

History of SHS

By Judy Nunn

I thought researching the history of Silverton High School would be a simple matter of putting dates on the pictures. Craig Roessler, SHS current School District Superintendent, allowed me to read a book by Minnie Engeman. She did a fantastic job of documenting all the buildings. The pictures on pages 8 and 9 are from copies on paper, so the reproduction is not the quality I would have liked. But in order to tell the history of the high school, I felt the grade schools had to be included.

The first Silverton public school was a 2-room, 2-story building started in 1862. There were 96 school age children in the district. About 1889 the pupils overflowed the schoolhouse. The building was sold in 1890 and moved to the corner of Park and First Streets, where the building remained until the land was needed for a high school building in 1907.

The 2-story building is still standing, located at High and 3rd Streets, and known as the MWA Hall. Many square dances were held there in the late 40's and early 50's. The building is owned by the Modern Woodworkers Association.

In 1890 a six room school building was completed for fall term. The building was named Emerson by the P.T.A. when they named other school buildings in 1922.

In 1907, a six room high school, later named Washington Irving, was erected. 1913-1914 school year the enrollment was 89 for the high school.

According to Minnie Engeman's book, "History of Silverton Public Schools" (new edition 1996), Eugene Field was built affronting North Water Street. Eugene Field School was ready for use in May 1922 according to the historical booklets we have in the district office. The first phase consisted of eight classrooms, the gym, library, office, etc. In August of 1921, Emerson School was moved to the corner of First and A Street to make room for the construction of Eugene Field School. Emerson School burned to the ground during Christmas vacation in 1924.

In 1915 the new high school was erected on First Street between

Park and A Streets, next to the Washington Irving Building. This was known to many as the "new high school".

In 1916 the school system had an enrollment of 642 students, 145 of which were in the high school.

The high school on Schlador Street was built in 1939 for grades 9 through 12. 7th and 8th grades were in the 1915 building, with grades kindergarten through 6th grade in Eugene Field. In 1955 Mark Twain replaced the old Junior High (1915 building). Robert Frost school was built in 1971 for grades four to six. For the school year of 2006-07, Eugene Field holds grades Kindergarten through third grades, Robert Frost fourth through sixth grades, Mark Twain seventh through eighth grades, the Pine Street Campus for 9th grade freshmen, and Silverton High School grades 10 through 12.

The Washington Irving building and the 1915 building were torn down and the First Christian Church occupies that ground today.

In summary, the Washington Irving Building was the first high school. The second one was the 1915 building, which later became the "Junior High" when the Schlador Street high school was built.

Who named the schools? Why authors? One theory is that the book "Winkin, Blinkin & Nod" was quite popular when the grade school was built. Eugene Field was the author, so the P.T.A. named the school. Note that all grade schools are named for authors; the high school remains unnamed.

Pictures and more information are on page 8 and 9 of this newsletter.

Honorary Diplomas for 2007

Honorary diplomas were presented to Robert Dedrick and Jerry Coon at the SHS graduation ceremony on June 7, 2007.

Robert Dedrick

Robert Dedrick came to Silverton Union High School in the fall of 1969 and spent the next 36 years at Silverton teaching every math class offered, coaching track and field and tennis, announcing for the football and wrestling teams and spending countless hours involved in the lives of SHS students.

Twice he was elected by his peers as president of the local teacher's association, was appointed to the State Department of Education standards committee, spent summers as an appointee to the National Science Foundation workshops, directed the outreach program at Chemeketa Community College and was involved at the founding of the local school site council program.

During his first year at Silverton High School Robert taught physics to current astronaut Dr. Don Pettit and during his final year teaching he came full circle, coordinating a video conference between the International Space Station and Silverton students, giving them a chance to ask Dr. Pettit questions while he orbited the earth.

In addition to all his school activities, he has been active in his community, and has been twice selected as Silverton Together Volunteer of the Year at the Silverton Area Chamber of Commerce First Citizen banquet.

Gerald "Jerry" Coon

After graduating from South Salem High, Jerry spent the next 10 years completing his military duties, graduating from Oregon College of Education (Western Oregon University) and working at MacLaren School.

He started teaching and coaching at Silverton High in 1971. His ability to relate with both the students and athletes was one of his excellent strengths. Jerry coached the JV Basketball team during the 1970's and the Varsity boy's teams from 1980 to 1985. The 1984 team competing in the Oregon State Playoffs was one of his most memorable years.

He also coached freshman and JV Baseball as well as Varsity Golf.

Jerry also spent many hours during the summers coaching basketball and junior golf.

After retiring in 1992, Jerry taught part-time at SHS and continues to this day being the scorekeeper for the football and basketball games as the students at Silverton High remain very important to him.

