SHS SCHOLARSHIP FUND DONATES ASSETS TO ALUMNI ASSOCIATION

By Mason Branstetter

Historically the Silverton High School Scholarship Fund (Fund) and the Silverton High School Alumni Association (Alumni) have shared a common purpose and have worked very closely for over ten years sharing the responsibility of administering two separate but redundant Scholarship programs. The effect of the redundancy has been excess expenses in the form of legal and professional fees as well as duplicate State fees for corporate registration and multiple other filings with several State and Federal agencies.

The Silverton High School Scholarship Fund was established in 1992 by Errol and Eaden Ross as a provision of their Estate. It was their goal to have a perpetual fund from which financial assistance could be offered in the form of scholarships to graduates of SHS as they pursue their undergraduate education goals.

In researching the prospect of combining their Fund with the Alumni, it was a matter of record that their primary intention was to have a viable and perpetual financial Fund and not to have a personal legacy or personal recognition.

The two redundant but devoted Boards of Directors for the organizations recognized that their scholarship programs could be more efficiently managed as one organization. Additionally, the very valuable volunteer hours could be

more efficiently utilized by combining the organizations; thereby reducing actual Directors and Trustees by half. The financial savings from combining the two funds results in increased scholarship opportunity for future generations of SHS graduates and a more efficient use of volunteer resources.

The combination of the two programs actually strengthens the Fund's potential with an established base of Alumni donors to meet the State and Federal prerequisites so the Fund will continue as a Non-profit public corporation. The ever increasing quantity and quality of donations has had a remarkably positive influence on the size of the invested principal.

The Alumni has historically demonstrated a proficient and

effective administration of a strong scholarship program, so the Fund offered and we agreed to accept the transfer of funds and to continue to administer them as our own.

Craig Roessler, Silver Falls School District Superintendent, supported the idea and assisted with the presentation of the concept before the Silver Falls School District Board. As soon as they approved of the process, the Fund was then dissolved and the ownership of their investment account was transferred to the Alumni Association.

The immediate effect of the contribution is that the investment account for the Association is now over \$800,000. What a tremendous growth since our humble beginning in 1996 with only \$900 in the bank.

President’s Message

By Earle Beesley

The calendar says spring has sprung, even if only a few days at a time.

I hope that all you readers will enjoy this June newsletter as a lot of work has been put forth for your pleasure as well as for the information of what is going on and the events coming up.

First off , we need to congratulate our new Trustees Loel Wright, class of 1951, and Bob Wiesner, class 1954; both were nominated for a trustee position and lo & behold they both received the same amount of votes from the voting members present.

After checking with our bylaws and finding no restrictions of how many trustees we could have, both accepted. Welcome to the Silverton High School Alumni Association Trustees Board of Directors.

We also recognize and thank Donna Krug Liechty class of ‘41 for her many years of contribution as a Trustee. She is now in her retiring mode.

I am very elated to see the SHSAA Scholarship funds have currently increased to over \$800,000. There’s more on this in another article on the front page of this newsletter.

Last year there were 60 high school applicants who applied for scholarships and 36 approved. 62 Post Grads applied and 29 approved.

At this writing the applications for this year’s awards are being evaluated and the Award committee will be assigning the Award amounts.

We all (Silverton High School grads) should be and are very proud of what has been accomplished through the efforts of a few.

A great big thank you to those who have done way more than their fair share, and to all that have made this association what it has become. We know of no other high school that has accomplished what our association has put together to help our high school grads further their educational goals.

Please support the fundraisers. They in turn increase the scholarship fund and provide more awards

for those that are continuing their education.

Thanks again to all those who continue their donations to the scholarship fund. It won’t be long ‘til we may reach a *Million dollar* fund at the rate we have progressed in 13 years.

Craig Roessler

Craig Roessler began his career in public education as an Educational Assistant with the Salinas, California School District in 1971. He served at-risk junior high students and assisted students from foreign countries to learn English. He also volunteered at Hartnell Junior College teaching adults to speak and read English. Realizing his passion for teaching, Craig returned to the University of Oregon in 1974 to obtain his teaching license in social studies and math. His first teaching position was at Mt. Angel Middle School from 1975-80.

