

Silverton Alumni News

Senior Bench

The concrete bench was originally installed at the second high school in Silverton in 1920. This was the new building next to the Washington Irving building on First Street. The high school was built on First St. in 1915 and became the Jr. High when the high school on Schlador Street was built in 1939. The senior bench was left at the First Street school until 1957. The 1915 high school and the Washington Irving building were both being torn down to make room for the First Christian Church.

In 2009, Norman Wiesner ('73) was attending a school bond meeting. There was a discussion to move the senior bench from the high school on Schlador St. to the newest high school on Pine Street. 2009 marked the last year for seniors to occupy the Schlador St. facility. It was thought that moving the bench would be a good idea, but nobody at the meeting seemed to know that it had been moved once before. Norman talked to his brother Bob ('54) and Bob decided to follow up on the idea of moving the bench.

Bob Wiesner went to the Silverton Library and reviewed the microfilm from past issues Silverton Appeal-Tribune. In doing so, he discovered that the bench was actually moved in 1957. This was confirmed by Mayor Stu Rasmussen ('66). He was sure that Sanford Seed had moved it. The next contact was with John Sanford ('57) and he confirmed that one of the Sanford employees moved it with a 15,000 pound forklift.

The next step was to find someone to move the bench. Bob measured the actual bench and the weight was calculated by measuring the width, height and length of the bench, converting that to cubic feet by the weight of cement. The result was that the estimated weight of the bench must be 13,000 to 15,000 pounds.

With that information, Bob contacted Rick Mallorie ('78) of Mallorie's Dairy. He was quite willing to move it and has the proper equipment to do so. Dennis Maulding ('66) agreed to donate gravel for the base and Bob Klaus ('60) agreed to haul it. Wilco sandblasted the bench to remove 50 years of paint. The volunteers *donated* their time, equipment and materials.

The projected date was planned for the Sunday during Homer Days, with the idea that many alumni will be in town for the annual SHS Alumni Fundraiser. However there were a few details to work out. Bob continued to pursue the moving of the bench.

He managed to get the insurance forms filled out and the bench actually moved on Aug. 16, 2009. But again there was a problem in

getting it "planted". The sprinkler system was working and the ground too wet to approach with 15,000 pounds of cement (in the form of a bench).

Craig Roessler and Mark Hannan responded and were familiar with the community's interest in the project. The Alumni Association continued to monitor and be a medium for the interest being shown without taking leadership in the project.

Finally, the bench was installed at the Pine Street campus. On August 23, 2009, Rick Mallorie, Norman Wiesner and Bob Wiesner met at the new high school. The hole was dug after much measuring. The bench is not flat on the bottom. There are ridges to keep it in place.

"Our Town" sent a photographer and the moving of the bench was featured in their early September edition.

The Class of 2010 put their mark on it during registration week. We hope each graduating class will continue the tradition of painting the bench.

You can see some of the pictures on our website www.shsfoxes.com.

ANNUAL MEETING NOTICE

Our Annual meeting will be held January 19, 2010 at Silverton Realty, 303 Oak St., Silverton, Oregon at 5:15 p.m. Meeting room is upstairs. All Association members are encouraged to attend.

We need to elect one new Trustee.

Please check the membership expiration date on your mailing label on this newsletter. Renewals must be paid prior to the Annual meeting. Payment of dues will be accepted at the door.

Nominations for a new Trustee may be made from the floor.

Only PAID members in attendance will be allowed to vote.

President's Message

Hi everybody. I hope everyone is having a good year. Sorry I had to miss this year's SHSAA Fundraiser. I attended my granddaughter's wedding in Kenai, Alaska, walking her down the aisle so that my son could perform the wedding ceremony on the banks of the Cook Inlet.

I understand that the Alumni Scholarship Fundraiser went quite well at the Willamette Valley Events Center in Mount Angel, OR.

The Silent Auction went very well even with fewer in attendance.

I wish to thank all those who gave so freely of their time and support to help to make our Alumni Scholarship Fundraiser a success. We could not do it without you.

THE GOOD NEWS IS THAT WE ARE BACK AT GARDEN FOR 2010.

More to follow on this subject in another article in this newsletter.

