Award Presented

The Alumni Association was the dream project of Mason Branstetter '63. He started in 1996 with a donation of funds left over from the Class of 1963's reunion. His idea was to provide scholarships to graduating seniors. As the word spread, others joined him and the staff has changed and the association grown tremendously over the years.

Mason toyed with the idea for several years in the mid 1990's with a committee of three (me, myself, and I) until 1996 when David Gentry Class of '55 became the second member followed by Arthur Beesley class of '54, Fritz Skirvin class of '56, Jeanette Olafson class of '57, Mary Ann Miles class of '52, Lawrence Fisher class of '48 and Judy Nunn class of '60. Since then the Silverton High School Alumni Association was formed and Incorporated and has a 501(c)(3) tax designation so contributions are deductible. There are approximately 1,000 paid members and thousands more on our mailing list and growing after each of our bi-annual newsletters.

The first Scholarship Award was \$100 and Mason contributed half of that amount.

We will be awarding 25 Scholarships to this year's graduating class totaling \$13,750. Interest earned from our perpetual Scholarship Fund, which has now grown to over

\$271,000 in eleven years. Contributions have ranged from \$5.00 to as much as \$50,000.

Mason has been the *backbone* of the Association through thick and thin over the years and continues to do so today. He is a very dedicated individual. At the March meeting, Mason was presented with a plaque from the members, officers and trustees of SHSAA.

Thank You, Mason!
Earle Beesley, President 2008-2009

Accommodations in Silverton

There are many options when you are returning to Silverton for a class reunion. Many of you will stay with parents or family residing in or near Silverton. Others will need to find a hotel, motel or perhaps travel by RV. How about a B&B?

To help you with your decision, inquiries to all Silverton lodging facilities have been made by our Alumni Association. This article is a report of their responses.

Silverton Inn & Suites:

As of February 2008, there are twelve rooms, varying from one to three queen sized beds. Eleven rooms also include a kitchen. Four more rooms should be complete by

mid-summer. All rooms are non-smoking and no pets allowed.

Room rates begin at \$99 plus 10% lodging tax.

During the summer months we fill up quickly so early reservations are advisable. Management does not usually offer package deals, but you can always call to speak with Sisina as she is the Manager.

We are happy to work with our customers to guarantee a pleasant visit.

Adams House:

Edward Adams House is a Queen Anne home with hosts who will treat you royally. It was built in 1890 and has been refurbished in period decor — with an emphasis on comfort.

Each of the three guest rooms has a cozy queen bed and private, attached bathroom. A full breakfast is served in the formal dining room in the morning.

* Check-in is between 4 and 7 p.m., but we are happy to accommodate your schedule by prior arrangement. We hate to see you leave, but check-out is at 11 a.m.

* A full breakfast is served at 8:30 a.m. — again, we can accommodate your schedule by prior arrangement and special dietary needs are gladly met.

* We're sorry, but we have no facilities for pets or children.

* Smoking is allowed on the front porch or in the gazebo only.

* A deposit of one-half room rate, per room, is requested refundable up to a week from your scheduled date. We accept cash and

PRESIDENT'S MESSAGE

2007 was a good year - our best ever! Most money was raised at our Silent Auction. The Silverton High School Alumni Association Scholarship fund just keeps growing to new heights all the time. Hopefully we can make it to the next level this year, \$ 300,000. The higher the amount, the more interest earned, the more Scholarship Awards can be awarded. \$13,750 will be awarded this year (June 2008) to 25 recipients.

Maybe some of you remember how hard it was to get scholarships when you wanted them after your graduation. Well, now is the time you may be able to help graduating Silverton High School students be awarded scholarships to continue their educational goals.

I am sure many of you have gained many forms of success, personally as well as financially since you graduated and can be very proud to be able to help future Alumni to further their education. Every little bit helps.

The Alumni Association needs some new and/or younger participants to help us to stay abreast with the times. If you're interested, we meet the third Tuesday of the month at the Silverton Realty upstairs, at 5:15 PM. The meeting

lasts about one to one and half hours.

Another plus for our Alumni Association, as we were featured in the National "Reunions Magazine" pages 8 & 9 in the February-March issue. There were pictures of our Silent Auction tables set up from 2006. The article was submitted by Judy Nunn, our newsletter editor and pictures by Marcella Gentry.

