## Softball Hall of Fame

By Verna Thayer '59

Deloris Hanson '58, known to most of us as "Shorty", has been inducted into the Oregon ASA Hall of Fame for "Fast pitch". The trophy was awarded at a ceremony on December 6, 2014.

In 1956 she was all-star first baseman. In 1957 she was all-star shortstop and won the trophy for outstanding player at the state tournament.

In 1958 she won the regional trophy for best hitter in the Northwest tournament.

After high school, Shorty played softball for the Salem Shamrocks for six years, collecting a trophy for being the leading hitter of the 1959 season. Her batting average was .444, described as "fabulous".

Deloris participated in ASA softball for 14 years, all in fast pitch. Starting out at first base, she soon earned a reputation as being one of the most skilled shortstops in the Northwest Women's Major Softball League in the 1950s and 1960s. Not only was she a superb defensive

player, but she was also a great hitter, fast runner, and all-around player.

During this time, Shorty competed in 12 ASA state tournaments, 6 ASA regional tournaments, and 2 ASA world tournaments. She was one of the most decorated female softball athletes ever from the state of Oregon.

Photo provided by Shorty Hanson

Shorty's many, many honors are impressive, to say the least, and she is truly one of the great women "pioneers" of ASA softball in Oregon and the Pacific Northwest.

She proudly displays her collection of trophies:

- 1957 - Outstanding Player - State
- 1958 - Regional Best Hitter
- 1959 - Outstanding Hitter - State
- 1959 - Outstanding Player - State
- 1960 - Outstanding Player - State
- 1962 - Outstanding Player - State
- 1968 - Outstanding Hitter - State

"Shorty" Hanson, along with other accomplished Alumni, are currently featured in the Alumni display case at the Silverton High School.

The display will be in place until Sept. 1, 2015 when the Silverton Alumni teachers' display will be installed.

**President's Message**

*By Mike Bothum '70*

The SHSAA has welcomed 2015 hitting the ground running! Before going any further, a big thank you is in order to Loel Wright for his past service on the Board. While I'm at it, congrats to Jean Kent for her willingness to serve on the Board another 4 years. Not to be forgotten, welcome to Dori Meyer, our newest Board member.

Next time you visit Silverton High School please take note of the display area in the main lobby. Several members have dedicated their time and energy to having reminders from the past on display that I think are of great interest. Examples: from rally outfits, letterman sweaters, to who's who and where are they now.

Something else worth taking note are the Donor Boards and the different levels of those who support SHSAA and the scholarships we provide each year. If you would like to get your name on one of the Boards it only takes MONEY! If nothing else, please consider it takes only \$5.00 a year to belong to the SHSAA. 100% of donation goes to the SHSAA scholarship fund.

I'm so proud of our Board and the time they put in making Silverton High School a great example of what our community represents.

**Editor's Message**

*By Judy Nunn '60*

Mark your calendar for August 7th, and get your tickets for the Alumni Fundraiser dinner and silent auction. In 2015, the first "full weekend" in August is a little later than most years. Our Fundraiser is held the same weekend as Homer Davenport Community Festival, which is Aug. 7, 8 and 9 for 2015.

I want to thank Hannah Hodgson for volunteering to be the Class Rep for the newest graduating class of 2015. We are still looking for volunteers for the classes of 2009 through 2014. The purpose of the Class Reps is to have someone within their class keep track of those who move. When it's time for *your* class reunion, it makes it easier for the planning committee to find all the classmates.

Our Alumni Association keeps a database of everyone who has ever attended Silverton High School, dating back to 1908. That takes cooperation from each class. So if you know someone who is not receiving our newsletter, please share your copy and encourage them to update their address. We do ask a membership fee of \$5.00 per year to help with the cost of publication. However, for those classes having a reunion, everyone gets a free copy of the newsletter.