Our Scholarship funds are holding their own and some sizable donations have been added. We presented 25 scholarships to the graduating seniors of SHS during Awards Night in May this year worth a total of \$13,750.00. Alumni Scholarship Fundraiser is working very well, so I would invite any and all to contribute to this fund as the

interest is what is used for the scholarships. These monies are deductible on your tax forms as per our 501,(c),(3) tax code. ID # 20-2021613. Contributions may be made at the Silverton Realty Office to be deposited in the SHS Alumni investment account. The more money in the account makes for more scholarships to be awarded from the interest earned.

Reminder!! Our annual meeting will be held in January. If you're interested in an active role with the Alumni Assoc., consider running for office. The membership will elect a new Trustee at the January meeting. The Trustees will then elect new officers for Secretary and Treasurer.

Here's wishing everyone a very happy and safe Holiday Season. See you next year.

Class Reunion Holding Funds

By Tracy Duerst '79, Treasurer

Did you have a reunion this year and have money left over in a bank account that you want to save for your next reunion? Many financial

institutions now assess inactive account fees. In addition to the fees, Oregon State regulations now require inactive bank accounts to be sent to the Oregon Department of State Lands Unclaimed Property Division after three years of inactivity.

Instead of leaving it in a bank account, you can transfer the funds to the Alumni Association to maintain until your next reunion. As Alumni Treasurer, I will keep track of your funds in a separate ledger account for your class and they will be pooled with other class funds to help earn interest for scholarships.

When you are ready to start your next reunion, I will issue a check for the amount you initially deposited upon request from whomever represents your class to prepare for your next reunion.

It's easy to do and eliminates the need for account monitoring between reunion years. Please contact myself or Mason if you want to deposit your funds or you have questions about the program.

Thanks, Tracy

Editor’s Note

By Judy Nunn '60, Editor
Somehow we jumped from Volume XIII to XV in the June 2009 issue. My apologies! Notice I have corrected the volume number for this issue. So when you get your June 2010 issue, the Volume number will read the same as June 2009. I guess nobody really looks at that as nobody has complained. Remember we all make mistakes.

Is your class having a reunion in 2010? There will probably be follow-up articles in the upcoming June issue (Deadline for articles is April 20, 2010. Sometimes changes are made after the June issue has gone to press. **Check out our website for last-minute news : www.shsfoxes.com.**

In Memoriam

This column is to pay tribute to fellow students, parents and teachers. This is not a "recent" list necessarily. We will print names others have submitted, and the actual recent losses we note from the newspapers and word of mouth.

If you've lost a loved one or know of someone who should be listed, please let us know.

If you can assist with the incomplete dates, we at the Alumni Assoc. would greatly appreciate your help. So many times we receive a note that one is deceased,

but no date given. Thanks to Ann Vasconi for providing the dates for Carl Holm and Darlene Hettwer.

We'd like to acknowledge Minnie Engeman. She was a teacher in Scotts Mills from 1958 to 1961, and at Victor Point 1961-1976. She authored books about the history of the Silverton schools. Her records of the Silverton High School attendees and graduates were used to begin the database for our Alumni Association. She passed away 6/26/09.

Successful Alumni Scholarship Fundraiser

Our 11th annual fundraiser was another huge success. The Silent Auction collected over \$5,000 Friday evening, Aug. 7, 2009. Add that to monetary donations received from several businesses and alumni prior to Friday's fundraiser, and that adds up to over \$6,000. Ticket sales and expenses are not included in that figure.

The 50/50 split-the-pot went to Gary Ohren. He walked away with \$314.00.

Several classes celebrated their own class reunions during the party. Check out our website www.shsfoxes.com and view the pictures. There are also pictures of the items up for bid at the Silent Auction.

Mailing Label

Please check the expiration on your mailing label on this newsletter. If it has a date of 2009 and prior, it's time to renew your dues. If it says "Complimentary Copy", we'd like to invite you to join our Alumni membership to support our Scholarship Fund.

We're Back at the Oregon Garden Pavilion

By Mason Branstetter

Great news! When the Association approached The Oregon Garden Resort about the potential for renting their Pavilion for our first Friday in August 2010 annual Scholarship Fundraiser, they responded with a very positive attitude and offered us three rental options. They are eager to move forward while rebuilding a mutually beneficial relationship with the Silverton High School Alumni Association. The Trustees selected the option that basically returned our rental agreement back to the previous arrangement that existed over the initial decade that we held our event at the Garden.