Hope to see many of you at this year's all school Alumni Party at the Oregon Garden pm August 1, 2008. Order your tickets from the form in the center of this newsletter. Once again, the price has remained \$25 per person.

EDITOR'S NOTE

By Judy Nunn '60, Editor
In the June 2007 issue of this newsletter, we published a list of reunion "Do's and Don'ts". The article was reprinted with permission from Reunions Magazine.
In the correspondence to ask permission, as Editor I included a copy of our newsletter and told a little about our Alumni Association. The Editor of Reunions Magazine wrote back with many questions. I answered back and included a history of our organization.
In late January, I received advance copies of the February issue which features the Silverton High School Alumni Association on page 8. Woo-hoo! We are now nationally recognized!
To obtain a free copy of Reunions Magazine, go to www.reunionsmag.com and click on the box for a sample copy. You can also view the previous issue in pdf format. If you'd like a copy of the February issue with our story, you can order one as a "back issue" for \$3.00. Subscription cost \$9.99 per year.

When sign makers go on strike is there anything written on their signs?

CLASS OF 1964!

By Diana Mann Brown
It has been too many years since our last Class Reunion! I know that there have been many changes in my life, such as being a wife, mother, grandmother and great-grandmother! And I know that you all have too, so please come out and share.
The "Alumni & Friends Party at the Garden" has been gathering for years & years, but I have been attending for only about 4 years. In that time we have not had enough classmates attending to have our own table with 1964 on it, as the other classes have had. It's neat to see others' reactions when they recognize and remember you, plus it's good to see friends & family who graduated before or after us.
Therefore, I am challenging each of you to attend this year on Friday, August 1, 2008, 6:00 p.m. We can then start planning a REUNION for 2009, thus allowing our classmates who live out-of-state to plan their vacation to attend.
Each year at the Party, there is a 50/50 Raffle and a Silent Auction, with proceeds going into a Scholarship Fund, thus helping our future SHS seniors. We can help by donating items and by bidding and hopefully buying, thus doing our little bit to help.
SEE YOU THERE,
CLASS OF '64!!

Honorary Diplomas for 2008

Norma Jean Branstetter

She is simply known by most everyone as Norma Jean. In fact many do not know her last name. She is beginning her 47th year of continuous business service to the community of Silverton. To see her Flower Shop you might question whether it is an antique store with more than expected misplaced flowers or a flower store stocked with someone's attic prizes.

She purchased the established Silverton Flower Shop in 1961 from Tecula and Bill Rue and her first location was on the corner of First and Oak. In 1972 she purchased the former Schoenberg Seed and Feed building from Victor David. She continues business today at that location, 311 N. Water Street.

She has "saved" many a thoughtless or forgetful husband or boy friend by opening up after hours and providing the love saving bouquet or handful of roses.

Hundreds of students have worn her boutennieres and corsages to school dances and reunions over the last 46 years.

At 82 years young, she still goes to work every day and delivers flowers. She can tell you where to find any address. She can tell you the names of the many generations of those who have preceded the current residents. She may not sit as high in the seat and it seems that she now looks through the steering wheel more than over it, but when someone calls . . . she'll be there.

Ken Hector

Ken has been an active Silverton community member for many years. He has served on the Silverton Planning Commission. He served on the City Council from 1985 to

1991 and as Mayor from 1992 to present. He is a long time Board member for Silverton Together and has been on the Benedictine Foundation Board. He is a Rotary member and was on the High School Facilities Oversight Committee, Phase I for the Pine Street School.

He is a solid supporter of the youth in our community. He has judged the Mr. SHS contest, attended various sporting events, contributed to auctions that support Project Graduation and has spoken to several classes to include but not limited to government and civic service classes. He has also participated in the Shadow Councilor Program. Ken also provides generous financial support to Silverton-Area youth programs, including the Fox Foundation, through the Mayor's Ball, which this year raised nearly \$60,000.

Most importantly, Ken is always happy and willing to connect with youth programs and support Silverton High School.

Cookbook

SHSAA is starting a cookbook to sell as a fundraiser. Please send us your favorite recipe(s). A picture of the finished dish will be helpful but not required. Yes, you may submit as many recipes as you wish — there is no limit at this point.

Editor Judy Nunn has volunteered to put it together, so Email your recipes to: Nunnjk@comcast.net and be sure to put COOKBOOK in the subject line. If you don't have Email, you can send them to Judy at 4728 Jade St. NE, Salem, OR 97305-3138.