**Norma Jean  
Standlea**

*Norma Jean Standlea came to Silver Falls School District in 1992 after teaching in Newport, Oregon for nine years and in Colton for one. She taught Language Arts at Mark Twain for three years and then moved to the high school in 1995 to work under principals Dick Kromminga, Darlene Beyerle, Dale Koger, Jodi Drescher, and Mark Hannan. Norma Jean served as an English Department chairperson for ten years, and on the district Language Arts Committee working to align and coordinate curriculum for all students.*

*Over the years, she taught all levels of English from freshmen through seniors including College Writing 121 & 122, which prepared over 500 students for the rigors of writing in college and gained them college credit as well. To help improve instruction and student performance at Silverton High School, Norma Jean took many advanced classes, worked with the Oregon Department of Education developing reading, writing, and speaking assessments, and spent many nights and weekends fine-tuning lessons and providing extensive feedback to students. She regularly read college admissions and scholarship essays for students, and encouraged their pursuit of higher education in addition to their development of critical thinking skills. A passion of hers was creating community and connections through Advisory Group, and she proudly saw her first four-year Advisory Family through to graduation in 2013. Norma Jean retired*

*in 2014 after 31 years of teaching, but continues to offer her services to assist students and the Silverton High School English department whenever possible.*

**Marcia Brooks  
Branstetter**

*Marcia Branstetter has been a very active participant in SHS Alumni activities since returning to town with her husband and family in 1989 following their 26 years' service in the military. Her energetic spirit and dedication to community has been evidenced by her participation in many community organizations to include: Silver Falls School District facilities planning, Senior Center planning, development and Board, just to name a few.*

*She is an active volunteer in many facets of SHS Alumni activities to include being the initiator and source of the item that is raffled during the annual Scholarship Fundraiser.*

*Marcia, a Tillamook High School graduate, is credited with bringing the concept of SHS Class Reunions being conducted during Homer Davenport weekend to Silverton. During the SHS Class of 1963's 30-year planning session, she introduced the fact that the THS classes have traditionally held their reunions during the Tillamook County Fair week. So the Homer weekend reunion concept seed was planted and has grown since 1993.*

**The SHS Alumni  
Breakfast**

*By Jack Hande*

For many decades there has been an ongoing gathering of Silverton High alumni (and friends) for a Breakfast. It takes place three times a year, in July, November and March. The location lately has been in the front room on the main floor of the Home Place Restaurant in Silverton. The room has a capacity of 60 people.

The Breakfast usually happens on the second Wednesday of the month ... starting time is 8:30 a.m.

The Breakfast has been a long standing tradition, and we hope it will continue. Recently the attendance has been around 30-35 people. As the older alums eventually find they can't make it any more, we hope that younger alums will begin to attend. Some from the classes of 1958, 1959 and 1960 have been attending.

There are a good variety of choices on the menu, and each attendee pays for his/her own breakfast. We ask for a dollar from each person attending to pay for the notices mailed out about the upcoming Breakfasts. There is a drawing at each Breakfast to see who wins a free breakfast.

For those who want to be informed of the event, there is a mailing list from which notices are sent to announce each Breakfast. To be on that list, contact Jack Hande, 21010 Grade Road SE, Silverton, OR 97381; 503-873-3581.

**When Do We Meet?**

Our Alumni Association is getting stronger because of the volunteers who keep it growing. Often we are asked if there is anything that someone can do to help out or attend our meetings.

Monthly meetings are held the third Tuesday at the Silverton Realty Conference Room upstairs at 303 Oak Street and start at 5:15 p.m. and normally last about an hour. A current schedule can be found on our website: [www.shsfoxes.com](http://www.shsfoxes.com). The schedule is also printed in this issue of the newsletter, page 19. Anyone and everyone is invited to attend the meetings. *Note we usually skip December.*

If you have questions, please feel free to contact: Mason at (503) 873-3545 or Email: [mason@silvertonreality.com](mailto:mason@silvertonreality.com) or Judy (503) 390-3816 or Email: [Nunnjk@comcast.net](mailto:Nunnjk@comcast.net).

**Is this your year for a Reunion??**

We send complimentary copies of the newsletter to all classes holding reunions. If your graduating year ends in 5 or 0, your classmates will receive this December 2014 issue. It's important that we have a current mailing address so we can send the newsletter to you. You wouldn't want to miss *your* class reunion!

Contact your Class Rep (page 20-22) and ask what plans have been made. Maybe you can help with your reunion. If there's no Class Rep listed, perhaps you would step in or gather a few of your closer classmates and form a reunion committee. Let us help you get started by sending you a roster of the addresses we have on file for *your* class.

Of course we encourage you to join the SHS Alumni Association so you continue to receive our Alumni News. Dues are only \$5.00 per year. There's a form inside the back cover of this newsletter.

**Festhalle Progress**

*By Mike Bothum*

Here is an update on the Festhalle per Lori Pavlicek. Lori is on the fund raising committee and past member of the Oktoberfest Board.