Craig earned his school administrator's license in 1980 from Portland State University, and was hired as the Assistant Principal in charge of discipline at the 1,300 student Molalla Elementary School. Craig was then hired in 1982 to serve as the Principal of Robert Frost School. After two years at Robert Frost, he transferred to Mark Twain. In 1987 Silverton Elementary SD employed Craig as its Superintendent, and in 1991 Silverton Union High SD hired Craig as its Superintendent too. He served as the Superintendent of the two school districts until the State mandated unification in June 1997. At that time, the local school districts were merged and Craig continued as Superintendent of newly named Silver Falls SD.

Craig has served on the Silverton Chamber Board, the Silverton Hospital Board, the Silverton Together Board, and on the boards of a variety of statewide educational organizations. In 2000 he was chosen as the Oregon Superintendent of the Year. Craig received

the Distinguished Service Award this year at the First Citizens Banquet.

Craig has enjoyed his 28 years of service as school administrator in Silverton and the opportunities he has had to help make Silverton a great place for kids to learn and grow.

Gerald Russell Ott

Gerald Ott graduated from Washington State College in 1956 with a degree in Vocational Agriculture. Before beginning his teaching career he was drafted and served two years in the Army. He taught ten years in eastern Washington, first at Wilbur and then at Connell. Besides his teaching duties and work with the FFA, he spent many years refereeing football and basketball. He even found time to coach girls basketball. Gerald moved his family to Silverton in 1970.

At SUHS Gerald taught the Vocational Ag classes and advised the FFA Chapter. Over the next 20 years, the Chapter was one of the most successful in the State; winning many judging contests and turning out many State and American farmers. Every year they would attend the National FFA Convention usually having teams competing.

In addition to school activities, Gerald was a longtime member of the North Howell Grange. During his later years of teaching he also had a small dairy.

Gerald and his wife, Marilyn raised 4 children all graduating from SUHS and OSU. He retired from teaching in 1990 and later worked at Marion Ag Service in St. Paul. He passed away in May, 2008.

Annual Meeting Report

By Judy Nunn

The SHSAA Annual meeting was held January 19, 2010. One position for a new Trustee was open to the membership. Two people were nominated for the position and those in attendance were given ballots.

The result was a tie. The bylaws do not limit the number of Trustees, therefore it was decided to add another Trustee for the 5-year term.

We welcome and congratulate Loel Wright and Bob Wiesner as our new Trustees.

Next year (2011) we will open nominations for one position. If you are interested in adding your name to the ballot, we'd like to hear from you. Please contact any of the board members. Contact information is on page 2 & 3 of this newsletter.

Mailing Label

Please check the expiration on your mailing label on this newsletter. If it has a date of 2009 and prior, it's time to renew your dues. If it says "Complimentary Copy", we'd like to invite you to join our Alumni membership to support our Scholarship Fund.

Dues are only \$5.00 per year. We encourage you to help support the Scholarship Fund by renewing on time. Use the form inside the back cover. No renewal notices are sent out.

When Do We Meet?

Our association is getting stronger because of the volunteers who keep it growing. Often we are asked if there is anything that someone can do to help out or attend our meetings.

Monthly meetings are held the third Tuesday at the Silverton Realty Conference Room upstairs at 303 Oak Street and start at 5:15 p.m. and normally last about an hour. A current schedule can be found on our website:

www.shsfoxes.com. The schedule is also printed in this issue of the newsletter, page 22. Anyone and everyone is invited to attend the meetings. *Note we usually skip December.*

If you have questions, please feel free to contact: Mason at (503) 873-3545 or Email: mason@silvertonrealty.com or Judy (503) 390-3816 or Email: Nunnjk@comcast.net.

