## ~~Alumni and Friends Garden Party~~ Changed to Alumni Scholarship Fundraiser

By Mason Branstetter

Our “first Friday in August” annual Alumni Scholarship Fundraiser event, formerly called the Alumni and Friends Garden Party has moved to a new location. We will be at the Willamette Valley Events Center in Mt. Angel and we also have a new name to more accurately reflect the main purpose as well as the new location. We are holding our 11<sup>th</sup> annual **Alumni Scholarship Fundraiser** on Friday August 7<sup>th</sup> in Mt. Angel.

The Association’s Board of Trustees faced a major challenge while planning for our annual fundraiser party. The new management of the Garden Resort implemented new exclusive caterer policies that adversely effected continuing with our 11<sup>th</sup> annual Alumni and Friends Garden Party at the Pavilion. We were going to be required to use their catering services or pay a \$15 surcharge to use the caterer of our choice. Faced with a critical increase in costs of between \$6,000 to \$9,000 it became obvious that an alternate location had to be found.

The Garden Resort’s new exclusive caterer policy critically increased the Alumni’s expenses which resulted in the necessary move. After several inquiries, the Trustees unanimously decided to move the venue to the Willamette Valley Events Center (WVEC) in Mt. Angel. The Events Center is the

also very valuable and a major reason that the price for attendance is much lower than other similar events.

However, even with the move the Trustees have decided that the price has to be raised to \$30 for tickets purchased on or before August 6<sup>th</sup> and \$35 for tickets purchased on August 7<sup>th</sup> the day of the event. Last year when all the accounting was completed while excluding the Auction and 50/50 activities we had a net profit of less than \$1.50 per

attendee – not exactly what is expected for a fund raising event.

Our fundraiser is more than just food! When most of us were working our way through school, one could nearly earn enough during the summer to finance our education. Now that seasonal effort is far short of the typical financial needs. We hope that our scholarship will not only provide that little extra financial assistance need but also prove to be a seed that will grow into

a tradition of inter-generational support.

The Silent Auction and 50/50 Raffle have proven to approximately meet our annual scholarship allotment needs. The indirect result of these successful activities is to keep the price of admission low. A special thank you to everyone who

**President's Message**

It's spring already! How time does fly and I have not had that much fun either. Everybody is busy putting this year's reunion together and all the functions. More support is needed. We can always use more volunteers. If you'd like to help us out, contact any of the board members listed on page 3 of this newsletter.

I want to welcome our newest Trustee, Fred Kaser, who was elected in the annual January meeting. Judy Nunn and Earle Beesley were re-elected as continuing Trustees.

I wish to thank all the volunteers that helped to prepare the newsletters for mailing by attaching the address labels. The more people who help, the quicker we get done. About 3,000 newsletters are mailed out in June and November.

Some of you may already know that this year's annual Alumni Fundraiser get-together will be held at the Willamette Valley Events Center in Mt. Angel. The Oregon Garden was not receptive to continuing the conditions that we have enjoyed in the past, therefore we had to go somewhere else. The WVEC will accommodate about 400 people and the buffet dinner will be about the same as we've

had in the past. We'll have two food lines and the bar will open an hour earlier.

The parking lot is very well lighted and plenty of handicapped parking available with easy access to the building.

We have a DJ scheduled for after dinner. This is new for us, so you'll get a chance to dance if you'd like.

Of course the Silent Auction will be set up as you enter the building, and don't forget to buy your 50/50 Raffle tickets once you're settled at your table.

Details about the events are in the center of this newsletter. The Homer Davenport Days Parade is set for Saturday, so come and enjoy.

We meet upstairs in the Silverton Realty building, 303 Oak St. on the third Tuesday of the month, except for August and December at 5:15 p.m. Our meeting usually lasts about an hour, and sometimes some of us go to The Home Place Restaurant for pizza after our meeting.

Members are always welcome to our meetings. Dues are \$5.00 per year.

This year's summer pot luck picnic for the Alumni volunteers, officers and Trustees will be at Ed and Nellie Graves home on south Abiqua Road on August 18, 2009. We need additional volunteers to

help man the booth in the park Aug. 7, 8, and 9. If you can sign up for one or two hours, please call Mason at (503) 873-3545.

Remember to support our Alumni Scholarship Fund to help our graduates accomplish their educational goals. Donations are always welcome! And remember your donations are tax deductible as we have a 501(c)(3) tax code.