FUNDRAISER

By Verna Stumpff Thayer

Here's one more way you can help with the scholarship fundraiser. At the annual "All class Garden Party" SHAA trustees, committee members and friends of SHSAA donate bottles of wine and/ or liquor for the silent auction. All the bottles are then placed in a container for the silent auction. This has been a popular auction item and raises a considerable amount of money each year.

You can help by donating a unique container, purchase a bottle or give \$\$\$ toward the purchase of an item to add to the container.

Call Verna Stumpff Thayer for information 503-581-8231 or Email vernajt@comcast.net.

Classy Class of '57

By Marlin Hutton

We are starting plans for our big 50th Reunion the first Saturday in August, 2007. Charlene (Moore) McColly and Dave have graciously volunteered their place "up the Abiqua" to host the event. We will be sending those in our class more information later, but must have current addresses, and hopefully phone numbers. If you are in our class and have moved, will be moving in the next few months, or have the addresses of others in the class who have moved within the past 6 years, please inform Judy Nunn, whose address is listed in this paper, or me: Marlin Hutton, 920 Tamarack NE, Salem, OR 97301, Ph. 503-581-8337. Some we have been unable to locate: Does anybody know where Gary Casey is?

We don't care if you were in Silverton when you graduated, or graduated at all. None of these things matter any more; we're just glad to be walking around breathing the air, and we'd like to get together again to find out what you are doing, go over old times, stretch the truth a bit, and just generally have fun! Remember: the older we get, the better we wuz!

WASHINGTON IRVING also known as the FIRST HIGH SCHOOL - 1907 - 1915

In 1907, a six room high school was built at First and Park Streets. In 1922 it was named Washington Irving. The building had a basement of stone and walls of brick cemented outside. It was first used as a high school from 1907 to 1915 and from 1915 to 1928 as upper elementary and from 1928 to 1939 as a junior high school.

E.E. Washburn was the superintendent and Mattie Kentner was principal of the new high school. In 1913-1914, the high school

enrollment was 89 students.

In 1971 the Washington Irving school and the 1915 building next to it were torn down to make way for the new First Christian Church. (Photo credit to Silverton Country Historical Museum)

The current grade school Eugene Field now stands on this corner. (Photo credit to Silverton Country Historical Museum)

June 2007

The 1915 High School was built of tile with brick facings, with both white and red pressed brick used for finishing the front. The three story building measured 91 feet x 72 feet and cost the district \$14,000. The tenth through twelfth graders enjoyed a first floor which held a domestic science room, manual training area, cloak rooms, and restrooms. The second floor contained the superintendents's office, teachers' room, and six classrooms. The third floor consisted of a main assembly room that seated 110 with a stage at one end, a library, large science laboratory, sewing room, and commercial classroom.

Later the school housed seventh and eighth graders. Unfortunately, by 1955 the school was condemned and by 1961 the structure was torn down along with Washington Irving School to make room for the new First Christian Church. (Photo credit to Silverton Country Historical Museum)

In 1939 the new high school on Schlador Street opened and the junior high school was held in the 1915 building. Washington Irving was no longer used except for selected classes during the next few years. In 1939, the school was traded to the City of Silverton for the athletic field for the new high school at the end of Brown Street. (Photo credit to Raggie Clites)

Eugene Field was built in 1922 and Emerson burned down in 1924. Note Washington Irving to the right, located on First and Park Streets. (Photo credit to Raggie Clites)

SHS has a Student Body of nearly 1100 with approximately 50 participating in the scholarship program. Your support of the Auction will help provide continued support of this program.

Specifically, we are seeking your donation of any item(s) and volunteers to help with set up and running of the auction. No experience is necessary and all volunteers will be greatly appreciated!

THANK YOU for your donation in the Silent Auction! Please fill out the bottom section of this letter and return it to SHS Alumni Association, 303 Oak St., Silverton, OR 97381 or contact: Verna Thayer (503) 581-8231 vernajt@comcast.net or Judy Nunn (503) 390-3816 nunnjk@comcast.net.

Do You Remember?

By Judy (Ernst) Nunn

When I was five, I entered Eugene Field School as a kindergartener. Miss Montgomery was my teacher. Kindergarten was held half days - morning or afternoon sessions. I believe mine was the morning session. (I've always been a morning person)

The next year was first grade with Miss Olga Johnson, second grade Hannah Olson. First through sixth grades each had three teachers. Kindergarten started at the southeast corner at First and Park streets, moving along the length of the building to sixth grade at the northwest corner of Water and A Streets.