Deadline for recipes is July 1, 2008.

THE CLASS REUNION

Every ten years, as summertime nears,
An announcement arrives in the mail,
A reunion is planned; it'll be really grand;
Make plans to attend without fail.

I'll never forget the first time we met;
We tried so hard to impress.
We drove fancy cars, smoked big cigars,
And wore our most elegant dress.

It was quite an affair; the whole class was there.
It was held at a fancy hotel.
We wined, and we dined, and we acted refined,
And everyone thought it was swell.

The men all conversed about who had been first
To achieve great fortune and fame.
Meanwhile, their spouses described their fine houses
And how beautiful their children became.

The homecoming queen, who once had been lean,
Now weighed in at one-ninety-six.
The jocks who were there had all lost their hair,
And the cheerleaders could no longer do kicks.

No one had heard about the class nerd
Who'd guided a spacecraft to the moon;
Or poor little Jane, who's always been plain;
She married a shipping tycoon.

The boy we'd decreed "most apt to succeed"
Was serving ten years in the pen,
While the one voted "least" now was a priest;
Just shows you can be wrong now and then.

They awarded a prize to one of the guys
Who seemed to have aged the least.

Another was given to the grad who had driven
The farthest to attend the feast.

They took a class picture, a curious mixture
Of beehives, crew cuts and wide ties.
Tall, short, or skinny, the style was the mini;
You never saw so many thighs.

At our next get-together, no one cared whether
They impressed their classmates or not.
The mood was informal, a whole lot more normal;
By this time we'd all gone to pot.

It was held out-of-doors, at the lake shores;
We ate hamburgers, coleslaw, and beans.
Then most of us lay around in the shade,
In our comfortable T-shirts and jeans.

By the fortieth year, it was abundantly clear,
We were definitely over the hill.
Those who weren't dead had to crawl out of bed,
And be home in time for their pill.

And now I can't wait; they've set the date;
Our fiftieth is coming, I'm told.
It should be a ball, they've rented a hall
At the Shady Rest Home for the old.

Repairs have been made on my hearing aid;
My pacemaker's been turned up on high.
My wheelchair is oiled, and my teeth have been boiled;
And I've bought a new wig and glass eye.

I'm feeling quite hearty, and I'm ready to party
I'm gonna dance 'til dawn's early light.
It'll be lots of fun; But I just hope that there's one
Other person who can make it that night.

(1930's & 1940's)**

By Jack Hande

For many years (I don't know how many), a group of Silverton High School alumni who graduated in the **1930's and 1940's** have been going to breakfast together about **three times a year**. The habit started with a few men and was coordinated by Nels Johnson ('36) for many years. Lately it has grown to include women, who now represent about half of those attending.

Nels was looking around for someone to take over his duties ... I volunteered. We have a turnout of about 30 to 40 people and have been gathering at the Home Place in Silverton.

Of course there is a logistical limit to how many can attend without overcrowding and becoming necessary for larger facilities. There is a capacity of about 60 at the present location. We welcome SHS people from the years 1930-1949. We have been having a really great time. There is a mailing list

that is used to send out advanced notice of each breakfast.

If you want to be included on the list, just mail or phone Jack Hande, 21010 Grade Road SE, Silverton OR 97381. Phone (503) 873-3581.

New Donor Recognition Program Established

By John Smith (class of '61)

It rained most of the day on July 17, 2007. It was not a good day for working in the yard, hiking around Silver Creek Falls or going on a picnic. So I sat at my desk and thought about the Alumni Association board meeting coming up that evening. I am not a trustee or an officer of the association, but I am a fan of its main objective which is to raise money for scholarships. It occurred to me that most organizations with similar fund raising objectives have structured programs to encourage and recognize various levels of donor participation – Platinum Donors, Gold Donors, Silver Donors, Bronze Donors, etc. while the only recognition we provided was Lifetime Member which we award to all donors of \$500 or more. In addition all supporters of our annual silent auction were given equal recognition whether their donation was valued at \$5 or \$1,000.

At the meeting that evening I recommended that a committee be formed to consider this situation and make recommendations. A committee was subsequently appointed consisting of Mason Branstetter ('63), Tracy Duerst ('79), Mark Hannan ('84), Carmen Smith ('61), and me ('61).