The second phase of the Mt. Angel Community Festhalle is taking off; this phase will finish the area above the kitchen over to above the restrooms at the North end. When finished, it will include a Community Meeting Room with Association closets for storage lining the outside of the room, a Board room, bathrooms and an elevator. The Community Room will have a capacity of 158, but will hold 75+ comfortably and the Board room will hold around 30. Both rooms will be available for public use. Eventually, historical displays of Oktoberfest's past will line the walls, and a large wall monitor to use for Power Point presentations will be added.

Currently, we are waiting for county permits, so the current Oktoberfest Board is prepping the area for the heating and fire sprinkler systems. In April the walls will be framed and by June it should be sheet rocked and ready for the elevator.

We are hoping that it will be ready for use by the end of July or early August.

**Class of '56**

We have been having a good turnout for our class brunch. Everyone seems to be enjoying visiting and eating. If you haven't attended you are missing out.

We meet the second Wednesday at the Home Place at 10:30 a.m. We look forward to seeing you there.

Want more information? Call Nellie at 503-874-4698.

**In Memoriam**

This column is to pay tribute to fellow students, parents and teachers. This is not a "recent" list necessarily. We will print names others have submitted, and the actual recent losses we note from the newspapers and word of mouth.

*If you've lost a loved one or know of someone who should be listed, please let us know.*

Many times we receive a note that one is deceased, but no date given. If you can assist with any incomplete dates, we at the Alumni Association would greatly appreciate your help.

Information should be sent to the Editor of this Newsletter, Judy Nunn (contact info on page 3).

**SHSAA Historian**

*By David Zagorodney*

Silverton, and more specifically, Silverton High School, is filled with so much history of the people, places and things we were all a part of creating. I remember when the idea was put forth to have the Silverton museum add a piece of land on Water street, to house a portion of the artifacts and information about from where Silverton came. Here, on the alumni board, we come across pieces of history from our school that need to be saved for those after us to be able to see, hear and learn about. They are also helpful in understanding why our fields and streets are named what they are.

That collection has grown over the years from a few photos, programs and artifacts into a significant lot that comprises a large part of the history of our school. All this to say,

***WE NEED YOU!***

If you love your school and you have a bit of time that you could give back to the collection, inventory, dissemination and management of our historical relics, in order for them to be preserved for our future alum ... *we need you.*

If you would like to be the historian for our Silverton Alumni Association, please contact Carolyn Hutton ([linlynster@gmail.com](mailto:linlynster@gmail.com)), Verna Thayer ([vernajt@comcast.net](mailto:vernajt@comcast.net)) or David Zagorodney ([davidzag@gmail.com](mailto:davidzag@gmail.com)) and we will get you started. You will become the first Silverton High School Alumni Historian.

**Show me the Money!**

*By Mason Branstetter*

How much money has been awarded to how many alumni of SHS by our Association?

Our first scholarship - way back in 1996 was for \$100. It is noteworthy that twenty years ago \$100 lasted a much longer in one's budget than today; however, one hundred dollars was all we could afford since it represented approximately 11% of our total assets. In fact the first award was to have been \$50 so as to be closer to a sustainable distribution of 5% of our assets. One of our members added a personal donation to bring it to a more respectable - \$100.

We gradually increased our invested principal and followed the original scholarship with a \$300 scholarship the next year and in 1998 we awarded \$600. Our momentum was increasing.

In 2005, we started collaborating with the SHS Scholarship Fund to become more efficient and effective in the management of a SHS scholarship system with a purpose to distribute the awards to a greater number of students. One of our goals was to see more students receive assistance instead of a few double-dipping on available resources.

After approximately five years in this cooperative effort, the Board of Directors for the SHS Scholarship Fund agreed with the Alumni Trustees' proposal of merging our organizations. Through this merger we were to able exponentially increase our effectiveness while reducing our redundant administrative duties and expenses.

The combination of our scholarship investments became more effective and we realized a much

better return on what had been two smaller individual accounts.

Our Association has also assumed the local responsibility for the distribution of scholarship awards from the Dr. P. A. Loar Fund presently managed by the Nevada Trust Center of Wells Fargo Bank. Through our efforts, we assure a continued distribution of scholarship money to Silverton citizens as originally intended by Dr. Loar. Without our persistence, those scholarship monies would probably just sit and compound in the Wells Fargo Bank and would never be available as intended.

During the 19 year history of our Association, to include the 10 years of collaborative effort with the Wells Fargo Bank, we have provided over \$600,000 in scholarships to just under 800 alumni of SHS.

Our assets have grown from the \$900 remaining from the Class of 1963's 30th Reunion in 1993 to nearly \$1,100,000 in 2015.

