit of your labor and provide us with any updated addresses as you find them.
2. In the calendar year preceding your scheduled reunion we will include your class in our twice annual mailing at no cost to you, if we get the corrected addresses at least 30 days before the 3rd Tuesday in April and 3rd Tuesday in October.
3. Additionally, should you wish to include a personalized flyer with information directed to your special classmates, then we will produce

mailing labels for your class and ask that you attend our "mailing meetings" in May and November to insert your flyers. We will include your classmates in our bulk mailing at no cost to you.

4. We encourage you to write an article for the general information of all alumni in addition to your classmates. Who knows? Perhaps someone out there will know just where to find the heretofore lost classmates.
5. If you decide to hold your reunion during our SHS Alumni and Friends Garden Party, which is always the first Friday in August, then we will actually do most of the coordination for the facility reservations, caterer, etc.
6. The normal method is for someone in your class to collect the admission fee from your classmates and then purchase the tickets in bulk from our SHS office at 303 Oak St. in Silverton as soon as is possible, but *please* no later than 10 days before the Garden Party. We have to order meals from the caterer and not knowing until the last few days before the event is not good planning.

7. By collecting the ticket requests, you determine just who and how many from your class to expect at the Party.
 8. In the morning between 9:00 and 10:00 a.m. on the day of the event, someone from your class must be present to reserve tables at ten people per table. If you purchase 22 tickets you are then permitted to reserve two tables on a first come first reserved basis. You might want to make some kind of table decoration to say, "Reserved for the Class of ____". Note that NO "lighter than air balloons" are allowed. Also, no signs can be attached to the walls. Colored table cloths and stand-up signs are suggested for the tables.
 9. On Friday night, someone from your class should be at the admission door and available to hand out the tickets to your classmates. Some classes make special identity tags for their classmates. Anyone who shows up and needs to purchase a ticket is welcome; however, tickets bought on the day of the event cost an additional \$5.00. Tickets are available at the door.
 10. The bars are pay as you go for beer, wine and liquor. We will normally have soft drinks available at no cost.
 11. The cafeteria style meal is included in your admission fee.
- You can see that together we can help you have a great time at the Alumni & Friends Garden Party. One of the joys of the gathering is that you will see more people than you can possibly find the time to

ANNUAL MEETING NOTICE

Our Annual meeting will be held January 13, 2009 at Silverton Realty, 303 Oak St., Silverton, Oregon at 5:15 p.m. Meeting room is upstairs. All Association members are encouraged to attend. We need to elect three new Trustees.

Please check the membership expiration date on the mailing label on this newsletter. Renewals must be paid prior to the Annual meeting. Payment of dues will be accepted at the door.

Nominations for a new Trustee may be made from the floor. Only PAID members in attendance will be allowed to vote.

President's Message

The Garden Party was very successful, a little less income than last year, but well attended.

Jeanette Olafson, Norman and Valeta McCullough corralled the largest 50/50 drawing this year. We sure do thank you for the extra effort. The Silent Auction committee always does a great job in collecting all the items and color pictures of the items put on the bid sheets. It's very impressive.

I wish to thank the committee of Carmen, Carolyn, Donna, Judy and Verna and other volunteers - very well done.

Thanks to the Silver Falls Bank for sponsoring the credit card processing. A big thank you to all those participating as greeters, ticket takers, escorts, membership and donations. A special thanks to John Smith for reviewing the donations for the past 10 years. The booklet is very nice, and I know you put in a lot of time to do so.

A special thanks to Mason for your coordination of the events and Mike for your help also. Thanks to those who manned the Alumni Booth at the park during Homer Davenport Days. It's great to have so many volunteers to help at the booth.

Thanks to Tracy for keeping our finances in order and all the help you do.

There were 25 Scholarship awards given out at the SHS Awards night at the high school on May 29, 2008 for a total of \$13,750.

Our annual meeting is coming up January 13, 2009 and will be held upstairs at Silverton Realty. We are looking for some new candidates for Trustees to help our fundraising activities for scholarships for SHS graduates. We need to fill three positions. If you're interested in being a Trustee, please let me know so we can put your name on the ballot.