**Homer Days - Help Needed in our Booth**

The SHS Alumni Association has a booth open in the Coolidge & McClaine Park in Silverton during the weekend of Aug. 7-9, 2009.

We could use YOUR help for an hour or two. We sell Tshirts, sweatshirts and other items in the booth. We also take membership dues. It's a fun time to meet and greet many who have come from out of town.

If you can help even for an hour any of those 3 days, please call Mason at (503-873-3545).

**SILVERTON HIGH SCHOOL ALUMNI EXPLANATION AND STATEMENT OF GOALS**

In listing those who helped at the Garden Party last August, Dave & Marcella Gentry were inadvertently left off the list of volunteers. We thank them, and everyone who helped out. We apologize if anyone else was left off the list.

Again we have had changes in the Class Rep list at the back of this newsletter. Please check your class year to see if the Email or phone numbers have been changed.

I can't stress enough for those of you who are planning reunions. Please get a current roster from the Alumni Assoc. We have address changes coming in all the time.

**Honorary Diplomas for 2009**

**Dr. Gordon G. McNeilly**

*Dr. McNeilly has long been one of Silverton's most beloved citizens. He was a family physician in Silverton for 35 years ending in March 1986 when fire severely damaged his Water St. office. Many longtime Silverton residents have stories about Dr. McNeilly's compassion for his patients and his willingness to go the extra mile to assure they were cared for. He made frequent house calls at any time of the day or night. The McNeillys first came to Silverton in 1951 after a volunteer assignment seeing to the needs of leprosy victims on Tinian Island north of Guam.*

*The McNeillys were charter members of the Silverton Baptist Church and hosted numerous Bible study meetings at their Mill Street home for Silverton-Salem area Christians of college age. Over the years the McNeillys did volunteer service to needy populations throughout the world – in Zimbabwe, Mexico and among Alaskan Indians to name just a few. This service continued for more than 10 years following "retirement" from his practice in Silverton.*

*He and his wife, Lois, who worked as an RN in her husband's office throughout the years, live in a modest house on Mill Street in Silverton across the street from the home where they raised their three daughters, all graduates of Silverton High School: Miriam ('63), Ruth ('68), and Marilyn ('70).*

*Dr. McNeilly was more than just an involved parent. He was a member of the 7J School Board for ten years and served twice as its chairman. His term spanned the entire time that his daughters were in high school.*

**Susan Fisher**

*Sue Fisher began her educational career at Silverton High School as a student teacher under the late Jerry Ott. Hired in the fall of 1979, Sue taught Vocational Agriculture and shared the responsibility of advising the Silverton FFA Chapter for three years. She temporarily left the school district in 1982 to raise her children, Sara, Ryan, Staci, and Erik all Silverton High School graduates—Erik in the Class of 2009. Sue returned to Silverton High School as a Vocational Teaching Assistant working with Ag and Business classes in 1990. Sue's teaching career at Silverton High School has included instruction in Agriculture, Personal Finance, coordinating the Elementary Assistant Program with Silver Falls School District Elementary Schools and coordinating the Structured Work Experience Program with Silverton community businesses.*

*For many years now, Sue has been part of the high school counseling team as the College/Career Counselor facilitating our students as they prepare for life beyond Silverton High School. She has been the "hub" for students and parents for questions and answers regarding ACT and SAT Testing, College Prep—visitations, admissions, and financial aid. Sue alone has spent endless hours searching for scholarship monies at the local, state, and national levels for Silverton seniors as they look to further their post-high school careers. She is also the military contact for young men and women at Silverton seeking to serve their country in all areas of the armed forces.*

*In addition to school activities, Sue serves on the Oregon State University E.R. Jackman Board, has been a Field Force Coordinator for the United States Military Academy, and Coordinated State FFA Activities under State FFA Advisor, Gordon Galbraith, from 1982-1990.*

**Class of 2004**

*By Emily Duerst*

The Class of 2004 will be having their 5 year reunion on Friday, June 26<sup>th</sup> with an informal gathering at Mac's Place in Silverton around 8:00 p.m. We look forward to catching up on everyone's activities over the past 5 years and hope that many of our classmates can attend.

**Mailing Label**

**Please check the expiration on your mailing label on this newsletter.** If it has a date of 2009 and prior, it's time to renew your dues. If it says "Complimentary Copy", we'd like to invite you to join our Alumni membership to support our Scholarship Fund.