We will hold our 12th Annual Fundraiser on August 6, 2010 at the Oregon Garden Pavilion. The Wooden Nickel will continue to provide our food service and hopefully they will continue with their tradition of a partial food sponsorship. The Nickel's 2009 partial food sponsorship donation of \$3,002 continues to be the most significant single contribution to our scholarship fundraising efforts. Please show your appreciation and give them a personal "thank you" the next time you are at either the Wooden Nickel or Mac's Place.

It is equally important to note that because of the Resort's waiver of their private caterer \$15 per attendee surcharge and their reduced rent for next year's event that in effect they will be contributing approximately \$8,000 in reduced fee savings to promote our return back to the Pavilion.

Not only has the Resort given us a reasonable deal but they have also

offered a reduced room charge of \$129 plus tax per night per room for anyone attending our Scholarship Fundraiser. When you rent one of their guest rooms at the reduced rate of \$129 per night for the weekend, you will also receive: breakfast for two and daily Garden admission for two each night of your stay. Most of our Trustees have stayed over night at the Resort and all recommend that you give it a try. Check out the Oregon Garden Resort at: <http://www.moonstonehotels.com/OGRinfo.htm> and give some positive consideration to staying over at the Oregon Garden Resort during the next Homer Weekend or whenever you visit your hometown.

It is appropriate at this time to give thanks to all who attended our 11th Annual Scholarship Fundraiser in 2009 at the Willamette Valley Events Center in Mt. Angel. The Events Center offered us the best alternative to the Garden Pavilion and worked reasonably well. We did have less in attendance than is traditionally expected; however, those loyal Alumni who did attend had a very positive attitude and were very generous. The Silent Auction and 50/50 raffle bought in as much in scholarship funds as did previous Fundraisers where twice the number of Alumni attended.

We eagerly look forward to our future Scholarship Fundraisers with the hope that you will make it a point to put us on your calendar, reserve a room at the Resort, and have fun over the Homer Davenport Weekend. See Ya on August 6, 2010 at the Garden!

Show Me the Money!

The 2009 Scholarship Fundraiser was a success again with special thanks to the many loyal Alumni in attendance and to our corporate and individual sponsors. Since the purpose of our Reunion is to raise scholarship money, many have expressed a desire to know just how well we did.

Income:	
Ticket Sales:	\$ 7,290.00
Expenses:	
Rent:	\$1,000.00
Caterer:	4,641.27
DJ:	450.00
Printing:	
Tickets:	120.00
Auction Forms:	109.00
Advertisement:	
Our Town	90.00
Appeal	181.00
Credit Card Processing:	119.00
Total expenses:	\$6,710.27
Net Profit Party alone:	\$ 579.73
Net Profit per person	\$ 2.72
	(213 attendees)

A few have expressed a concern for the \$30 price for the tickets. If you divide the total expenses by the 213 persons in attendance; you will quickly see that the actual cost per person was \$31.50. The reason we show a Net Party Profit is because of the number of persons who purchased a ticket and did not attend. The \$450 spent on the DJ was a major expense; however, we had hoped that once it was known that a DJ was going to be present that some of the younger generation of Alumni would choose to attend and off-set the costs.

The marvelous story associated with our Fundraiser is the extra money raised through the efforts of

our volunteers and generous donors:	
Silent Auction:	\$ 6,690.77
50/50 Raffle:	314.00
Wooden Nickel Donation:	2,002.20
Total:	\$ 9,006.97
Total Net Profit:	\$9,586.70

The approximate \$9,587 will go a long way towards meeting our 2009 scholarship obligation of \$13,050. Just a note on how we determine the amount to award in annual scholarships. We compute 5% of our invested principal as of Dec. 31st and that amount is obligated for scholarships. Over time a 5% annual withdraw has proven to leave the original invested principal whole. Most importantly, since the Fundraisers have raised a significant percentage of the obligated scholarship funds, it leaves more of the principal in place to earn interest on interest. Since we only needed to withdraw \$3,463 from our investment account, the original invested principal clearly remained intact even in the economical down-turn that we all have recently experienced.

Another year and we're all older and slower, including me. Our group has decided no more organized reunions for now. But we will have our luncheon on the 3rd Wed. of Jan., Mar., May, July, Sept. & Nov. at the Home Town Buffet on Lancaster in Salem at 11:00 a.m.

We are not calling anyone. Please mark your calendar and come join us.

50th Reunion**

by Judy (Ernst) Nunn

Our 50th reunion is coming up in 2010. If you know how to contact the following classmates, please send me their addresses so I can add them to our mailing for the reunion. Some of them may be deceased, and I would like to make note of the date.