Way to go Foxes. . . .

**Thank You Notes  
Continued ...**

**From Our Scholarship  
Recipients of 2014**

I'm writing to thank the SHS Alumni Association for the scholarship I was selected to use in the 2014-2015 academic year. I am about to begin the final semester of nursing school at Linfield College, and will be at Salem Hospital for my senior practicum. I am so excited to graduate and begin a new chapter of life, and I have so much gratitude to have received scholarships from you for the last four years.

Many thanks, Emily Paysinger

~ ~ ~

I just want to say thanks again for your support of my continued education. This past semester I have taken several music courses and an intro psych class. I have been learning lots and having a lot of fun, too.

Thanks again, Anne Spink

~ ~ ~

I want to sincerely thank you for the scholarship that you awarded to me. I am honored to be a recipient of your scholarship. It is such a blessing among all of my expenses as I continue on my journey through college.

As of September 29th, I will be a junior in the Diagnostic Medical Sonography program at Oregon Institute of Technology. I will be full time at 12 credits per term, as I finished many of my electives at Chemeketa community College previous to my entrance into the program. Your scholarship will assist me in my goal to finish my junior year at OIT and begin my internship at Salem Hospital. My internship is over eleven months, where I will have hands on experience with real patients and real scenarios. I will put to use the skills that I was

taught during my schooling at OIT. I genuinely look forward to my time spent with experienced sonographers. I know that the time I spend there will greatly impact the rest of my career as a sonographer.

I thank you again for selecting me as a recipient of your scholarship.

Sincerely, Rebekah Kaufman

~ ~ ~

Thank you so much for awarding me a scholarship again this year. It means a lot to have home town support as I continue persuing my educational goals. This year I am applying to study abroad at Curtin University in Perth, Australia.

Thanks again. Katie Spink

**Class Basket  
Reminder**

*By Verna Thayer*

Just a reminder we would like every SUHS/SHS class to donate a basket for the silent auction for our annual scholarship fund raiser. This year we will award approximately \$67,000 in scholarships to Silverton High graduates.

If every class would donate a basket or cash of a minimum value of \$10.00, that would add at least \$730.00 to the scholarship fund. My class of 1959 is donating \$59.00 in lieu of a basket. What is your class donating?

Donations can be delivered to Silverton Realty. Please be sure to fill out a donation form.

Contact Verna Stumpff Thayer 1959 in the class rep list in the back of the newsletter for information or questions.

**Class of 1975**

*By Herb Barnes*

Class of 1975! It's been 40 years since you graduated SUHS! It's time to gather together and see how you're doing. Let's get together at the all alumni fundraiser. It will be at the Festhalle in Mt. Angel on Aug. 7. Read the newsletter for all the details. Be sure and get your tickets early so they have a good count. We will have tables reserved.

Looks like Anne Park (sammyland) will be available for a picnic, potluck on Sat. Aug. 8 at 1:00. The park is on Cascade Hwy at Drift Creek. You can't miss it.

If you need to call for directions or email, Facebook is okay, too. Some of you have expressed interest in a band for the evening and Sam is probably open to that. We will just need to coordinate with him on that.

I hope this letter finds you in good health and still frisky in your soul. Come on get out and have a fun time with your old friends and help raise some money for the scholarships at the same time.

Looking forward to seeing you all. Please help get the word out to those that are far away.

Thanks!

# Foxes Basketball Season Summary

By Steve Roth

After a 1st round play-off defeat that kept the Foxes out of the 2014 state tournament, the returning players from that team were determined to go further. Buoyed by the success and experience of football team, who played in the state title game, the boys basketball team entered the season with a lot of confidence. A late football season and a tough non-league schedule resulted in a 2-3 record before the Foxes started to get some traction.

A 16 point victory over a strong Marist team on January 6 was a turning point in the team's confidence just prior to the opening of league play. That confidence and a favorable home schedule in the first several games of league play propelled the Foxes to a 4-0 record before the Central Panthers came to town, also boasting a 4-0 record. The Panthers took control of the game in the third quarter, building their lead to 15 points. But the Foxes rallied with full court pressure and were able to regain momentum and tied the game just before the end of regulation. They then took control in overtime, hitting free throws to win by nine.

From there the team rolled to a 9-0 record in league before heading to Corvallis. Despite a first round 21 point victory by the Foxes, the Spartans used physical defense to get revenge in a 49-55 victory. But the Foxes quickly rebounded to dominate the rest of the league schedule, including another overtime victory against Central, capturing the Mid-Willamette Conference title with three games to go and ultimately finishing 13-1 in league.