Dues are only \$5.00 per year. We encourage you to help support the Scholarship Fund by renewing on time. Use the form inside the back cover. No renewal notices are sent out.

*Fundraiser continued from page 1*

supports these valuable fundraising efforts.

We will also be changing the schedule so that everything starts one hour earlier than has been the experience in the past:

**5-6:00 pm**

*Pay as you drink – Happy Hour*

**6-7:00 pm**

*Dinner Buffet*

**7:45 p.m.** – *50/50 Drawing closes*

**8:30 p.m.** – *Silent Auction closes*

**8-10:00 pm**

*DJ – so wear your dancing shoes*

We know that reminiscing is the predominant activity and most of us don't want to compete with any loud entertainment while talking with old friends. However, it is our intention to have the DJ on the back patio starting at a later time – the turn to pumpkin hour – to provide an attraction that could potentially increase the interest and attendance of the “younger” alumni without adversely affecting the traditionally faithful supporters. How's that political point instead of calling us old codgers?

The Alumni Scholarship Fundraiser will continue to be held on the first Friday in August and is considered to be an important player in the Homer Days weekend as it brings approximately 400 alumni together to enjoy reminiscing and showing their support in raising High School scholarship funds. The alumni's presence in town during the weekend has also demonstrated their strong community support for the many other Homer Day's events. Thank you for your support and we look forward to seeing you at the Scholarship Fundraiser.

## Web Site Reunion Notices

Considering having a Class Reunion this year? Whether it is a regularly scheduled 5-year affair or you are just scheduling a group that meets more often, consider posting your notices on the Silverton High School Alumni Association (SHSAA) Web Site. This means of communication can be much more expeditious when “getting the word out” to your classmates.

Notices sent to the Webmaster are usually posted within a day of notification. Send your notices to ([jlundal@socal.rr.com](mailto:jlundal@socal.rr.com)) Jim Lundal '58, also any changes that are made prior to the reunion. Notify your class members to review these Web notices for changes.

Another consideration is supplying the Web Site with pictures and text after the Reunion for placing your Reunion Pictures up for review by those classmates that could not attend the Reunion. There are several Class Reunions on the Web now and you can review them at anytime.

The SHSAA Web Site is at [www.shsfoxes.com](http://www.shsfoxes.com). Use the buttons on the **Home Page** to visit **SHSAA News/Reunion Notices**, **SHSAA Past Events** and finally see if your current information is correct on the **Alumni Class Lists**. Email Jim Lundal with any questions concerning the Web Site at [jlundal@socal.rr.com](mailto:jlundal@socal.rr.com).

## Plans for the 60th Reunion of the SHS Class of 1949

*By Jack Hande*

There will be a gathering of classmates of the class of 1949 at the pavilion in the Coolidge & McClaine Park starting at 11:00 a.m. Sunday, August 23, 2009 to celebrate our 60th Class Reunion.

This will be a catered meal. (The cost will be approximately \$20 per person.) An R.S.V.P. should be sent to Ray Myers, 3526 Homestead Road S., Salem, OR 97302.

Phone: (503) 362-6381

Email: [rayandpatty@gmail.com](mailto:rayandpatty@gmail.com)

There are tentative plans for a get-together Saturday evening, August 22, 2009 (yet to be determined). Detailed mailings are upcoming.

**In Memoriam**

This column is to pay tribute to fellow students, parents and teachers. This is not a “recent” list necessarily. We will print names others have submitted, and the actual recent losses we note from the newspapers and word of mouth.

*If you’ve lost a loved one or know of someone who should be listed, please let us know.*

If you can assist with the incomplete dates, we at the Alumni Assoc. would greatly appreciate your help. So many times we receive a note that one is deceased, but no date given. Special thanks to Bob Gross of Winnetka, Illinois for sending information on several of our deceased classmates from 1938 & 1939. Information should be sent to the Editor of this Newsletter, Judy Nunn, [Nunnjk@comcast.net](mailto:Nunnjk@comcast.net).

**Cookbook**

SHSAA is starting a cookbook to sell as a fundraiser. Please send us your favorite recipe(s). A picture of the finished dish will be helpful but not required. Yes, you may submit as many recipes as you wish — there is no limit at this point.