- John Bradshaw
- Jean Paul Fawcett
- Pat Payne Ketchum
- Alta Hale Lovelette
- Sharon Peron Miller
- Larry Page

Also, what about those who attended grade school or junior high with us? It would be fun to invite them to our 50th. Send me any information you can.

John Dahl & I contacted several of our classmates in the Silverton/Salem area and had two committee meetings in 2009. Those in attendance at either one or both were John Dahl, John Heater, Lorna Eldred Steinberger, Larry Totland, Randy Pflaum, Judy Watson Brenneman, Kit Carson Fowler and Judy Ernst Nunn. After much discussion and pricing, we have settled with the Elks Club in Silverton.

Cost will be \$25.00 per person. Please make checks payable to "Class of 1960" and send to Judy Nunn at the address address below. The date is set for Saturday, August 7, 2010. Preliminary times have been suggested so the bar opens at 5:00 and dinner at 6:00 p.m.

I think it's time to do another booklet, so you should start thinking about what to write about yourself - family, travels, career, etc. You can submit your booklet contribution at any time, but I'll

have to have all the information by July 1, 2010. Booklet cost will be \$5.00.

Please share your Email with me. Notifications and updates will save us postage!

Temp Away

By Judy Nunn '60

We mail our Alumni Newsletter twice a year, on the third Tuesday of May and November. Please add the SHSAA to your change of address list.

If you're a "snowbird" and move at either of those times, please let us know of your temporary address. We can change your address for just that one mailing. The newsletters are sent BULK MAIL and the post office *does not forward* those, even if you've given a forwarding address. They are tossed and/or returned to us. We also have to pay fifty cents to be notified of your "Temp Away" status.

Quite often I receive an Email asking why a person did not receive a newsletter. We keep a copy of the labels so we can tell if that person was actually on the mailing list. Many times the answer is yes, the newsletter was mailed and yes to the address we have on file. However, when looking over the returned newsletters, there's that person's newsletter with "Temp Away" stamped on it by the post office.

If that person is a paid member, we will send out another newsletter. Usually that's about \$1.00 for First Class, which is the way a second one would have to be sent.

We get a great discount when all the newsletters are sent via bulk mail. But you add fifty cents for the notice that they were temporarily away and another \$1.00 to send a second copy, and our costs really go up. Keep in mind this additional expense takes away from our bank balance, and in turn can reduce the amount we have available for scholarships.

So please, if you intend to change your address in May or November, let us know ahead of time. We can put in a temporary address for the one mailing, and immediately change it back to your "normal" address for the next issue.

Trivia Corrections

We hope you enjoyed the trivia questions from the June 2009 newsletter. Comments came from Email, phone and snail mail. As Editor, I'd like to share them with you:

One of the hardware stores was Johnson's, not Dickerson's.

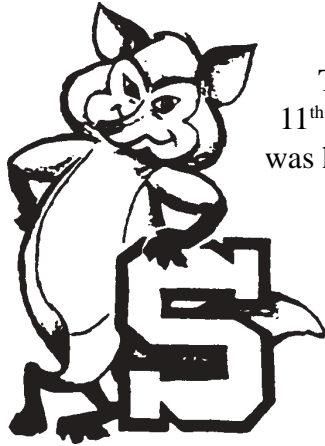

From Jack Hande '49

I always enjoy getting my Silverton Alumni News. Your Old Town Trivia was lots of fun. I did notice however, that one of the grocery stores was incorrectly named. The correct name was Tucker and Morley rather than Tucker and Morey.

Clarence Morley was my grandfather. He was born and spent his entire life in Silverton. After Mr. Tucker retired the store was named Water Street Market. Guess this shows that we really do read every word of the news.

Thanks for all you do for the alumni association.

THANK YOU!!

The Silverton High School Alumni Association held a Silent Auction at their 11th Annual Fundraiser for alumni and friends on August 7, 2009. This year it was held at the Willamette Valley Events Center.

In addition to items up for bid, many in-kind and cash contributions were received. As a result of the tremendous support from the greater Silverton business and academic community, the Silent Auction raised over \$6,000 to help support the Scholarship Program for the graduating seniors of SHS. The SHSAA desires to provide special recognition and a heartfelt thanks to the following persons and businesses that unselfishly contributed to the outstanding fundraising effort:

Pulling Weeds

By Judy Nunn '60, Editor

As I was weeding my iris bed, the following thought came to mind. Making a list of everyone who helped at an event or function is like pulling weeds. You're always going to miss a few, and perhaps pull up a weed that was really a plant.