We meet the third Tuesday of each month, with the exception of August & December. Our meetings generally last about an hour. Afterward many of us go to the Home Place for pizza. It's a lot of fun to visit and relax.

A summer picnic (pot luck) for fundraiser volunteers is held in August to kind of celebrate our Alumni Party success, relax, and just visit. Thanks to Dave & Charlene McColly for hosting this year's picnic.

Come to a meeting and see how things are accomplished. Support your alma mater through the Scholarship Fund - remember we are a 501,(c),(3) corporation so donations are tax deductible.

Mr. & Mrs. James Wright from Laura, Ohio, Mr. & Mrs. Greg Schar from Salem, Oregon and Mr. & Mrs. Jerry Brown (yours truly) had a grand reunion. We were disappointed that more classmates were unable to attend, but are hopeful for a larger turnout in 2009 for our 45th Reunion.

Asking for Donations ... What it takes

By Judy Nunn

I spent all day in Silverton with Verna, going from one business to another, asking for donations for our silent auction. It was really a pretty easy day as we lucked out with a gorgeous, sunny day.

We have a list of Silverton businesses and merchants and split it among three or four of us who volunteer so we don't duplicate. Each of us follows the same list each year. I think it gets easier each time as the business owners remember us. It is so nice to be welcomed with "is it that time of year already?" We also got a lot of comments like, "you do such a good job getting donations and helping the graduating seniors." And then there was another one with a new business – "I know you helped me when I graduated, it's my turn to help other graduates."

Another lady has a new business and wanted to know the procedure for applying for a scholarship. She has two girls. We explained the procedure and how our association works with other scholarship organizations to make sure the scholarships are divided up, so more students will receive "something" rather than only a few getting a lot of monetary assistance. She was quite pleased.

This year we cut down our return visits due to the cost of fuel. The businesses were very cooperative.

We're always looking for more volunteers to go door to door. If you'd like to help next year, please let us know. Contact Judy Nunn at Nunnjk@comcast.net or (503) 390-3816.

In Memoriam

This column is to pay tribute to fellow students, parents and teachers. This is not a "recent" list necessarily. We will print names others have submitted, and the actual recent losses we note from the newspapers and word of mouth.

If you've lost a loved one or know of someone who should be listed, please let us know.

If you can assist with the incomplete dates, we at the Alumni Assoc. would greatly appreciate your help. *So many times we receive a note that one is deceased, but no date given.* Information should be sent to the Editor of this Newsletter, Judy Nunn, 4728 Jade St. NE, Salem, OR 97305 or Nunnjk@comcast.net.

Thanks to our Fundraising Helpers!

There are many aspects to holding a fundraising party. Several board members take on the duty of asking for donations, making arrangements for the building, the food, getting tickets printed, just to name a few. After the donated items for the Silent Auction are collected, pictures are taken and printed on the bid sheets. Boards are made to show what is offered when a Gift Certificate is what the winning bidder would receive.

Mason Branstetter ordered the tickets and arranged for the hall. Mike Bothum worked with the Wooden Nickel in arranging the food and beverages. When setting up for the auction Friday morning, many people just “appeared” to carry items into the building. Some of those are Bob Wiesner, Mike Bothum, Earle Beesley, Norm Brown, Mike Rowe.

Tracy Duerst was in charge of the Ticket Table. Her helpers were: Mary Ann Miles, Donna Liechty, Patti Miles Tischer, Patti Neff.

Nellie & Ed Graves greeted the guests as they arrived, and steered them toward the name tag table and into the main dining room or the silent auction room. Several helpers included Marie Arthur, Marge & Dave Kemper.

John Smith was in charge of the Membership Table. His helpers were: Astrid Todd, Larry Todd, Jim Rhyne, Carole Slayton.

Committee in charge of asking for donations: Verna Thayer, Carmen Smith, Judy Nunn. Those who helped with the auction: Carolyn Hutton, Gretchen Dodds Rhyne, Norma Hynes Benjamin, Vicki Cronin, Shelly Wilson Vandehey, Julie Kesting-Davies,

Courtney Wukasinovich, Carole Christensen, Butch Christensen (he moved the trees around that Carole collected - that counts!) A special thank you to Betty Gentry Vanderwarka for obtaining the gift certificates from the Oregon Shakespearean Festival and the Britt Festival.