Editor Judy Nunn has volunteered to put it together, so **Email your recipes to: [Nunnjk@comcast.net](mailto:Nunnjk@comcast.net) and be sure to put COOKBOOK in the subject line.** If you don't have Email, you can send them to Judy at 4728 Jade St. NE, Salem, OR 97305-3138.

Recipes have been coming in since the June & Dec. 2008 Newsletters, but we need about 100 more to make a decent book!

What do you do with leftovers? Is there some casserole your family likes? We'd like to add more variety to our cookbook. Use your imagination, make up new recipes and surprise your family. Be sure to make notes as to what ingredients you use.

Do you and your spouse go fishing? What kind do you catch and how do you cook the fish?

Send us your imaginative ideas. Let's make this a foxy cookbook. **Deadline for recipes has been extended July 31, 2009.**

**Website Alert**

A new website has been brought to our attention. The official website of the Silverton High School Alumni Association is [www.shsfoxes.com](http://www.shsfoxes.com). Our site is controlled by our webmaster, Jim Lundal who is an SUHS alumni.

Recently a new site has appeared entitled [www.alumni class.com](http://www.alumni class.com).

If you put /silverton at the end of that web address as such, ([www.alumni class.com/silverton](http://www.alumni class.com/silverton)), you'll see an invitation to join *for a fee*. Note the statement at the bottom of the main page; they are not affiliated with either the high school or with the official SHS Alumni Assoc.

Several Silverton Alumni have joined and listed their information. If you're looking for *your* classmates, you might try that website.

There are several cities available on their website in addition to our own. Just try two different cities and you'll see they are basically the same home page.

## Reunion Assistance

### ... continued from the December newsletter

By Judy Nunn

As Mason reported in the December newsletter, the first step is to contact the Alumni Association for a list of your classmates' addresses. Compare our list to what you have and let us help you determine the most recent addresses.

When our newsletters are sent out via bulk mail, the Post Office returns those that are not deliverable and/or have a change of address. They do not forward the newsletters. If the Post Office has a new address for the recipient, that is indicated on the returned newsletter and we in turn update the database.

Quite often you can find a person online using Switchboard.com (Note: DO NOT put the www. in that search engine or it will take you to the wrong website.) Classmates.com is sometimes helpful. Another website is www.whitepages.com and worth checking out or contact relatives of that missing classmate.

Once you have compared the lists, make the corrections or changes *on the list that we sent you* and return it to us. If you send *your* list to us, then we have to check each name and address - doubling the work. It's much more efficient to simply give us the changes. If there are only a few, then Emailing the changes is easiest. Our database is set up in a rather sophisticated Access database and there isn't a way to simply import a file from Excel or other program.

The next step is to send a list of "missing classmates" to me, the Editor of the Silverton Alumni News. I will print the list in the

next newsletter. Hopefully friends and relatives will recognize someone in that "missing" list and contact you with a new address. You'll see there are several "missing" lists in this newsletter.

Check your calendars and join us for a wonderful traditional event that is in its eleventh year. Your attendance will also assist us in raising scholarship money for the next graduating class from ol' Silverton High. To date we have given out \$68,250 in tuition assistance to SHS grads.

So, encourage your class to join us on the first Friday in August and have fun raising funds for scholarships. The annual get-together is our *only* fundraiser. Many classes hold their reunions at the same time. Hey! You don't have to worry about where to hold your reunion, where to get the food, or even collect the money! Just set your reunion to coincide with our annual fundraiser and you're all set!

Ticket information, time and place is on page 11 of this newsletter. Also watch our website for any updates at [www.shsfoxes.com](http://www.shsfoxes.com) for new information.

## Next Silent Auction - Aug. 7, 2009

By Judy Nunn

The Silent Auction is always a real eye opener. The Silverton merchants, businesses, alumni, friends and many merchants from Mt. Angel delight in donating items for our auction. All funds raised are for scholarships for the graduating SHS seniors.

Did you miss out last year? Not to worry - this is an ANNUAL event. Check the forms in the center of this newsletter for more information on how to donate and how to buy tickets. You can also watch our website for details - [www.shsfoxes.com](http://www.shsfoxes.com).

Dinner is included in your ticket price. Besides the auction, there is a 50/50 drawing. The drawing last August paid out \$326 to the winner and the same amount to our scholarship fund. Do you feel lucky?

Plan on joining us in this fun-filled event. **This annual event is our only fundraiser.** All proceeds go directly to the scholarship fund. Scholarships are awarded to the graduating seniors each year.