The committee did research into what other organizations do and into the contributions made by donors to our organization and had a couple of intense meetings to consider donor recognitions programs. On August 18, 2007 we made our recommendations to the board. After thoughtful consideration the following recommenda-

tions were approved at the February 19, 2008 meeting:

Scholarship Fund Donation Recognition Levels

Five levels of donors with names and associated benefits are established as follows:

Founder (\$20,000 and up)

Founder's plaque at Silverton High School
Lifetime membership in SHSAA
Listing in SHSAA newsletter

Benefactor (\$5,000 to less than \$20,000)

Benefactor's plaque at Silverton High School
Lifetime membership in SHSAA
Listing in SHSAA newsletter

Sponsor (\$2,000 to less than \$5,000)

Sponsor's plaque at Silverton High School
Lifetime membership in SHSAA
Listing in SHSAA newsletter

Partner (\$500 to less than \$2,000)

Lifetime membership in SHSAA
Listing in SHSAA newsletter

Friend (More than \$0 to less than \$500)

Listing in SHSAA newsletter

Named Scholarships

One Time Named Scholarships.
The minimum donation for a one time named scholarship should be \$500.

20 Year Named Scholarships.
These scholarships will pay out 5% of the donated amount (minimum \$20,000) each year for 20 years. The donor of a named scholarship must provide a bio of the person for whom the scholarship is named and must accept the SHSAA guidelines for selection of recipients.

Silent Auction Donor Classification levels are being considered for implementation in 2009.

Much work remains to be done. We will need to review all donations made to date, establish a system for updating this information, contact previous donors to determine whether they wish to be recognized or anonymous, establish a donor recognition area for plaques at the high school, etc.

If all goes well, we should have the recognition program for individuals in place by the end of 2008.

Class of 1963

By Mason Branstetter

We're getting organized for the marvelous time we are going to have at our 45th Reunion in 2008. The most favored schedule looks like everyone attending the Friday Garden Party; Saturday - decorate a float and ride in Homer Parade and then a BS session in the Park; on Sunday - there is also the Lion's Breakfast served in the Park. Do you have any other thoughts? Contact Mason Branstetter at: mason@silvertonrealty.com and let him know. If you have not been getting email about our reunion then please let him know your current email address so you can get in on the discussions.

You will find in the Newsletter, a registration form for the Friday - Alumni and Friends Garden Party. Please fill it out and return with the \$25 per attendee to Mason, 303 Oak Street, Silverton, OR 97381

Also help find: Jim Bacon, Allan Cranford, John Davenport, Don Earls, Mike Jarvill, Jerry Ridings, Henk Schenk, Carol Hampton Seed, Jack Throwbridge and Glen Williams.

Plan Ahead

In this newsletter you'll find information on where to stay in Silverton. By the time you read this, some places will be sold out for 2008 -- but hey! What about next year? Is your class reunion to be held in 2009?

If so, NOW is the time to contact those lodging facilities in Silverton. You'll notice that Moonstone Properties will be opening the "Oregon Garden Resort" in September of 2008. With the SHS Alumni's "Party at the Garden" located at the Oregon Garden, why not consider making arrangements for your entire class?

If several of your classmates like to RV around the country, the Silver Spur RV Park would be a great place to "camp out".

Many B&B's are listed with accommodations from two bedrooms up to twelve rooms.

No matter where you stay in Silverton, you're not far from Silver Creek Falls. I'll bet you have lots of memories from visiting there during your childhood.

50th Year Reunions Coming up!

Hey - now's the time to start making your plans. A little fox reminds us that 1959 and 1960 will have reunions in 2009 and 2010. Get a head start with these suggestions:

1. Get your committee together and pick someone to be in charge.
2. Request a class roster from the Alumni Association.
3. Check to see how many addresses are missing and ...
4. Publish the "missing" list in the December 2008 newsletter.

Find Missing Classmates

By Judy Ernst Nunn, Editor

We of the Alumni Association wish to thank all those who responded with information regarding the many missing classmates printed in previous newsletters.

We encourage more classes to give us a list of missing members. Many siblings, cousins and friends may see the list and know how to contact these missing people.

For the classes that are planning reunions for 2008, we hope you will **contact the SHS Alumni Association for a class roster before you send out information.**

We would like to work with you in verifying the addresses on your list. Send a request for the SHSAA roster of your class to SHSAA, 303 Oak St., Silverton OR 97381 or Email: Nunnjk@comcast.net or Mason@SilvertonRealty.com.