We're Back at the Oregon Garden Pavilion

By Mason Branstetter

Great news! When the Association approached The Oregon Garden Resort about reestablishing our previous mutually supportive relationship and renting their Pavilion for our first Friday in August 2010 annual Scholarship Fundraiser, we were very surprised at their new very cooperative attitude. They are very eager to move forward while rebuilding a mutually beneficial relationship with the Silverton High School Alumni Association. They responded with a very positive attitude and offered us three rental options. The Trustees selected the option that basically returned our rental agreement back to the previous arrangement that existed over the initial decade that we held our event at the Garden.

We will hold our 12th Annual Fundraiser on August 6, 2010 at the Oregon Garden Pavilion. The Wooden Nickel will continue to provide our food service and hopefully they will continue with their tradition of a partial food sponsorship. The Nickel's 2009 partial food sponsorship donation of \$3,002 continues to be the most significant single contribution to our annual scholarship "Garden Party" fundraising efforts. Please show your appreciation and give them a personal "thank you" the next time you are at either the Wooden Nickel or Mac's Place.

It is equally important to note that because of the Resort's waiver of their private caterer \$15 per attendee surcharge and their reduced rent for next year's event

that in effect they will be contributing approximately \$8,000 in reduced fee savings to promote our return back to the Pavilion.

Not only has the Resort given us a reasonable deal, but they have also offered a reduced room charge of \$129 plus tax per night per room for anyone attending our Scholarship Fundraiser. When you rent one of their guest rooms at the reduced rate of \$129 per night for the weekend, you will also receive: breakfast for two and daily Garden admission for two each night of your stay. Most of our Trustees have stayed over night at the Resort and all recommend that you give it a try. Check out the Oregon Garden Resort at: <http://www.moonstone-hotels.com/OGRinfo.htm> and give some positive consideration to staying over at the Oregon Garden Resort during the next Homer Weekend or whenever you visit your hometown.

If you would like to make reservations on the negotiated rate, you can call the Resort's Front Desk at 503-874-2500 and must reference the group: SHSALUM with password: SHSALUM. If you wish to book online, then follow the directions for booking as a GROUP with the group name and password above.

It is appropriate at this time to give thanks to all who attended our 11th Annual Scholarship Fundraiser in 2009 at the Willamette Valley Events Center in Mt. Angel. The Events Center offered us the best alternative to the Garden Pavilion and worked reasonably well. We did have less in attendance than is traditionally expected; however, those loyal Alumni who did attend had a very positive attitude and were very generous. The Silent Auction and 50/50 raffle bought in

as much in scholarship funds as did previous Fundraisers where twice the number of Alumni attended.

We eagerly look forward to our future Scholarship Fundraisers with the hope that you will make it a point to put us on your calendar, reserve a room at the Resort, and have fun over the Homer Davenport Weekend. See Ya on August 6, 2010 at the Garden!

**25th Reunion
Class of 1985**

July 29, 2010 - Aug. 1, 2010

“Warm up at Mac’s” Thursday night – Happy Hour.

Friday night after 5 p.m. – Seven Brides Brewery “Adults Only” (Old Copeland’s next to Roth’s on First Street - 503-779-6009) No Host Bar and Hors d’oeuvres.

Saturday “100% - Potluck in the Park for Families” at Noon. Bring dishes to share – and adult beverages.

We will be providing plates, utensils, and sodas. We have rented the pavilion all day with a liquor permit.

We are keeping it as inexpensive as we can, just like the 20th reunion was. We will be needing about \$800.00 to cover all our costs.

The SUHS Alumni event and The Homer Davenport celebration will be the next weekend. Everyone had a great time at the 20th and decided they wanted to do this every 5 years.

Please check out our “Missing List” - Do you know where they are? Please check out the Silverton HS '85 link on Facebook - do you recognize anyone?

I am still trying to keep up the database - if you can please send your current info to me at my tinkerbelle93790@yahoo.com address.

P.S. We are also always needing \$\$ donations to help cover rental fees, food, printing and postage.

You can mail them to my P.O. Box 19029, Fresno, CA 93790 or to Kimi Mcallister (Amstutz).