Of course if you'd like to help us with the auction, we welcome any

and all willing to assist. There are many behind the scenes duties. We try to get pictures of the donated items prior to the auction night, so the pictures can be put on the bidding sheets. If there are gift certificates donated, we create a board showing what guests are bidding on. Take a look at our website to see the tables of over 200 items up for bid last August. This is hard work, but we have a lot of fun doing it. The rewards are overwhelming.

Contact Judy Nunn (503) 390-3816 - [Nunnjk@comcast.net](mailto:Nunnjk@comcast.net) if you have any questions or would like to volunteer.

## Fox 55 Is Still Alive!

The Class of 1955 has several members who are among the work force fulfilling needed services and interests. These motivated individuals want to still be working. What do you do when your knowledge or skills are still needed? You keep enjoying your work!!!

Most of our classmates, in the graduating class of 1955, are retired. Many for years! We were a small class of only seventy graduates. We have all reached the mature age of over 70 years. Remember when we were young, 70 was real OLD! Yet we have classmates working to meet societies needs.

“Loving what we do” was the common thread for those working 20 to 40 hrs. a week. We wonder, “How do they do it?” We are very busy with our homes, gardens, grandkids, volunteering, church, travel, and other pursuits.

Ray Kaser was a student body president, athlete, and honor student at SUHS. NOW he teaches Science at SHS. He simply loves teaching! Ray was a college professor for many years, then returned to Oregon to farm and then 14 yrs. ago back to his first love – TEACHING. He and his wife, Loretta (class of 1956), live in Silverton. Loretta teaches organ and piano. They are enjoying their recently built home in Silverton.

Sharon Wells Cates was an honor student, student body treasurer and involved in many activities in her years at SUHS. She and her husband, Jim own a successful insurance and financial advising business. They now live on the Kephart Farm where she grew up near Central Howell. They

enjoy traveling when time allows. She enjoys reading, gardening and their beautiful cats.

Sybil Barr Kruger was an honor student, student body officer and a very well liked classmate at SUHS. Sybil is currently a part time customer service representative at Safeway in Silverton after being in the catering business for many years. Sybil and her husband, Del, live in Silverton.

Sharon Beals VanLoan was also an honor student, student body officer and while a student at SUHS, was a leader in many areas. Sharon and her husband, Jim, have successfully operated the popular Steamboat Inn on the Umpqua River. It has long been a favorite fly-fishing resort and well-known for its fabulous meals and events. Have you seen the cookbooks Sharon has co-authored with her co-worker and manager of 30 years, Pat Lee?

Another classmate who has left a visible mark in the Salem area is David Walker. David and his wife, Sandy, successfully spearheaded the creating of those amazing and beautifully carved Carousel horses for the Salem Carousel. Sandi has authored and illustrated several Carousel Horse books. David is featured in one of the books. They were commissioned to do a 2' by 20' relief carving for the chapel of the new wing of Salem Hospital. As you can see, they are still creating and teaching.

You may be aware of Ron Jorgensen’s photography talents from the active bidding of his donated pieces at the SUHS Silent Auction. A retired educator, he is in business with others, featuring their portraits.

I cannot forget John Magee. He was an English Professor at Northern Ohio University in Ada, Ohio.

He continues teaching part time and I believe that he has published some of his writings.

In conclusion, there may be more of the class of 1955 who are working. The admiration I have for my classmates in their pursuits of excellence reflects on the education we all received from our time at SUHS. The life lessons we gained came from the support of our parents, the school personnel and the community.

# Astronaut Invents Zero-G Coffee Cup

Sat. 29 Nov '08

## Can A Starbucks Onboard The ISS Be Far Behind?

Never mind \$100,000 toolbags and troublesome water reclamation units. NASA Astronaut Don Pettit (below) has come up with a RE-ALLY useful invention: a zero-gravity cup that allows spacefarers to enjoy their coffee properly.

Reuters reports Pettit — a former flight engineer on the International Space Station, who is also part of the current STS-126 crew onboard Endeavour — came up with the idea by tinkering with a sheet of transparent plastic, folding it into the shape of an airplane's wing and then taping the sides together.

He perfected the device while onboard the ISS this month, so he could enjoy his coffee as he normally would on Earth.