Jeanette Olafson was in charge of the 50/50 raffle. Those who helped her were: Norman McCullough, Helen Pitney, Shirley Smith, Jacquie Wiesner, Verlene Beard, Sue Hannan.

The staff at Silverton Realty gets a big “Thank You” for their squeezing in ticket sales during their regular business duties. Marcia Branstetter put together a great basket for the silent auction.

At the booth in the park for Homer Days weekend, volunteers included Adam & Kara Sully, Carolyn Simmons, Dave & Charlene McColly, Bob Wiesner, Mike Bothum, Mason Branstetter, Judy Nunn, Verna Thayer, Jerry Dunifer, Carolyn Hutton, Mary Ann Miles, Jeanette Olafson, Kim Lively, Jill Brueckner, Tracy Duerst, Mike Bothum, Earle Beesley.

Next year we will have some changes in “assignments”, and will welcome new volunteers. Prior to the party, we need help in asking the businesses for donations. During the party we would like to ask for volunteers for half-hour shifts to help in various places.

Don't let your mind wander, or it may never come back.

Find Missing Classmates

By Judy Ernst Nunn, Editor

We of the Alumni Association wish to thank all those who responded with information regarding the many missing classmates printed in previous newsletters.

We encourage more classes to give us a list of missing members. Many siblings, cousins and friends may see the list and know how to contact these missing people. There are several lists in this newsletter. Please read through the names and let me know the current address for those you can identify.

For the classes that are planning reunions for 2009, we hope you will **contact the SHS Alumni Association for a class roster before you send out information.**

We would like to work with you in verifying the addresses on your list. Send a request for the SHSAA roster of your class to SHSAA, 303 Oak St., Silverton OR 97381 or Email: Nunnjk@comcast.net or Mason@SilvertonRealty.com.

-- THANK YOU --

The 10th annual Alumni and Friends Party at the Garden was well attended by nearly 400 Silverton High School supporters. This year's silent auction raised an impressive \$6500+ and continues as a significant source of scholarship funds. The 50/50 raffle also brought in \$326.

The Silverton High School Alumni Association is extremely grateful for the generous attitude and Silent Auction donations from Silverton and Mt. Angel merchants and individuals. Also the themed baskets donated by several graduated classes attracted much interest.

Please help show our gratitude for the local merchants' generous support by "shopping locally" and expressing your satisfaction by personally thanking them. Thank you and we'll see ya next year!

The first step is to contact us for a list of your classmates' addresses. Compare our list to what you have and let us help you determine the most recent addresses. Contact either Mason Branstetter (mason@silvertonrealty.com) or Judy Nunn (Nunnjk@comcast.net).

Check your calendars and join us for a wonderful traditional event that

So, join us on the first Friday in August and have fun raising funds. Ticket information, time and place will be published in the June newsletter. Watch our website www.shsfoxes.com for updated information.

The Alumni Association thanks all donors for their contributions to the scholarship fund. We couldn't do this without your help.

If you have not received a receipt for your tax deduction, please notify our Treasurer, Tracy Duerst or Secretary, Mason Branstetter. Contact info is on page 3 of this newsletter.

When Do We Meet?

Our association is getting stronger because of the volunteers who keep it growing. Often we are asked if there is anything that someone can do to help out or attend our meetings.

Monthly meetings are held the third Tuesday at the Silverton Realty Conference Room upstairs at 303 Oak Street and start at 5:15 p.m. and normally last about an hour. A current schedule can be found on our website: www.shsfoxes.com. The schedule is also printed in this issue of the newsletter, page 22. Anyone and everyone is invited to attend the meetings.

Be sure to join us for the **ANNUAL MEETING on January 13, 2009**. Elections will take place for three new Trustees. All PAID members of SHSAA will be allowed to vote. Nominations will be acceptable from the floor prior to the election.