The Wooden Nickel

Glen Damewood of the Wooden Nickel has stepped up to the plate ever since we started the "Party at the Garden". The buffet has always been well received by our attending alumni and friends. Glen has not only kept our cost down, but he has made a donation towards our scholarship fund every year.

Last year he donated a large portion of the cost of the food, much to our surprise and pleasure. Imagine how many scholarships that will cover over the next several years!

Thank you, Glen!!

When Do We Meet?

Our association is getting stronger because of the volunteers who keep it growing. Often we are asked if there is anything that someone can do to help out or attend our meetings.

All the meetings are held at the Silverton Realty Conference Room upstairs at 303 Oak Street and start at 6:00 p.m. and normally last about an hour. A current schedule can be found on our website: www.shsfoxes.com. The remaining schedule for 2008 is also printed in this issue of the newsletter, page 6. Anyone and everyone is invited to attend the meetings.

If you have questions, please feel free to contact: Mason at (503) 873-3545 or Email: mason@silvertonrealty.com or Judy (503) 390-3816 or Email: Nunnjk@comcast.net.

Class of "55 Alive"

By David Gentry

The 1955 Class of Silverton Union High School is proud of their "55 Alive" name.

To help honor those classmates who have passed away, it has been suggested to start a SHS Scholarship Fund with a special "55 Alive" title. It will be part of the Alumni Scholarship Fund.

Class members are asked to donate to the Alumni Scholarship Fund. The amount donated will be up to each individual, however, \$55.00 would be the suggested amount. Be sure to designate your donation with "55 Alive". Remember the SHS Scholarship Fund helps make it possible for graduating seniors to go to college. Also, donations are tax deductible.

Alumni & Friends Garden Party

Class reunions are fun, but why wait for five years to see your old friends? And what about friends from other classes and the Silverton community at large? Wouldn't you like to see them again? Well, here is your opportunity!

The SHS Alumni Association is sponsoring the 10th annual Alumni & Friends Garden Party with a buffet dinner and social time on Friday August 1, 2008. Several classes who are holding their reunions that weekend have made the Garden Party part of their celebration.

The Oregon Garden is well known, and has a huge pavilion for just this purpose. The attendance for our all-class reunion is always tremendous. The Wooden Nickel will again be catering the buffet dinner and will have no-host "pay as you go" bars ready to serve your favorite beverage. The social hour begins at 6:00 p.m. and the buffet will be ready at 7:00 p.m.

In 2001 we started a **Silent Auction** as a fundraiser. Here's a short sampling of the items donated early for 2008: Tea for Six from Norma Hynes Benjamin, a gift certificate from the Water Street Inn, Jack Hande's newest book, coffee mugs, beach bag & stadium blanket from the Silverton Appeal, a hand-crocheted afghan from Judy Nunn.

There's a donation form for the Silent Auction in the center section of this newsletter. **What do you have to offer?** Remember the proceeds go towards scholarships for our graduating seniors.

Tickets for the Garden Party are \$25.00 per person sold in advance, and \$30.00 if purchased on August

1, 2008. All board members will have tickets for sale, or you can order by mail from Mason Branstetter. There's a ticket form included in the center of this newsletter. Make checks payable to SHSAA and send to 303 Oak St., Silverton OR 97381. If you have questions, feel free to contact Mason Branstetter at (503) 873-3545 or Judy Nunn at (503) 390-3816. Our Email addresses are: mason@silvertonrealty.com and Nunnjk@comcast.net.

*Volunteers don't get paid --
They are priceless!
Have you
volunteered lately??*

- Elsie Ann Pinson
- Geneva Roop

The Class Basket

By Verna Stumpff Thayer

For all of you who have wanted to support the scholarship fund but have had no time, no ideas or no energy — we have the solution!

Your class can sponsor a theme gift basket for the Alumni's Silent Auction at the August 1, 2008 Garden Party. Your class should choose a theme and ask classmates to purchase a theme item, or to send a monetary donation toward purchasing items for the basket.

Some ideas for a theme are:

Beach	Coffee	BBQ
Scrapbooking	Tea	Spa
Camping	Movie	Garden
Games	Baby	Wine
Chocolate	Sports	Picnic

You can use any of our suggestions, or create your own! The Class Baskets have become a challenge to see which class brings in the most money.

Contact your class representative to find out what the plans are for your class basket.