Thanks for your help –

Plans were set for the 2010 Class Reunion by the group of 10 at the all class party. There will be only one dinner held for the reunion and it will be at the Friday night all class party, now called the *Alumni Fundraiser* to be held at the Oregon Garden. Order form for tickets is at the center of this newsletter.

We will gather to watch the Homer Davenport parade on Saturday morning and we plan to tour the new Silverton High School after the parade.

We want you to see the magnificent new building! All four years of students now attend *one* school as we did when we attended SUHS on Schlador St.

The reunion will continue with a class picnic at Sharon Cates' Kephart Farm near Central Howell. The time has been set to 2:00 P.M. Saturday.

Please contact class members you are in touch with and make them aware of the plans. Thank you, and see you next August!

Homer Days - August 6-8, 2010

Homer Davenport Days is set for August 6-8, 2010. Craft booths open in the park on Friday, the big parade is on Saturday, and you can't miss the Davenport Races on Sunday. Visit their website www.davenportdays.com for more information and to see all the planned events.

Silverton High School Alumni Association will have a booth in the park again this year. We are looking for volunteers to help man the booth during the three days. The schedule below shows open times that are available for new volunteers. Note we have provided the opening and closing hours with some of our current volunteers. Board members will fill in any open time slot. We are hoping to have at least one new volunteer for each slot. The duties are easy - just promote SHS, the Alumni Assoc. and of course our Foxes! Sitting in a booth gives you the opportunity to see old friends, classmates, and many Silverton residents, not to mention visitors from out of town as they enter the park. By signing up for just an hour, you'll have plenty of time to visit the other booths in the park. There are many handmade items from kitchen towels to pottery and sometimes knives and glassware.

It takes at least two people for each time slot, so please let us know if you have an hour to spare. We know this is a busy weekend. Note we are not open until *after* the parade on Saturday. We also close early on Friday so volunteers will have plenty of time to attend the SHSAA Fundraiser.

Pick a time slot, fill in your name & phone number. You'll notice the back side of this page is the order form for tickets to attend the SHSAA Fundraiser. Dinner is included in your ticket.

If you have any questions about this opportunity, feel free to call Mason Branstetter, (503) 873-3545.

In Memoriam and “In Honor of” Scholarships

By Carmen Smith

This year our Association will be providing two new named scholarships to the ever growing list of available funds to graduating and graduated students from SHS. New this year are The Shirley Doerfler Duerst '54 Memorial Scholarship (that is fully explained in another article see page 15) and The Glen Damewood/Wooden Nickel Scholarship. We proudly include them with our previous named scholarships listed below:

The Clarence & Norma Medack Memorial Scholarship is a \$1,000 to be presented to someone pursuing an Agricultural undergraduate degree.

The Craig L. & Gladys Clark Memorial Scholarship that awards \$500 to a selected undergraduate fully enrolled in a community college.

The Shirley Doerfler Duerst Scholarship is one of our recent additions. Details of this scholarship are described on page 15.

Additionally, the SHS Alumni Board is financially managing the Bob and Mary Bullard Memorial Scholarship for the Silverton FlyWheels. The funds are held in the SHSAA investment account and \$2,000 annually is disbursed to the FlyWheels for their selection and award to a Silverton High School graduating student.

Additionally, the SHSAA provides the local administration for the P A Loar Trust Fund. We provide applications, review, evaluate and determine the scholarship amount to be awarded to the applicants. Annually, that amounts to approximately \$20,000 of

available funds to graduates of Silverton High School.

If you are interested in providing a named scholarship for a special person or persons or if your organization would like to do so, contact any Alumni Board member.

Class Baskets for 2010 Silent Auction

The silent auction, held during every “Alumni Scholarship Fundraiser”, has raised a considerable amount of money to be awarded to SHS graduates. Most years the Class Basket project has raised enough money to account for one scholarship.

The Class Basket project is a way for everyone to contribute to the scholarship fund.