If you have questions, please feel free to contact: Mason at (503) 873-3545 or Email: mason@silvertonrealty.com or Judy at (503) 390-3816 or Email: Nunnjk@comcast.net.

Next Silent Auction - Aug. 7, 2009

The Silent Auction is always a real eye opener. The Silverton merchants, businesses, alumni, friends and many merchants from Mt. Angel delight in donating items for our auction. All funds raised are for scholarships for the graduating SHS seniors.

Did you miss out this year? Not to worry - this is an ANNUAL event. Watch the June 2009 issue of this newsletter for more information on how to donate and how to buy tickets. You can also watch our website for details - www.shsfoxes.com.

Dinner is included in your ticket price. Besides the auction, there is also a 50/50 drawing. This past August the winner walked away with \$326.00. The lucky winner was Marjorie Anderson Allen from the class of 1936, who came from Henderson, Nevada for the fundraiser dinner and activities.

Plan on joining us in this fun-filled event. Many classes hold their reunions at the same time. Hey! You don't have to worry about where to hold your reunion, where to get the food, or even collect the money! Just set your reunion to coincide with our annual Party and you're all set!

Of course if you'd like to help us out, we welcome any and all helpers. There are many behind the scenes duties. We try to get pictures of the donated items prior to the auction night, so the pictures can be put on the bidding sheets. If there are gift certificates donated, we make up a board showing what guests are bidding on. Take a look at our website to see the tables of over 200 items up for bid this past August. This is hard work, but we have a lot of fun doing it. The rewards are overwhelming.

Contact Judy Nunn (503) 390-3816 - Nunnjk@comcast.net if you have any questions or would like to volunteer.

It's More Than Food!

By Mason Branstetter

The Association makes \$1.36 per attendee when one considers the \$25 dollar ticket sales income and weigh that against the actual monetary costs to hold the Alumni and Friends Garden Party. However, the generous donations, sponsorships and hard work of the Silent Auction and 50/50 Teams truly make the Party a fund raising event. The bottom line for our 2008 Party was \$10,761 scholarship dollars which were awarded to SHS graduating seniors in the Class of 2008 and alumni who are pursuing their undergraduate studies across the nation.

We would have normally included a Ticket Order Form in this Newsletter for the 2009 Alumni and Friends Party; however, as this article is being written, we do not know for certain how and where the 11th Annual Alumni and Friends Garden Party will be held. When we attempted to make our reservation for the first Friday in August 2009, we were faced with the reality that the new management of the Oregon Garden must operate their facilities for a profit – just like any other business and we are facing additional expenses above and beyond our expected normal rent.

The Association Trustees had determined in a post-party analysis meeting that the 2009 ticket prices needed to be increased to \$30 just to cover the suspected increases in expenses for next year, even if we were to continue in the same place at the same time. But we did not predict that the Garden's costs would also include exclusive catering services. If we are to hold our party at the Garden and also include the Garden's fees associ-

ated with our customary buffet, then the price of the tickets could double and still not net much more in ticket sales than break even. Additionally, we would lose the generous sponsorship from the Wooden Nickel which reduces our meal expenses to just about the Nickel's wholesale costs.

We are looking into the organization of our 2009 event and haven't completed our investigation that includes alternate locations, choice of caterer, menu selection and price of admission. Additional facts are that almost all other fund raising events similar to our Party have long lists of sponsors so that the price of attendance is held down and most of the money that is raised does not go to the organization expenses. We have not asked for corporate sponsorships and maybe that must also change with the times.

So, the bottom line at this time is that the Trustees are faced with some serious discussions over the next few meetings and any persons who would like to participate is warmly invited to attend our normal meetings that are held on the 3rd Tuesday of each month. We recommend that you confirm with any of our Trustees (a list is on page 3) prior to your planning to attend just to ensure that the meeting is as scheduled. Please note there is no meeting in December.

Plan Ahead

Is your class reunion to be held in 2009? If so, NOW is the time to contact those lodging facilities in Silverton. Moonstone Properties opened the "Oregon Garden Resort" in October of 2008. Why

not consider making arrangements for your entire class?