It's nearly impossible to list every single person unless there was a sign-in sheet. Sometimes people just jump in and help without being asked. That's great. We need more volunteers like that.

With weeding in mind, my apologies to those who did not get listed. And to those who jumped in without being asked, THANK YOU!! I hope you'll step in next year. Give me your name and I'll make sure you're added to the list.

Class Of '55 Really Comes Alive in 2010!!!

By David Gentry

Plans were set for the 2010 Class Reunion by the group of 10 at the all class party. There will be only one dinner held for the reunion and it will be at the Friday night all class party.

We will gather to watch the Homer Davenport parade on Saturday morning and we will possibly tour the new Silverton High School after the parade.

The reunion will continue with a class picnic at Sharon Cates' Kephart Farm near Central Howell. It will begin at 2:00 P.M. Saturday. Please contact class members you are in touch with and make them aware of the plans. Thank you, and see you next August!

How Can I be a Class Representative?

By Judy Ernst Nunn

We are often asked about the list of Class Reps in the back of the newsletter. "What do I have to do?" is the most common question.

Relax - there are no "duties". A Class Representative is mainly a contact person for a designated class year.

We would presume that person would be keeping track of classmates in order to make preparations for a reunion at 5, 10 or 20 years. The more often you have a reunion, the easier it is to keep track of everyone.

It's a great help when the Class Rep is notified by anyone who moves or changes his/her name. And some classes have better luck than others.

In addition to editing the newsletter, I also keep the Alumni Database up to date. The Class Reps help by sending me the changes of address for their classmates. This is a constant job. I am always receiving Emails with address changes.

Reunion Preparation:

Most reunions are held after a 5-year period (5, 10, 15, 20, etc.). Each year we concentrate on whatever year ends in a 5-year period from the date of graduation. For instance for 2007, we mailed complimentary copies of the newsletter to all classes ending in 7 or 2.

We'll send complimentary copies of this June newsletter to the classes ending in 0 and 5. Contact us if your class will have a reunion in 2010.

Let this be a "heads up" to you. Start working on your mailing list now. We suggest you begin with a list from the Alumni Association. Request a class roster, compare it with what information you currently have, and work from there. The Post Office does not forward our newsletters. If one is sent out with a bad address (i.e., to someone who has moved), the newsletter is returned to us at a cost of 50¢. If the move has been within the past six months, the Post Office will provide us with a current address. Many times, however, we pay for the return only to get it stamped with "Moved - No Forwarding Address" or "FOE" (forwarding order expired).

So let's work together. Contact me for a Class Roster. Let me help you get a head start on your reunion for next year. If you'd like to check our list, just send an Email to: Nunnjk@comcast.net. Be sure to put your **class year in the subject line**. You may phone me with the

request at (503) 390-3816 - leave a message if I'm not home and **PLEASE be sure to leave your area code and phone number** in case I have to contact you.

Web Site Reunion Notices

Considering having a Class Reunion this year? Whether it is a regularly scheduled 5-year affair or you are just scheduling a group that meets more often, consider posting your notices on the Silverton High School Alumni Association (SHSAA) Web Site. This means of communication can be much more expeditious when "getting the word out" to your classmates.

Notices sent to the Webmaster are usually posted within a day of notification. Send your notices to (jlundal@verizon.net) Jim Lundal '58, also any changes that are made prior to the reunion. Notify your class members to review these Web notices for changes.

Another consideration is supplying the Web Site with pictures and text after the Reunion for placing your Reunion Pictures up for review by those classmates who could not attend the Reunion. There are several Class Reunions on the Web now and you can review them at anytime.

The SHSAA Web Site is at www.shsfoxes.com. Use the buttons on the **Home Page** to visit **SHSAA News/Reunion Notices**, **SHSAA Past Events** and finally see if your current information is correct on the **Alumni Class Lists**. Email Jim Lundal with any questions concerning the Web Site at jlundal@verizon.net.