Contact your class representative to find out what the plans are for your class contribution this year. It may be cash donations (\$59.00 from the class of '59) or an item for a themed basket for the silent auction. Get your class involved in the Class Basket project and raise some dollars for the scholarship fund.

Your class representative is listed on pages 20 to 23 of this newsletter. Donation information is included at the center of this newsletter. See page 13.

Shirley Doerfler Duerst Named Scholarship

The incredible outpouring of love and support to the family of Shirley Doerfler Duerst has resulted in the establishment of the SHS Alumni' newest Named Scholarship.

Shirley Doerfler Duerst, Silverton High School Class of 1954, passed away on January 9, 2010. She spent her entire life on her family's farm in the Victor Point area near Silverton. She raised her family in the century farmhouse built by her grandparents. Shirley attended grade school at McAlpin School, Valley View School, St. Boniface School and Victor Point School. She graduated from Silverton High School in 1954 after which she attended Marylhurst College. While attending Silverton High School, Shirley was active in Student Council, Girls League, 17 Council, Booster Club, Future Homemakers Association (FHA), and Y-Teens. She was Sophomore Class President, FHA President and Y-Teens Vice President. On July 27, 1957, she married John Duerst, SHS Class of 1952. In 2007 they celebrated 50 years together surrounded by many family members and friends.

Shirley enjoyed many activities surrounded by the love of her family and friends. One of her greatest joys was the birth of each of her grandchildren. She shared her extensive knowledge of family history with her children, grandchildren and her many relatives. She enjoyed cooking for her family and devoted her life to ensuring everyone had a great meal and was well taken care of. She also enjoyed gardening, playing the piano

and accordion, caring for their dogs and visiting with family and friends. During Shirley's life she was active in Oregon Women for Agriculture, The McAlpin Stitchers Club, Victor Point School Parent's Club, Silverton Zenith Woman's Club, Marion County Home Extension, and Chapter CX PEO.

In lieu of flowers, the family suggested that donations be made to the Silverton High School Alumni Association Scholarship fund. Donations in her name were made by over 90 individuals and businesses, which is a demonstration of the lives that were touched by Shirley during her life. Due to the great response in the form of memorial donations to the Alumni Association, the family has decided to designate a scholarship in the name of Shirley in the amount of \$1,000 per year. The scholarship will be awarded to an individual who has chosen Culinary Arts, Music or Agriculture related as a field of study.

Shirley is survived by her husband John and their sons, Bruce (Karen), Doug (Tracy) and Robert (Mindy) all of Silverton; grandchildren Trevor, Alex (Rachel), Cody (Sophia), Emily, Casey, Miranda, Dillon, Alexa and Connor; brother and sister-in-law, David and Rita Doerfler; nieces Teresa Doerfler Stackpole and Michele Doerfler Fennimore, nephew Don Doerfler; sister-in-law Fern Bachelder; nephews Mike, Dan and Roger Bachelder. Shirley is predeceased by a grandson, Austin Duerst. Shirley's sons and grandchildren all graduated or will graduate from Silverton High School, along with two daughters-in law, her brother and nieces and nephew.

Poems

We have created a column for short poems, roughly 32 lines or less, contributed by former alumni. We've all experienced a lot in life since high school and I'll bet many folks will want to pass on their accumulated wisdom in the form of rhyme.

Send your entries to the Editor at Nunnjk@comcast.net. Following is the first poem submitted.

“When”

by C. Rickard (Class of 1960)

He put his arm around me.
 Rubbed my skinned knee.
 I was just a kid
 But somehow knew
 “When” is in what people do.

The best medicine was his grin,
 “When you fall down, son,
 Just get up again.”
 I was just a kid
 But knew in some way
 “When” is in what people say.

The gift of innocence
 Is a cousin to faith,
 It was easy for me to understand
 “When” is in the palm of a helping hand.

When we dare to love,
 When we stop to share,
 When we have faith,
 God is everywhere.