If several of your classmates like to RV around the country, the Silver Spur RV Park would be a great place to "camp out".

Many B&B's are listed with accommodations from two bedrooms up to twelve rooms.

No matter where you stay in Silverton, you're not far from Silver Creek Falls. I'll bet you have lots of memories from visiting there during your childhood.

Accommodations in Silverton

There are many options when you are returning to Silverton for a class reunion. Many of you will stay with parents or family residing in or near Silverton. Others will need to find a hotel, motel or perhaps travel by RV. How about a B&B?

To help you with your decision, inquiries to all Silverton lodging facilities have been made by our Alumni Association. You can find their responses in the June 2008 issue of this newsletter.

Memories

By Barbara (Fields) Dettwyler '56

So many memories, I could write a book! Here are some memories of those wonderful years in Eugene Field School and a few from Jr. High.

It was fall and maple leaves were falling all about; I would stop and pick the prettiest to take to Mrs. Alfred, my first grade teacher. We were always early and stood by the side door on Park and Water Street for the doors to open at 8 o'clock. Mrs. Alfred was very young and enthusiastic.

Second grade brought me to Miss Silver's room. She seemed old but likely wasn't. Spring brought the class project to build bird houses; when we finished we were all lined up for our picture to be taken with them. (If you don't already know, that photo went to Portland to the Historical Society as one of June Drake's, so we are historical). This was the year we took a field trip across the street to June Drake's studio. We filed in single file as the floors, tables, and everything was piled high with his photos. It was a wonderful experience. Miss Silver also played the piano, banjo and other instruments.

My teacher in the third grade was Miss Hanson. I remember learning to write cursive all those pages of a's, b's and so on. We never were allowed to print. Later in years I realized that when we moved to Silverton we had bought her family home on Rock Street. Lunch time we would walk quietly single file on the left hand side of the hall to the lunch room, which were the two last rooms on the right near the doors of Park and First Street. Lunches were wonderful, especially the mashed potatoes, turkey, gravy, vegetable, and milk.

Fourth grade was Mrs. Erickson. I remember there was some sort of fitness test we had to take. Something about holding one foot in your hand and jumping through the circle. I wasn't able to do it and had to stay

SHS Yearbook

Dear Alumni,

As we count down our time left at the Silverton High Schlador Street campus, the SHS yearbook staff would like to invite you to share with us your special memories of your time at Silverton High School.

For only \$5 you may submit a photo, memory, or story of your time at SHS that will be featured in a special supplement in our 2008-2009 yearbook.

Please make your submissions via email to miller_nancy@silverfalls.k12.or.us or bring them by the main office and deliver to Nancy Miller's box.

Thank you in advance for sharing your stories!

after school to try, but finally seeing I was never going to accomplish this, I was sent on home.

The great fear was to get Miss Brye - she was a strict and hard teacher. I hoped all hope that I wouldn't get her, but yes, here I was in her class. I found out it really wasn't that bad. She made us all memorize poems; one was "I shall never see a poem as lovely as a tree."

Each year we had a program and one of the things I remember most was winding the May Pole. We had such fun winding our paper streamers around the pole for our parents to watch from the balcony above in the gym.

Sixth grade we girls terrorized our man teacher, Mr. Mulhouse. (I think that's the correct spelling). He was very shy - I guess his wife hadn't told him what a bunch of girls could be like, and well, he didn't come back the next year!

Somewhere along the way the lunch room had been moved down to the basement at the far end of the school by the upper grades. The food was still great. We had little milk bottles that had round thin cardboard

lids on them. We would save our lids for recess and throw them trying to get them to land on previously thrown lids.

Mr. Ford was the Principal. Some of the other teachers were Miss Olson, Miss Foss, Mrs. Waterson, Miss Ross, Mrs. Hug and Miss Gregerson. There was a strong, active Parent Teacher Association in the school system.