“The way this works is the cross-section of this cup looks like an airplane wing. The narrow angle here will wick the coffee up,” Pettit explained in a NASA TV video conference. “We can sip most of the fluid out of these cups and we no longer have to drink our beverages sucking through a straw in a pouch.”

Pettit's self-made sippy cup has become a hit with his fellow astronauts. On Thursday, he constructed another cup for fellow crew member Stephen Bowen... and both men used their cups to toast

Pettit's Thanksgiving proclamation, which included giving thanks for space exploration and “just because we're in space and we can.”

Should Pettit's cup design win favor with NASA (*which may be a long shot... given that it's a simple, elegant, and inexpensive solution — Ed.*) it could become part of the normal equipment complement onboard the agency's spacecraft, and the ISS.

And that's an idea that's easy to swallow... even knowing that coffee may be brewed with recycled urine.

# NAMED SCHOLARSHIPS

*By Carmen Smith*

For over ten years the Silverton High School Alumni Association has proudly awarded scholarships to SHS graduating seniors to assist with their continuing education. This year, among the scholarships awarded, there will be two named scholarships: the Roselea Anderson Scholarship, and the Craig & Gladys Clark Scholarship.

Families, individual class years, lodges and other organizations, and individuals interested in helping our Silverton High School graduates to further their education may want to consider making a named scholarship donation.

One time named scholarships are available through the Alumni Association for as little as \$500.00. Twenty year named scholarships can be created with a minimum donation of \$20,000.00. Contact Mason Branstetter at the Alumni office to learn more.

The Alumni scholarship fund also greatly benefits from your “in memory of” and “in honor of” contributions which you will see published in each issue of this newsletter.

Auction donation profits, cash contributions, in-kind donations and profits realized from our SHS Scholarship Fundraiser gathering and dinner, held each year in August, go directly to our scholarship fund.

All donations are very much appreciated and help to keep the spirit of education and giving alive for the SHS Alumni Association.

**Class of 1960**

By Judy Nunn

Our reunion committee met at my house in April. Those in attendance were John Dahl, Larry Totland, John Heater, Randy Pflaum, Judy Brenneman, Kit Fowler, and Judy Nunn.

After much discussion, we have set our **50<sup>th</sup> Reunion date for Saturday, Aug. 7, 2010**. Note that's NEXT year, not this current August!!

A pot luck at the park has also been suggested for Sunday Aug. 8, 2010.

We are looking into several suggested restaurants and will meet again Friday, June 12, 2009. If any of you would like to join us, we'll meet at John Dahl's house at 1:00 p.m. Your input and suggestions are welcome.

We've lost contact with the following: John Bradshaw, Bill Calkins, David Davis, Gary Kelly, Pat Payne Ketchum, Alta Hale Lovelette, Sharon Peron Miller. If you know their whereabouts, please let me know.

If you'll be in town this year (2009) for Homer Davenport Days, we hope you'll attend the Alumni Fundraiser on Aug. 7, 2009. This will be held at the Willamette Valley Events Center in Mt. Angel – a change from the last 10 years. I'll have a table reserved for our class. Ticket info is in the center of this newsletter.

## Class Baskets

### ... or \$\$\$?

*By Verna Thayer*

The class basket project is an alumni fundraiser for the scholarship fund. We hope to have contributions from every class. If every class contributed a class basket for the silent auction it would add many \$\$\$\$\$ to the fundraiser.

We have some alternatives to a basket if that would help in your desire to help with the fundraiser. How about donating a dollar amount for your class? If your class graduated in 1959 donate \$59.00 or if your class is celebrating your 35<sup>th</sup> reunion donate \$35.00. Any amount would increase the amount of scholarships that are awarded to graduating Silverton High School students who will be continuing their education at any higher education facility in the United States.

Any amount donated from your class will be appreciated. Remember the scholarship fund started in 2000 and awarded one (1) \$100.00 scholarship. With great generosity from all involved, we awarded twenty five (25) scholarships in the amount of \$13,750.00 to the SHS 2008 graduates.

Contact your class representative for information about the plans your class has for helping in the fundraiser or contact:

## Class of 1941

*By Donna Liechty*

WOW! 2009 - 68 years ago we graduated from SHS. Some days only seem like yesterday - some like forever.

The Class of '41 committee has planned a luncheon for July 16 at Chan's (used to be Toney's) in Silverton for a time to remember and get caught up with our classmates. We'll meet at 11:30 a.m.