Seventh and eighth grades were in the 1915 building across First Street. When I was attending, it was the "Junior High" building. My mother told me it was the High School when she attended. It was changed to the "Junior High" when the "new" high school was built on Schlador Street.

In 1955 the 1915 building was condemned and Mark Twain was built. The seventh and eighth graders from the 1915 building moved to Mark Twain. Mark Twain then held the sixth, seventh and eighth grades.

I remember attending "Bible study" in the Washington Irving building. There was an old Victrola where the needle was housed in a the huge round piece that folded back over the arm. You had to be careful not to drop it onto the record (and tall enough to reach it). Records were very popular when I was growing up. The speeds were 78, 45 and 33 1/3.

What's your memory? Can you name all your teachers? How many of your kindergarten class gradu-

ated with you at SHS or SUHS High School? Are you still in touch with those classmates?

Let's have a "Memories" column in the next newsletter! Send your notes to Judy Nunn, 4728 Jade St. NE, Salem OR 97305. Or Email them to: Nunnjk@comcast.net. We'll publish as many as space allows.

Silverton Alumni News When Do We Meet?

Our association is getting stronger because of the volunteers who keep it growing. Often we are asked if there is anything that someone can do to help out or attend our meetings.

All the meetings are held at the Silverton Realty Conference Room at 303 Oak Street and start at 6:00 p.m. and normally last about an hour. A complete schedule can be found on our website: shsfoxes.com. Anyone and everyone is invited to attend the meetings. *Please note that there will be no meeting in December*.

If you have questions, please feel free to contact: Mason at (503) 873-3545 or Email: mason@silvertonrealty.com or Judy (503) 390-3816 or Email: Nunnjk@comcast.net.

Å

Change of Address??

These newsletters are sent bulk mail to keep postage costs to a minimum. If one is returned as undeliverable, it costs us an additional 70¢. Most of those returned as postage due are because you have "moved, left no address" or marked "forwarding time expired" or "Undeliverable as addressed unable to forward".

If you live in an apartment complex or RV park, the address is incomplete without the apartment or unit number. The Post Office will return it to us and charge us the 70¢. In addition, if there is a new address, the Post Office still returns it to us, charges the 70¢ and gives us the new address. If you are a paid member, we will re-send the newsletter for an additional 70¢ postage cost. But that increases the total cost to \$1.40 for each return that we re-send. With too many returns, that can really cut into the dues amount that would add to the scholarship fund. None of the returned complimentary copies are sent a second time. With the exception of the returned postage costs, this more than covers the newsletter cost and leaves "some" for scholarships. Let's help our graduating seniors further their education.

The point? If you move, please notify us of your change of address. Contact Judy Nunn, 4728 Jade St. NE, Salem OR 97305 or Email: Nunnjk@comcast.net.

What is a Class Rep?

By Judy Ernst Nunn

We are often asked about the list of Class Reps in the back of the newsletter. "What do I have to do?" is the most common question.

Relax - there are no "duties". A Class Representative is mainly a contact person for a designated class year.

We would presume that person would be keeping track of classmates

in order to make preparations for a reunion at 5, 10 or 20 years. The more often you have a reunion, the easier it is to keep track of everyone.

It's a great help when the Class Rep is notified by anyone who moves or changes his/her name. And some classes have better luck than others.

In addition to editing the newsletter, I also keep the Alumni Database up to date. The Class Reps help by sending me the changes of address for their classmates. This is a constant job. I am always receiving Emails with address changes.

Most reunions are held after a 5year period (5, 10, 15, 20, etc.). Each year we concentrate on whatever year ends in a 5-year period from the date of graduation. For instance for 2007, we are mailing complimentary copies of the newsletter to all classes ending in 7 or 2. Check the list of reunions on page 2 and you'll see how many are being held this summer.

The classes of 1967, 1972, and 1987 worked especially hard to find most of the addresses for their class members. The class of 1957 has located ALL their graduating classmates. Woo-hoo! Good job, guys & gals! The class of 2002 is having their first reunion ever - 5 years. Good way to start!

Next year we'll be sending complimentary copies to the classes ending in 3 and 8. So let this be a "heads up" to you. Start working on your mailing list now. We suggest you begin with a list from the Alumni Assoc. Request a class roster, compare it with what information you currently have, and work from there. The Post Office does not forward our newsletters. If one is sent out with a bad address (i.e., for one who's moved), the newsletter is returned to us at a cost of 70¢. If the move has been within the past six months, the Post Office will provide us with a current address. Many times, however, we pay for the return

only to get it stamped with "Moved -No Forwarding Address" or "FOE" (forwarding order expired).