Silent Auction Committee Report

By Carmen Cochran '61

The Silent auction committee was made up of Judy Ernst Nunn, class of 1960; Carole Slentz Christensen, class of 1961; Sue Brownell Hannan, class of 1961; Donna Krug Liechty, class of 1941; Marcia Brooks Branstetter, class of 1964 (Tillamook); Earle Beesley, class of 1952; Marcella Beesley Gentry, class of 1955; Dave Gentry, class of 1955; and Carmen Cochran Smith, class of 1961. The "girls and boys" worked hard this year, focusing on cash donations and major contributor donations while having fun with the merchants and individual donors who so generously opened their purses and their hearts to the cause of providing scholarships for graduates of Silverton High School. The committee was very fortunate to be able to thank all of the contributors with a generous half-page ad in *Our Town* contributed by the newspaper itself. Thanks to the committee's hard work and the generosity of the folks who attended the gathering at the Events Center, the fundraiser raised in excess of six thousand dollars.

MEMBERSHIP TABLE

The membership table raised ninety-five dollars the night of the Class Reunion. This included some multiple year memberships for a total of 14 memberships renewed or new ones sold plus an "in memory" contribution.

Julie Kesting-Davies, Judy Nunn's daughter, was a big help at the table, assisting with contributions made via VISA and keeping up with the accounting.

Thank You Notes from the Scholarship Recipients

Thank you for awarding me your scholarship. I will be attending Portland Community College in the fall and am very grateful for the added support you have given me. Without your support getting an education would be a struggle. Thank you for helping me make my college journey a little easier.

Aaron Almquist

Thank you so much for your generous contribution to my education. I will be putting the scholarship money towards tuition and textbooks for the upcoming school year. As a sophomore at Oregon State University, I appreciate the fact that the SHS Alumni Association continues to fund students after the first year of college. It was more difficult for me to get scholarships this year compared to my senior year of high school, and your scholarship will be a tremendous help. Thank you again for your contribution.

Kyle Aman

I would like to genuinely thank you for the scholarship I received this year. I truly appreciate your support and your faith in my education. The scholarship is immensely appreciated.

This fall I will attend Linfield College to study Pediatric Nursing. In 2011 I will transfer directly into the nursing program at Linfield's Portland Campus. My minor is undecided, but I am looking into both vocal music and Spanish.

Briana Bledsoe

I would like to thank you for your generous scholarship award.

Your support is greatly appreciated by me and my family.

This fall I will be attending Whitworth University in Spokane, Washington, and will be pursuing a major in biology and a minor in Spanish. I also intend to keep myself busy outside of the classroom with clubs and activities and hope to participate in school newspaper, environmental club, and the premedical society. I know I'm going to have a great time!

Once again, thank you so much for your support.

Diana Cater

I would like to thank you for awarding me this scholarship. I really appreciate it and will put it to good use. I look forward to continuing my studies in the automotive program at Chemeketa.

Spencer Cook

Thank you for the scholarship granted to me. It will help further my education at Eastern Oregon University. ... I will be a full time student at EOU studying Rangeland Management or Fish and Wildlife. Thank you again for the opportunity provided to me and my fellow class mates.

Kody Coxen

I would like to thank you for the scholarship and let you know that I appreciate your support. ... I will be a full-time student at Green Mountain College in Vermont.

Gwendolyn Cramer

I was very excited and thankful to know that I was awarded the ... scholarship. This will help me to get a head start on college. ... The college that I am planning to attend is Chemeketa Community College. I'm already enrolled and I'm going

to be a full time student starting in the fall.

Thank you again for the scholarship. I'm looking forward towards starting college, and you have made it easier for me to pay for college. I have lots of plans for my future. I'm the first to graduate from my family, and going to be the first to graduate from college. I'm very blessed.

Ana Gaspar

I would like to sincerely thank you for the scholarship I received at Senior Awards night. Your support and scholarship is greatly appreciated.

This fall I will be entering the welding program at Chemeketa Community College. This scholarship will help me be able to concentrate on my school curriculum instead of worrying about my finances.

Corey Geck

I have changed my school of attendance to Chemeketa Community College, previously listed as Oregon State University as a full time student this fall term of 2009. ... I also wanted to thank the Silverton High School Alumni Association for choosing myself as a scholarship recipient for the 2009-10 academic school year.

Mitch Gerhards

Thank you for awarding me the scholarship. I look forward to taking the lessons I've learned at Silverton High School and apply them to the real world, at the same time furthering the already stellar reputation of Silverton High School Alumni.

Jared Hilton

I would like to thank you for the scholarship you have given me at

Senior Awards. The support and scholarship that is coming from you and the Silverton Alumni Association is greatly appreciated.