We will order from the Chinese/American menu. Please tell your Class of '41 classmates and send any change of addresses you know to Donna, so they will continue to get the newsletter.

Also remember the All Class Scholarship Fundraiser on August 7th at the Willamette Valley Events Center (formerly called The Brewery) in Mt. Angel, owned by Glen Damewood. NEW PLACE - NEW THINGS GOING ON!

Hope to see lots of you July 16! I have a new address and phone number. Call me if you have questions or address changes:

## Class of 1979

### Reunion

By Tracy Duerst

The 30-year reunion for the Class of 1979 will be held over the weekend of August 7, 8 and 9, 2009. The reunion coincides with Homer Davenport Days in Silverton and gives everyone the perfect time to enjoy the festivities while reconnecting with old friends!

The reunion committee has begun the planning and reservations have been made for our main event of the weekend. A dinner will be held at the Willamette Valley Events Center in Mt. Angel on Saturday August 8<sup>th</sup> for classmates and a guest. A registration form is included with this newsletter for more details and to sign up for the event. Please be sure and send in your registration as soon as possible so that the committee can plan for your attendance.

The Wooden Nickel will be catering this event with their always excellent tasting food. There will also be a no-host bar available.

All classmates are invited to attend the All-Alumni Scholarship Fundraising Dinner and Silent Auction to be held on Friday, August 7<sup>th</sup>. This year, for the first time, there will be a DJ at the event playing music from the 70's and 80's. It's sure to bring back some old memories as you listen to the tunes and visit with classmates from all SUHS classes. You never know who you will meet at this event.

We will have reserved tables for our class, so please make sure you mark the registration form and purchase tickets if you will be attending. This is a fundraiser

event, so you must purchase a ticket to attend the event. More information about this event is included in this newsletter. No organized event is planned for Sunday; however there will be plenty of Homer Davenport Days activities around town for you and your family to enjoy.

We are still missing some classmates' addresses. Please check the list in this newsletter and if you have addresses of anyone listed, please email me at [djduerst@meritel.net](mailto:djduerst@meritel.net) or call me at 503 873-8441. Please check out Classmates.com at [www.classmates.com](http://www.classmates.com) or the Alumni website at [www.shsfoxes.com](http://www.shsfoxes.com) for the most up to date information on the reunion plans. We look forward to seeing you in August.

## Class Reps Needed

By Judy Nunn

Notice some of the Class Reps have changed again with this issue. With a Rep for each class, it makes it easier to keep up with the changes of addresses, name change, etc.

A Class Rep is mainly a person with the class list, so we can keep our address list updated. If you'd like to help in this capacity, please let me know.

If you move, please let your Class Representative know. It will be helpful also if you will also notify this newsletter editor at [Nunnjk@comcast.net](mailto:Nunnjk@comcast.net).

**REPS NEEDED FOR THESE CLASSES: 1938, 1980, 1991, 1999, 2000, 2007. Please step up and volunteer!**

**News Article Deadline  
for December 2009 issue is:**

**October 20, 2009**

**Plan your reunion and keep  
your classmates up to date!**

**If you move, be sure to send  
your new address to the  
Editor of the Alumni News:  
[Nunnjk@comcast.net](mailto:Nunnjk@comcast.net)**

**You don't want to miss out  
on your next class reunion!**

## Are you a Member?

Your \$5.00 dues help support this newsletter, in addition to adding to the scholarship fund.

Our goal is to award each high school graduate a scholarship to help further his or her education.

There's an application and donation form on page 23 this newsletter. Please join us in our endeavor.

**Schedule for March 2009 to Dec. 2009**

## KLASSY CLASS OF '57 70th BIRTHDAY PARTY

We are celebrating the accomplishment of turning 70 this year (most of us). Anyone who was in our class is invited, whether or not you graduated from Silverton, or graduated at all, and we hope you will attend.

**When:** 4:00 p.m., Saturday, August 8th, 2009. We will eat at 5:00 p.m., and tell war stories until everyone gets bored.

**Where:** Stan and Jeanette Olafson's, 7132 Gallon House Rd. NE, Silverton.

**How:** RSVP to Verlene Beard, 4803 Madrona Heights Dr. NE, Silverton, OR 97381, and send \$5 to cover the chicken, cake, and coffee that will be provided. Everything else is pot luck; bring whatever you like. Stan says forget the pot luck if you're flying in from North Dakota.

BYOB if you want more authority in your drink.