Class of 1965 to Hold Reunion

By Larry Jones

The graduating class of 1965 will be celebrating their 45th reunion this year at the SHS Alumni's annual Fundraiser, formerly known as the "All Class Reunion", at the Oregon Garden on the first Friday in August (August 6). The Friday night event is an excellent opportunity to meet and reminisce with classmates not only from 1965, but it also gives you the chance to renew acquaintances from other graduating classes. Look for information in this newsletter for advance ticket sales, or you can purchase tickets at the door. See page 12.

The reunion will continue on Saturday with a tour of the new high school, beginning at 2:00 p.m. and then a get-together at Dennis Hadley's (2620 Silver Falls Dr., Silverton). If you aren't going to tour the new school, Dennis will be ready for you at 2:00 p.m. Please bring your own lawn chair, beverage of choice and favorite snack to share. Also, if you have pictures from past reunions or old school days you would like to share, bring them along. You can call Dennis at 503-873-4773 if you need directions.

We have a mailing list, but after 45 years, folks have a tendency to move. We are working on updating this list, so if you have any update for yourself or any of our classmates, please provide any new information (including e-mail address) to one of the e-mail addresses listed below. Or you can call Larry or Sharon Jones at 503-585-2758.

Cookbook

By Judy Nunn

SHSAA attempted a cookbook to sell as a fundraiser. We published a notice over several issues of the SHS Alumni News, asking for recipes.

Unfortunately, we did not receive enough recipes to warrant the cost of publishing a book. We thank all who submitted their favorites.

We decided to publish the recipes over the next several issues of the SHS Alumni News. We wish to share the many recipes our alumni have sent us. There will be at least one and probably more each issue, as space allows.

If you want to copy these to print out for your own use, go to our website www.shsfoxes.com, click on the newsletter, and you can copy and paste the text into a document to print out.

We printed a salad last issue. Time for an appetizer and main dish.

Crab Dish

- 1 cup Crab or imitation
- 1 cup chopped celery
- 1 cup green peppers chopped
- 1 cup mayonnaise
- 1 cup chopped onion

Mix all ingredients together. Put buttered bread crumbs on top and bake at 350° till done.

Double for 9 x 13" pan

Earle Beesley '52

Broiled Tilapia Parmesan

- ½ cup Parmesan cheese
- ¼ cup butter, softened
- 3 tablespoons mayonnaise
- 1/8 teaspoon celery salt
- 2 tablespoons fresh lemon juice
- ¼ tsp ground black pepper
- 1/8 teaspoon onion powder
- 2 pounds tilapia fillets
- ¼ teaspoon dried basil

1. Preheat your oven's broiler. Grease a broiling pan or line pan with aluminum foil.
2. In a small bowl, mix together the Parmesan cheese, butter, mayonnaise and lemon juice. Season with dried basil, pepper, onion powder and celery salt. Mix well and set aside.
3. Arrange fillets in a single layer on the prepared pan. Broil a few inches from the heat for 2 to 3 minutes. Flip the fillets over and broil for a couple more minutes. Remove the fillets from the oven and cover them with Parmesan cheese mixture on the top side. Broil for 2 more minutes or until the topping is browned and fish flakes easily with a fork. Be careful not to over cook the fish.

Yields: 8 servings - Ready in 15 minutes

Dessert coming up in the next issue! But for the time being, why not just serve ice cream!

How Can I be a Class Representative?

By *Judy Ernst Nunn*

We are often asked about the list of Class Reps in the back of the newsletter. "What do I have to do?" is the most common question.

Relax - there are no "duties". A Class Representative is mainly a contact person for a designated class year.

We would presume that person would be keeping track of classmates in order to make preparations for a reunion. The more often you have a reunion, the easier it is to keep track of everyone.

It's a great help when the Class Rep is notified by anyone who moves or changes his/her name. And some classes have better luck than others.

In addition to editing the newsletter, I also keep the Alumni Database up to date. The Class Reps help by sending me the changes of address for their classmates. This is a constant job. I am always receiving Emails with address changes.

Reunion Preparation:

Most reunions are held after a 5-year period (5, 10, 15, 20, etc.). Each year we concentrate on whatever year ends in a 5-year period from the date of graduation. For instance for 2007, we mailed complimentary copies of the newsletter to all classes ending in 7 or 2.