Ranked #4 in the state at that point, the Foxes earned a first-round

bye and home playoff game against La Salle Catholic, a big and talented team. Depending on tough defense yet again, the Foxes held the Falcons to 37 points and earned a trip to the 5A State Tournament at Gill Coliseum.

The Foxes met Churchill in the quarterfinal game, struggling to a 13-21 halftime deficit. When starters Sam Roth and Logan Munson fouled out mid-way through the fourth quarter, the outcome looked bleak. But reserve players Nathan Jamsa and Blake Cosgrove stepped in to help the team overcome a 7 point deficit in the final five minutes and win the game 46-41.

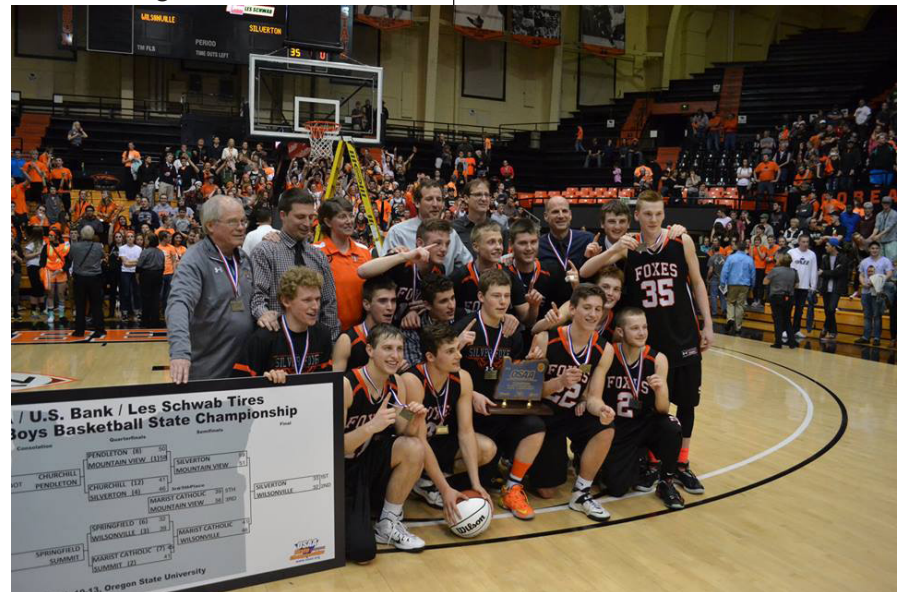

Photo by Kris Thomas

With the Churchill victory, the Foxes earned the right to play #1-ranked Mountain View from Bend. On fire from deep, the team hit a tournament record 12 three-pointers in the midst of their best game of the year. Able to withstand a strong charge by the Cougars, the Foxes pulled away at the end for a 59-51 victory. The Foxes were led by the aggressiveness of Cole Chandler, along with the scoring of Sam Roth (17 pts.) and the shooting of Julian Downey (5 three-pointers).

the buzzer, for the first boys' state title in 105 years.

The Foxes finished the season on a 20-1 run, with a season record of 22-4. Next year's team will sorely miss this year's seven seniors, including starters Cole Chandler, Logan Munson, and Trevor Cote'. Other graduating seniors are Nathan Jamsa, Alex Reutov, Dylan Davis, and Matthew Peters. Not to worry though, the team returns the top three scorers, including 1st team all-tournament and MWC Player of the Year Sam Roth, 2nd team all-league

Danny Larionov, and 2nd team all-tournament Julian Downey.

On April 2, 2015, the team was honored at the State Capitol on the Senate floor. Senator Fred Girod introduced the team as State Champions for 2015, and read each of their names.

The Foxes were coached by alumnus' Steve Roth (class of '82), Brent Satern ('04), Doug Roth ('85), and Jason Martin ('10). See you next year!

## Listen Up -- Class of 1995

By Elizabeth Gunter Magee '95

Can you believe this time 20 years ago, we were figuring out our life plan? Waiting on college acceptance or military acceptance, trying to find jobs and counting down the days until graduation. Today we are in the disbelief stage of “Has it really been 20 years?” or “Where did that time go?” While I can't tell you where the time has gone, I can say that an awesome party is being planned.

