CLASS CHALLENGE 2024

The Class Challenge started in 2017 by the graduating class of '59. That year 7 classes raised \$3,400. Fast forward six years later and \$217,845 has been raised for scholarships. As we approach 2024, we will continue The Class Challenge. This has become a fantastic way of raising money and supporting our future students.

Classes are greatly encouraged to accept the Challenge and help us continue to support Silverton High Students. The top 3 classes will have a scholarship awarded in their name to a 2024 graduate. Class Challenge winners will be announced at the Annual Alumni and Friends Reunion party August 2, 2024.

Keep in mind, what started out as a simple idea turned into a great scholarship fundraiser. The 2023 Silverton graduating class received a total of \$89,250 in scholarship funds that were awarded to 91 students.

The funds raised from donations will be invested by the Silverton High School Alumni Association solely for the purpose of having a perpetual income for scholarship funds to Silverton public high school graduates and to graduating Silverton high school seniors. Let's make this a record setting year of class participants and donors.

Please contact your class representative for questions or to help in any way.

President’s Message

By Linda Merrill '79

As we leave spring behind and venture into the summer months, my thoughts turn to reunions – gatherings of family and friends. As a member of the class of 1979, I will be joining my classmates for our 45th reunion this year – it’s hard to believe it has been so long since we walked the halls of SUHS!

Many of you will also be planning milestone reunions this year; remember that the SHSAA Alumni and Friends Reunion Party is a great option for you to get your classmates together for a night of food, drinks, and reminiscing. And there is no setup, cleanup, cooking, cleaning, etc., required – we take care of everything!

Sadly, the class of 1979 has recently lost several classmates, which reminds me how important the friendships we nurtured in our high school years are. I encourage everyone to reach out to someone from your days at SUHS; you will be glad you did! And if you haven’t attended a reunion for your class, please do so. And save the date for the SHSAA Alumni and Friends Reunion Party – August 2, 2024. You may be surprised who you will see there!

Editor’s Message

By Judy Nunn '60

The classes have really stepped up and encouraging more donations for the Class Challenge. We have been watching as the total seems to keep building up each year. The top three classes to bring in the highest amount will be honored as we have done each year. The current Class Challenge will end their donations as of August 1, 2024. Our front page has a donation form you can mail with your check. Don't wait for the deadline!

The donation winners will be announced at our Alumni and Friends Reunion Party on August

2nd. Be sure to buy your tickets **before** August 2nd!! (See page 8 for tickets.)

As usual, I'm always looking for what you would like to see in this "Alumni News". Do you have an idea to write about an article? Do you have ideas of what your class might like to do when they plan a get-together for their first time?

Our Officers and Trustees have a meeting once a month, with the exception of December. We encourage you to come visit any month so you can see how we work. If you have questions, please send us a note!

In Memoriam

This column is to pay tribute to fellow students and teachers. This is not a “recent” list necessarily. We will print names others have submitted, and the actual recent losses we note from the newspapers and word of mouth.

If you’ve lost a loved one or know of someone who should be listed, please let us know.

Sometimes we receive a note that one is deceased, but no date given. Information should be sent to the Editor of this Newsletter, Judy Nunn, at Nunnjk@comcast.net.

Silverton High Alumni Scholarship Awards: We Help Foxes Go to College!

The Silverton High School Alumni Association (SHSAA) is thrilled to celebrate the scholarship season! This exciting and busy time allows us to recognize deserving students embarking on their college journeys and help them finance their education.

Thanks to the unwavering generosity of our alumni donors, the SHSAA will award an impressive \$97,000 in scholarships this year to students who will be attending college full time during the 2024-25 school year. This amount is determined by calculating 5% of the 2023 year-end balance in our investment account. This year's allocation surpasses last year's, reflecting both a rise in our investment portfolio's value and the continued support of our dedicated donors.

This year we received 105 applications which are currently undergoing a thorough review process. During the month of April, dedicated teams of evaluators are carefully assessing each application for completeness and scoring them based on established criteria.

This year, we're proud to introduce a new online application system. This new platform streamlines the application and evaluation process, allowing reviewers to conveniently access and score applications at their own pace, eliminating the need for bulky boxes of paper applications to be transferred between evaluators. The student applicants did a great job with the new system and many found it easier than the paper application process. So far, the evaluators have also enjoyed the ease of the new system. Reviewers can now access and score applications remotely, all they need is an internet connection and a computer. This means they can catch up on applications at their own pace, even while enjoying a sunny beach getaway or soaking up the spring sun as a snowbird!

Following the evaluation stage, the scholarship committee will meet to allocate the \$97,000 scholarship funds amongst the winning applicants. The final selection involves a detailed comparison of scores from the evaluators, with applicants ranked by quartile to determine their respective award amounts. Amounts usually range from \$500 to \$2,000 each depending

on the number of qualified applicants we distribute the funds to.

High school award recipients will be honored in person at the Senior Awards Night on May 30th. They will receive a certificate and a personalized award letter acknowledging their achievement with detailed instructions on how to claim their award. All other applicants, both selected and non-selected, will be notified of the outcome via a letter mailed out on May 30th. Non-selected applicants will receive a standard notification letter, while post-high school award winners will receive a letter detailing their specific scholarship award and how to claim the funds.