I am going to attend Chemeketa Community College as a full time student in fall 2009. I plan to finish the required prerequisites with Chemeketa and transfer to Pacific University by fall 2011. At Pacific University, I intend to enter the three year Doctor of Physical Therapy program. One day I plan to open my own physical therapy clinic. I feel confident in my educational goals and I am excited to fulfill them.

Efrosinia Ivanov

I would sincerely like to thank you and the Silverton High School Alumni Association for your time spent on my behalf. I would also like to thank you for gracing me with one of your honorable awards. I will strive to put my scholarship to good use in furthering my education. I plan on attending Oregon State University as a full time student in the fall of 2009. Thank you again for your time and support.

Janeen Kuenzi

Thank you so much for your continuing support of my education! The school I will be attending Fall 2009 is Portland State University.

Aimee Lierman

I would like to sincerely thank you for the scholarship that I received at Senior Awards. Your support and scholarship is greatly appreciated. Without your help I couldn't make this possible.

This fall I plan to attend Chemeketa Community College. I am working towards being a part of

the Pharmacy Technician program. I hope to graduate in 2011 and hope to attain a career in one of our Silverton area pharmacies.

Thank you again for your generous support.

Brooke Luthi

I would like to thank you for your generous contribution into the Silverton High School Alumni scholarship fund. Without people like you it would make achieving a higher education that much more difficult.

In just a couple short weeks I will be attending school at Brigham Young University-Idaho, in Rexburg. I am pursuing nursing and have already declared pre-nursing as my emphasis for this first year. Due to people such as you, I can walk into college knowing that I am that much closer to finishing and receiving a diploma. It is no longer contingent on if the funds are in my account or not, but on how hard I work and push myself.

Carlie-Joy Mansfield

Thank you so much for awarding me the Silverton High School Alumni Association scholarship. Your generosity has put me one step closer to my goal of becoming a nurse.

In the fall I will be attending Chemeketa Community College as a full time student. I will be attending the college for two years before I begin to apply for nursing schools; my goal is OHSU.

Johanna Pelletier

First off, I would like to thank you for considering me a worthy investment by giving me ... for my college tuition. This really means a lot to me. My plans have not changed since last year. I still

desire to get an undergraduate degree in Political Science with an International Affairs track focus. I also desire to start the process of learning to speak Arabic this coming year at college. After I have a basic understanding of the Arabic language, I wish to study abroad in Cairo, Egypt, where I can greatly expand my understanding of the Arabic language and culture. It is then my desire after I graduate with a Political Science degree to have a career where I am involved in the Middle East in some function, whether that is through the government, private business, or even in a relationship with a union overseas. All of my life experiences thus far will be indispensable in my career choice.

The school I will be attending in the 2009-10 academic school year is Seattle Pacific University.

Brett Ramsay

I just wanted to say thank you for this scholarship. I am so thankful for this and everything you have done for me. ... Thank you so much for this opportunity. It will help me out so much this next year.

Bryanna St. Paul

I would like to sincerely thank you for the scholarship I received at Senior Awards. Your support and scholarship is greatly appreciated.

Next fall I plan to attend Carroll College in Helena, MT. I plan to study pre-med and major in biology. While at school I would like to grow as a person and in my faith. After I receive my degree I would like to return to the Silverton area and work at the hospital.

Thank you so very much.

Katherine Schmidt

Thank you for awarding me a Silverton High School Alumni Association Scholarship. I am a dual-enrollment student with OSU and Chemeketa Community College to save money on tuition. Your scholarship will go toward tuition fall term, and I sincerely appreciate it.

I hope to intern with a local micro-brewery next summer and eventually plan to operate my own craft brewing business. I will study Marketing as well as Fermentation Science and Entrepreneurship at OSU after I get my basics at CCC.

I am enrolled fall term at Chemeketa Community College for 13 hours of math, writing, and chemistry that I will transfer to OSU for my Food Science-Fermentation Science degree.

My family and I greatly appreciate your support.

Garrison Schmidt

I will be attending Seattle University in the fall as a full time student. ... Thank you very much for your generosity and support!

Marie-Therese Senecal

Thank you so much for your assistance and generous support. I am very grateful and would just like to thank you so much for all that you do.

Cameron Sinn

I would like to thank you on behalf of your support in furthering my education. I greatly appreciate the scholarship I received.

My plans for the fall are to start up at Portland State where I will be living on campus in the dorms and also throwing the javelin for the Vikings. I am working towards a Bachelor's degree in Social Work and I will probably stay an addi-

tional year thereafter to achieve my Master's.