Here is the update that many of you have been waiting for. While we all enjoyed previous reunions, we have decided that change is good and are trying something a little different. That being said, you are in no way obligated to attend, however we hope that you'll come meet up with your classmates and enjoy a weekend talking about the “old days!”

Please mark your calendars for July 17th-19th 2015 as the date for our 20 year class reunion. Tentative plans are as follows:

Friday, July 17, Bowling at Silver Creek Lanes. Saturday, July 19th,

party for classmates & spouse/significant other/date/guest at Seven Brides Brewing. (No children or guests under age 21, please.) Cost is \$35 per person if paid by June 19th. (\$45 if paying at the door.) Make checks payable to the Class of 1995 and send to Elizabeth Magee, 4936 6th Ave NE, Keizer, OR 97303.

Sunday, July 20, Family Day no-host picnic at the city park.

- 3 lg. onions, chopped
- 3/4 c. water
- 1 med. head chopped red cabbage
- 3/4 c. sugar

Saute onions in bacon fat in large skillet. Add chopped cabbage and cook 20 minutes, stirring. Add water, vinegar and suagr and steam covered 30 to 60 minutes - slow. You may have to add more water and sugar and vinegar to taste.

Goes very well with Oktoberfest sausage or pork.

**Sauerkraut Dish**

*Donna Krug Ramseyer Liechty '41*

- 4 strips bacon 4 or more potatoes
- 1 lb. ground beef

nutmeg to taste

1 qt. sauerkraut

Cut bacon in small pieces and fry 3-5 minutes. Add ground beef to (electric) skillet and cook with bacon until no more red shows. Turn several times so that beef and bacon are mixed together. Drain the sauerkraut and rinse with water to cut sourness. Spread sauerkraut over meat. Sprinkle with nutmeg according to taste. (I use a generous amount.)

Turn skillet to simmer and cook 1 hour. While kraut and meat are cooking, pare and cook potatoes. When tender, mash potatoes. As soon as sauerkraut is finished, spread potatoes over kraut and meat. Dot with butter or margarine and serve. This is a Dutch dish.

**Please note the dates for our Alumni Fundraiser for 2015.** We need volunteers to help in the booth in the park. One hour time slots are suggested. This is a fun time as many SHS alumni are in town and stop by the booth. We sell Tshirts, sweatshirts, caps and other items at the booth. Some stop by to see if their dues are up to date, or change an address. And some just like to stop by the Alumni booth and visit!

*Note:* The BBQ Party for volunteers and board members is actually a pot luck by those in attendance. *NONE of the SHS Alumni funds are involved.* So come and join us the weekend of August 7th to the 9th. Join in the fun and help us with the fundraiser on Friday night. Help in the booth in the park any day. All volunteers are welcome to join us for the pot luck on August 18. It will be held at the home of one of the SHS Alumni board members.

**News Article Deadline

## Are You a Snowbird? or Vacationing?

By Judy Nunn

The SHSAA Newsletter is sent via bulk mail and is *not forwarded!* If you will be away from your home address when the newsletter is sent out, please let us know ahead of time. When you are “temporarily away”, the newsletter comes back to us and we pay 50¢. This usually happens when people travel to the warmer parts of the country in late November or early December.

As Editor, I have a list of alternate addresses for several “snowbirds” who leave every winter. If you are one of these, please send me your alternate address. You don’t have to be

specific about dates as that may vary. If you usually leave after Thanksgiving, for instance, just say Nov. to March or whatever applies.

We always have extra newsletters, so if you forget to notify us and miss an issue, you are welcome to pick one up at Mason’s office upon your return. We prefer not to mail a second copy as that would have to be First Class mail at a cost of about \$1.25.

If you’d like to be added to the “snowbird” list, email me at: Nunnjk@comcast.net or mail a note to SHSAA at 303 Oak St., Silverton, OR 97381.

## WANTED: YEARBOOKS

There are many Alumni that missed out on the opportunity to purchase a yearbook while in school. There are others who no longer have their yearbooks for various reasons and wish to obtain one. The SHS Alumni Association has a supply of yearbooks for sale, however there are many requests for books that we do not have.

Those requests have been added to a waitlist which continues to grow. If you have a yearbook that you no longer want please

consider donating it to the Silverton High School Alumni Association. Donations will be accepted at the alumni office at 303 Oak St., Silverton. We will sell the yearbooks with the proceeds to be used for scholarships.

Please contact Tracy at [djduerst@aol.com](mailto:djduerst@aol.com) or 503-873-8441 if you have any questions or wish to be added to a waitlist for a yearbook.