So let's work together. Contact me for a Class Roster. Let me help you get a head start on your reunion for next year. And it's not too late for this year! If you'd like to check our list, just send an Email to: Nunnjk@comcast.net. Be sure to put your **class year in the subject line**.

Class of 2002 5 Years!

By Mitch Corbet

Our first reunion! Hope you're as excited as I am. Our class officers have decided to get together Aug. 18, 2007 at Silver Falls State Park at the South Falls at 3 p.m.

For our pot luck, please bring a side dish. Hamburgers, condiments and table service will be provided. We ask you to bring \$5.00 (per family) to cover the cost of these items.

According to the first letter of your last name, here is a suggested item to bring. Please bring enough for about 8-10 people.

A-E: non-alcoholic beverages F-L: any sort of snack item (chips or dip or vegetables or pretzels or whatever)

M-P: salad

Q-Z: dessert

(Note: there is no alcohol allowed within the park.)

We want to make sure there are enough hamburgers to go around, so please contact Megan or Stacey if you plan to attend. If you're bringing a spouse and/or kids, be sure to add them in your count. We'll need the count by August 4th.

Swim suits and towels are suggested. Watch for signs guiding you to our picnic area. For questions or further details, you can contact Stacey Harding (503) 989-5113; Email: Dandelions_11@hotmail.com or Megan Vandecoevering (971) 216-1049; Email: megan.lynn.angela@gmail.com.

Silent Auction Reminder

Just a reminder — it's time to start thinking about donations for the Silent Auction. This scholarship fundraising event, held during the All Class Garden Party August 3, 2007, is a major source of dollars donated to the fund. The 2005 silent auction raised over \$5,000 and 2006 raised over \$5,500 to donate to the fund. This success is only possible because of the great support of Silverton merchants, alumni & friends in their generosity in donating items for the auction.

It's not too early to contact a committee member about an item or service for the auction. Silverton Realty will again be a drop-off site for donated items. Also, remember your donation is tax deductible, so just ask for a form for your records.

Let's make this another fun, record breaking year at the auction and don't forget to contact your class representative about your class basket project.

And, thanks again for your support, past, present and future of the SHSAA scholarship fund.

Contact:

Verna Stumpff Thayer vernajt@comcast.net 503-581-8231

Judy Ernst Nunn nunnjk@comcast.net 503-390-3816

Carmen Cochran Smith <u>Randomjohn@aol.com</u> 504-512-3610

Or contact any officer of SHSAA listed in this newsletter on page 3.

P.S. If you don't remember the history, here's a little update. The first scholarship was awarded in 1996 in the amount of \$100.00. This school year 2006-2007 the Silverton High School Alumni Association will award \$12,400 in scholarships. WOW! We hope to be able to award a scholarship to every graduate who wants to further his/her education. We sure hope you will help to make that possible!

Good news! This year we will be accepting Visa or MasterCard when you pay for the Silent Auction items, so you can bid to your heart's content! Of course checks and cash are always welcome.

What's in your Class Basket?

By Verna Stumpff Thayer

How much did your class basket raise for the scholarship fund at last year's Silent Auction? If you missed last year, be sure to start planning now for the 2007 silent auction, August 3rd. If you can't get a basket together, cash donations from your class would be an alternative.

Last year the class of 1963 was the high money maker, \$70.00 with a fun "candy bar" basket. The class basket project is a way for everyone to contribute to the scholarship fund. We look forward to your participation this year. Contact your class representative and get involved in the fun.

New this year!! Visa and MasterCard will be accepted for your Silent Auction purchases as well as checks and cash.

Want to help with the Garden Party?

Please consider whether you have a couple "free" days in the year or just a few hours or minutes to spare while at the party; we always welcome your help. Our goal is to have fun while raising the scholarship funds. Consider adding your name to the wonderful list of volunteers who will be organizing our 7th annual Alumni & Friends Garden Party. Contact any of our Trustees to offer your assistance. Or maybe a group from your class might want to be a team to assist in some part of the event?

Would You Like to Help?

By Donna Liechty

Would you like to help with the scholarship program of the alumni? **Here's how!**

1. Your \$5 a year membership dues pay for the newsletters with the rest going into the scholarship fund.

2. By joining the alumni with a lifetime membership of \$500 which goes into the scholarship fund.

3. By encouraging former classmates, family, and friends of SHS to join the Alumni Association or make a donation.

The scholarship money is based on 5% of the principal from the capital investment. The Trustee Board and advisors are doing a good job investing and taking care of the fund. Last year 22 scholarships were given out, totaling \$12,200. This year that increases to 24 scholarships totaling \$12,400. **Remember - donations are tax deductible!!**