Class representatives: Baskets are fun and well received, but in lieu of a basket, a cash donation from your class will also put you on the list of donating classes. Remember, if every class donated a "Class Basket" for auction and it received a minimum of \$50.00 bid, that would add approximately \$4,700.00 to the scholarship fund. A monetary donation in lieu of a class basket is an option for your class.

Looking forward to your participation. For information and/or questions contact:

Verna Stumpff Thayer (503) 581-8231 or vernajt@comcast.net.

Can You Help us at the Garden Party?

A party doesn't just "happen". It takes many hours of preparation to host a party for 400 and more.

In addition to our Trustees and Officers, there are many volunteers who give of their precious time to make the annual Garden Party a huge success. We are looking forward to our tenth party on August 1, 2008. Would you like to help in the Silent Auction, taking tickets or perhaps being a greeter?

We especially encourage those who are not having a reunion to volunteer their services. This frees attendees to enjoy their individual reunion party within the larger group.

Contact any of our Trustees to offer your assistance for 2008. Or maybe a group from your class might want to be a team to assist in some part of the event? Trustees are listed on page 3 of this newsletter.

How Can I be a Class Representative?

By Judy Ernst Nunn

We are often asked about the list of Class Reps in the back of the newsletter. "What do I have to do?" is the most common question.

Relax - there are no "duties". A Class Representative is mainly a contact person for a designated class year.

We would presume that person would be keeping track of classmates in order to make preparations for a reunion at 5, 10 or 20 years. The more often you have a reunion, the easier it is to keep track of everyone.

It's a great help when the Class Rep is notified by anyone who

moves or changes his/her name. And some classes have better luck than others.

In addition to editing the newsletter, I also keep the Alumni Database up to date. The Class Reps help by sending me the changes of address for their classmates. This is a constant job. I am always receiving Emails with address changes.

Reunion Preparation:

Most reunions are held after a 5-year period (5, 10, 15, 20, etc.). Each year we concentrate on whatever year ends in a 5-year period from the date of graduation. For instance for 2007, we mailed complimentary copies of the newsletter to all classes ending in 7 or 2.

We'll send complimentary copies of this June newsletter to the classes ending in 3 and 8. Check the list of reunions on page 2 and you'll see how many are being held this summer.

Let this be a "heads up" to *you*. Start working on your mailing list now. We suggest you begin with a list from the Alumni Association. Request a class roster, compare it with what information you currently have, and work from there. The Post Office does not forward our newsletters. If one is sent out with a bad address (i.e., to someone who has moved), the newsletter is returned to us at a cost of 70¢. If the move has been within the past six months, the Post Office will provide us with a current address. Many times, however, we pay for the return only to get it stamped with "Moved - No Forwarding Address" or "FOE" (forwarding order expired).

So let's work together. Contact me for a Class Roster. Let me help you get a head start on your reunion

for next year. If you'd like to check our list, just send an Email to: Nunnjk@comcast.net. Be sure to put your **class year in the subject line**. You may phone me with the request at (503) 390-3816 - leave a message if I'm not home and **PLEASE be sure to leave your area code and phone number** in case I have to contact you.

Memories

By Doug Fisher

Last year Newsletter Editor Judy challenged us to remember all of our teachers and classmates in grade school. Here is my effort on that topic.

The new Victor Point school opened in 1949 with 3 classrooms, a gym/ auditorium, and a kitchen. Several one-room schools had consolidated to form the new Victor Point district. My class (1962) started first grade in 1950. Those who completed 12 years together included Niki Neal, Donna Rasmussen, Phyllis Winn, Tom Berhorst, Jerry Heater, Don Mulkey, Bob Qualey, Bob Shimp, Denny Taylor, and myself. Jan Tufteskog came to Victor Point in third grade and finished with us.

Our teachers at Victor Point were, in order: Marjorie Nelson, Edith Magee, Jewell Port, Miss Wilkinson, Mabel Towe, Maisel Lyons, and Lloyd Lyda.

A fourth classroom was added to the building while we were there, and in later years a new gymnasium and 5 more classrooms.

My Grand-daughter Rachel (and Jerry Heater's grand-daughter) are in the same first grade classroom this year where we had first and second grade.

Remember the wheelbarrow at the Silent Auction last year? We could use your donation of spirits for this year's container. Gee, what will it be? Word is that it's an antique boiler.