We'll send complimentary copies of this June newsletter to the classes ending in 0 and 5. Contact us if your class will have a reunion in 2011 as we will be sending the Dec. 2010 newsletter to the classes ending in 1 and 6.

Let this be a "heads up" to you. Start working on your mailing list now. We suggest you begin with a

list from the Alumni Association. Request a class roster, compare it with what information you currently have, and work with us from there. The Post Office does not forward our newsletters. If one is sent out with a bad address (i.e., to someone who has moved), the newsletter is returned to us at a cost of 50¢. If the move has been within the past six months, the Post Office will provide us with a current address. Many times, however, we pay for the return only to get it stamped with "Moved - No Forwarding Address" or "FOE" (forwarding order expired).

So let's work together. Contact me for a Class Roster. Let me help you get a head start on your reunion for next year. If you'd like to check our list, just send an Email to: Nunnjk@comcast.net. Be sure to put your **class year in the subject line**. You may phone me with the request at (503) 390-3816 - leave a message if I'm not home and **PLEASE be sure to leave your area code and phone number** in case I have to contact you.

Web Site Reunion Notices

Considering having a Class Reunion this year? Whether it is a regularly scheduled 5-year affair or you are just scheduling a group that meets more often, consider posting your notices on the Silverton High School Alumni Association (SHSAA) Web Site. This means of communication can be much more expeditious when "getting the word out" to your classmates.

Notices sent to the Webmaster are usually posted within a day of notification. Send your notices to (jlundal@verizon.net) Jim Lundal '58, also any changes that are made prior to the reunion. Notify your class members to review these Web notices for changes.

Another consideration is supplying the Web Site with pictures and text after the Reunion for placing your Reunion Pictures up for review by those classmates who could not attend the Reunion. There are several Class Reunions on the Web now and you can review them at anytime.

The SHSAA Web Site is at www.shsfoxes.com. Use the buttons on the **Home Page** to visit **SHSAA News/Reunion Notices**, **SHSAA Past Events** and finally see if your current information is correct on the **Alumni Class Lists**. Email Jim Lundal with any questions concerning the Web Site at jlundal@verizon.net.

News Article Deadline for Dec. 2010 issue is: Oct. 19, 2010

**WANTED
LIQUID REFRESHMENTS
&
A CONTAINER**

Here's *one more way* you can help with the SHSAA scholarship fundraiser. At the annual "Alumni Scholarship Fundraiser" SHSAA trustees, committee members and friends of SHSAA donate bottles of wine and/or liquor for the silent auction. All the bottles are then placed in a unique container for the silent auction. This has been a popular auction item and raises a considerable amount of money each year.

You can help by donating a unique container, purchase a bottle or give \$\$\$ toward purchase of an item to add to the container.

Call Verna Stumpff Thayer for information 503-581-8231.

Annual Silver Fox Golf Classic

Mark your calendar for the 14th Annual Silver Fox Golf Classic on Friday, Aug. 6 at Evergreen Golf Club.

The Fox Foundation members have some surprises up their sleeves to make the tournament more efficient and exciting while also being a great opportunity to reacquaint with old friends or spend time with new ones.

It's time to start thinking about who you want on your four-member team. It can be colleagues or consider putting together a team of classmates. The challenge placed to Silverton High School alumni is to discover which class has the best golfers. (There will be a trophy to be given each year for the winning team.)

This is a fun event with all the proceeds going to scholarships for Silverton High School graduating seniors.

The committee is working to finalize cost and times. If you are interested in playing nine holes in the morning or 18 holes in the afternoon, please send an Email to either Darby Hector at hector_darby@silverfalls.k12.or.us or Kristine Thomas at KThom7@aol.com to reserve your spot. There are limited spaces.

In past years, the golf tournament nets more than \$3,000 for scholarships. Help us in making the "big drive" to raise \$4,000 this year so we can help more students achieve their goals.