Thank you again for your generous support.

Stephanie Sprauer

Thank you so very much for your generous support through the scholarship that I received. Your support is greatly appreciated and will significantly assist me in pursuing my college education. This fall I will be attending Clackamas Community College where I will be studying nursing and social work while playing on the women's basketball team. After two years at CCC, I plan to transfer to a four year university to continue my education and hopefully continue my basketball career; where exactly I plan to attend is still uncertain.

Thank you again for your investments in my future.

Tess Stadel

I want to thank you so much for the scholarship that I received at Senior Awards Night. I greatly appreciate your support as I continue on with my education.

I will be attending the University of Portland this fall to study sociology. My eventual goal is to have a career in the social services profession, possibly as a high school counselor.

Again, thank you so much!

Andrea Stroup

I would like to sincerely thank you for the scholarship I received at Senior Awards. Your support and scholarship is greatly appreciated.

I will be attending Carroll College in Helena, Montana for Fall Term 2009. I will be studying for a profession of Physical Therapy.

Justin Wells

I would like to sincerely thank you for the Silverton High School Alumni Scholarship I received at Senior Awards. Your support and scholarship is greatly appreciated.

I will be attending Western Oregon University this fall as a full time student and living in the dorms. I will be working towards a degree in Physical Education and Health.

Richard Zeis

I would like to sincerely thank you for the scholarship that I received. Your scholarship is greatly appreciated and will be a great help in the future.

This fall I will be attending Chemeketa Community College to earn an associates degree and then transfer to Oregon State in two years to become a mechanical engineer.

Luke Zollinger

I was honored to be chosen for one of your scholarships! Thank you for the ... scholarship.

Class Reps Needed

By Judy Nunn

Notice some of the Class Reps have changed again with this issue. With a Rep for each class, it makes it easier to keep up with the changes of addresses, name change, etc.

A Class Rep is mainly a person with the class list, so we can keep our address list updated. If you'd like to help in this capacity, please let me know.

If you move, please let your Class Representative know. It will be helpful also if you will also notify this newsletter editor at Nunnjk@comcast.net.

REPS NEEDED FOR THESE CLASSES: 1938, 1980, 1991, 1999, 2000, 2007, 2008. Please step up and volunteer!

For you new graduates, it's not too late to select someone to represent your class. We'd love to have you as a member of the Alumni Association.

Privacy Policy: SHSAA does not sell or trade names and/or addresses of alumni. Our purpose is to keep a current database of all alumni. With this information, we propose to help each class in locating their classmates when they are planning a reunion. We do, however, share the addresses within that class and with other alumni.

When Do We Meet?

Our association is getting stronger because of the volunteers who keep it growing. Often we are asked if there is anything that someone can do to help out or attend our meetings.

Monthly meetings are held the third Tuesday at the Silverton Realty Conference Room upstairs at 303 Oak Street and start at 5:15 p.m. and normally last about an hour. A current schedule can be found on our website:

www.shsfoxes.com. The schedule is also printed in this issue of the newsletter, page 15. Anyone and everyone is invited to attend the meetings. *Note we usually skip December.*

If you have questions, please feel free to contact: Mason at (503) 873-3545 or Email: mason@silvertonrealty.com or Judy at (503) 390-3816 or Email: Nunnjk@comcast.net.

Cookbook

By Judy Nunn

SHSAA attempted a cookbook to sell as a fundraiser. We've published a notice over the last 4 issues of the SHS Alumni News, asking for recipes.

Unfortunately, we have not received enough recipes to warrant the cost of publishing a book. We thank all who submitted their favorites.

As Editor, I plan to publish the recipes over the next several issues of the SHS Alumni News. We wish to share the many recipes our alumni have sent us. There will be at least one and probably more each issue, as space allows.

If you want to copy these to print out for your own use, go to our website www.shsfoxes.com, click on the newsletter, and you can copy and paste the text into a document to print out.

Shall we start with salad?

Broccoli Salad

4 cups broccoli flowerettes
1/4-1/2 cup chopped red onion
1/2 cup currant or white raisins
1/4-1/2 cup sunflower seeds
4-5 slices crisp bacon, crumbled

Sauce:

1 cup mayonnaise
2 Tbsp wine vinegar
2 Tbsp sugar

Mix first 4 ingredients. Pour sauce over and mix. Crumble bacon on top.