Jr. High was across the road in the tall red brick building, next to the Washington Irving building that had been condemned, but was still standing. Early mornings brought "Little Jeep" and its two riders, Mr. and Mrs. Woodall. There were always kids around waiting for their arrival, as they always cheerfully greeted the students. Mr. Woodall was the principal and Mrs. Woodall taught P.E. We always had to dress down in clean white shorts and blouses for P.E., which was in the Eugene Field Gym and we showered in the basement. In the spring Mrs. Woodall would have the girls put on a program where she tried to teach us all to be synchronized, but I for one was usually out of step. Some of the other teachers were: Miss Hallock, Mrs. Brandt, Mr. Funk, Mr. McNatt, and Miss Silver.

Class of 1979 Reunion

By Tracy Duerst

Can it be 30 years already? The 30-year reunion for SUHS' Class of 1979 will be held over the weekend of August 7, 8 and 9, 2009. The reunion coincides with Homer Davenport Days in Silverton and gives everyone the perfect time to enjoy the festivities while reconnecting with old friends!

The planning process has begun. All classmates are invited to attend the All-Alumni scholarship fundraising dinner on Friday, August 7th. We will have reserved tables for our class. A dinner will be held on Saturday, August 8th for just classmates and guests. Other events are also being "tossed around". Classmates are more than welcome to join the planning process. Please contact Tracy Miles Duerst at djduerst@meritel.net or 503-873-8441 for information on the next meeting.

We are also looking for a number of classmates. If you know of addresses and other contact information for the individuals listed below, please send it Tracy so we can make sure that everyone is notified of the events that are being planned.

Information about our 30-year reunion events will be posted on the SUHS Alumni website at www.shsfoxes.com. Please check it on a regular basis to keep up to date on the "happenings". We'll also be including information on the reunion in the June issue of the Silverton High School Alumni newsletter, so keep an eye out for that bright orange mailing! Registration information for the weekend activities will be included.

We look forward to seeing you in August 2009!

CLASS REPS NEEDED

By Judy Nunn

Notice the Class Reps have changed again with this issue. With a Rep for each class, it makes it easier to keep up with the changes of addresses, name change, etc.

A Class Rep is mainly a person with the class list, so we can keep our address list updated. If you'd like to help in this capacity, please let me know.

If you move, please let your Class Representative know. It will be helpful also if you will also notify this newsletter editor at Nunnjk@comcast.net.

REPS NEEDED FOR THESE CLASSES: 1938, 1977, 1980, 1991, 1999, 2000, 2007. Please step up and volunteer!

50th Year Reunions Coming up!

Hey - now's the time to start making your plans for your extra special 50th Reunion. A little fox reminds us that classes of 1959 and 1960 will have reunions in 2009 and 2010. Get a head start with these suggestions:

1. Get your committee together and pick someone to be in charge.
2. Request a class roster from the Alumni Association.
3. Check to see how many addresses are missing and ...
4. Publish the "missing" list in the June 2009 newsletter.

Privacy Policy: SHSAA does not sell or trade names and/or addresses of alumni. Our purpose is to keep a current database of all alumni. With this information, we propose to help each class in locating their classmates when they are planning a reunion. We do, however, share the addresses within that class and with other alumni.

Web Site Reunion Notices!

Considering having a Class Reunion this year? Whether it is a regularly scheduled 5-year affair or you are just scheduling a group that meets more often, consider posting your notices on the Silverton High School Alumni Association (SHSAA) Web Site. This means of communication can be much more expeditious when "getting the word out" to your classmates.

Notices sent to the Webmaster are usually posted within a day of notification. Send your notices to Jim Lundal, '58, (jlundal@socal.rr.com) and also any changes that are made prior to the reunion. Notify your class members to review these Web notices for changes.

Another consideration is supplying the Web Site with pictures and text after the Reunion for placing your Reunion Pictures up for review by those classmates that could not attend the Reunion. There are several Class Reunions on the Web now and you can review them at anytime.

The SHSAA Web Site is at www.shsfoxes.com. Use the Buttons on the **Home Page** to visit **SHSAA News/Reunion Notices**, **SHSAA Past Events** and finally see if your current information is correct on the **Alumni Class Lists**. Email Jim Lundal with any questions concerning the Web Site at jlundal@socal.rr.com.