Since our first scholarship award of \$100 in 1996, SHSAA has awarded \$1,580,650 to 1,983 SHS graduates. Those are pretty impressive numbers for a small town! We are always looking for volunteers to help us evaluate applications. If you would like to help next year, please send an email to silvertonalumni@gmail.com.

ANNUAL REUNION
SET FOR SATURDAY,
AUG. 3 AT 1-5 P.M.**

The Class of '62 Annual Reunion is scheduled for Saturday, Aug. 3 at 1-5 p.m. (Note: This is the day after the SHS Alumni Association fundraiser at the Festhalle in Mt. Angel.)

We'll be having a potluck to celebrate our 62nd annual reunion, as well as our 80th birthday for most of us this year. Salmon and pulled pork sandwiches will be provided with the class funds. Please bring a salad, dessert, or fruit or vegetable tray, etc. to share with the group. Also bring your preferred beverage. *Alcoholic beverages are not permitted.*

Wendel Mann will host the event and has arranged for us to use the facilities at the Salem Square Dance Hall at 3695 45th Avenue NE, in Salem, just off Silverton Road.

45th Avenue is where the Methodist Church sits at the corner of Silverton Road.

It's a sizable building, air conditioned. There are padded benches (no backs) and tables, drinking fountain, restrooms, kitchen and a large parking lot enclosed by a cyclone fence. You may choose to bring your own chairs, but take care as the unfinished floors need to be protected from sharp chair legs.

We're excited about this new venue. Let us know if you expect to attend, asap. We will try to have a firm count by July 10. If you now have email or if you have a new address, tell us please!

Your committee: George, Denny, Dick, Norma, Wendel (503/302-4283), and Georgie at 503/510-0212.

Happy 60th Birthday Class of 1982!

By Patti Miles Tischer '82

Most of us have celebrated our 60th birthday this year or will be achieving this milestone soon. Let's get together to celebrate our birthdays! I am thinking mid-October of this year, actual date and location to be determined. Send me your thoughts and ideas for a casual no-host event. I will start a post on our Facebook page or contact me directly.

I also hope to see you this year at the Annual Silverton High School Alumni and Friends Reunion Party held on Friday, August 2nd. This

is the 26th year for this Annual event. (Details on page 8 of this newsletter.)

Who is joining me with a donation for the Class Challenge? The top winning classes have a scholarship named in their honor, in the following year. How cool is that? Details for a Class Challenge donation can be found on page 9 of this newsletter.

Do you have any news you want to share with your fellow classmates? Let me know or feel free to post on our Facebook page. It is nice to hear what everyone is up to. Looking forward to seeing you soon!

NOTE: Dues, Memorial and other designated donations (named scholarships) will NOT be included in the Challenge calculation. Donations to the Challenge must be specified with the contribution. The form on this page should be included with your check. Please do not send cash! A tax receipt will be mailed or emailed to you if we have an email address on file, which saves SHSAA on postage costs. SHSAA maintains a 501(c)(3) status.

How Can I be a Class Representative?

By Judy Ernst Nunn

We are often asked about the list of Class Reps in the back of the newsletter. "What do I have to do?" is the most common question.

Relax - there are no "duties". A Class Representative is mainly a contact person for a designated class year.

We would presume that person would be keeping track of classmates in order to make preparations for a reunion at 5, 10 or 20 years. The more often you have a reunion, the easier it is to keep track of everyone.

It's a great help when the Class Rep is notified by anyone who moves or changes his/her name. And some classes have better luck than others.

In addition to editing the newsletter, I also keep the Alumni database up to date. The Class Reps help by sending me the changes of address for their classmates. This is a constant job. I am always receiving Emails with address changes.

Reunion Preparation:

Most reunions are held after a 5-year period (5, 10, 15, 20, etc.). Each year we concentrate on what-ever year ends in a 5-year period from the date of graduation. For instance, for 2022 we mailed complimentary copies of the newsletter to all classes ending in 7 and 2.

Both this newsletter and the June (2023) issue will be sent to those classes ending in 3 and 8. Contact us if your class will have a reunion in 2023.

Let this be a "heads up" to you. Start working on your mailing list now. We suggest you begin with a list from the Alumni Association. Request a class roster, compare it

with what information you currently have, and work from there. The Post Office does not forward our newsletters. If one is sent out with a bad address (i.e., to someone who has moved), the newsletter is returned to us at a cost of 67¢. If the move has been within the past six months, the Post Office will provide us with a current address. Many times, however, we pay for the return only to get it stamped with "Moved - No Forwarding Address" or "FOE" (Forwarding order expired).

So let's work together. Contact me for a Class Roster. Let me help you get a head start on your reunion for next year. If you'd like to check our list, just send an Email to: Nun-njk@comcast.net. Be sure to **put your class year in the subject line**. You may phone me with the request at (503) 390-3816 - leave a message if I'm not home and **PLEASE be sure to leave your area code and phone number** in case I have to contact you.

Class of '64 This is a year for CELEBRATION! What has been 60 years seems like just yesterday! Mark your calendar for August 2, 2024!

There will be a no-host 'pre-function' get together for our class and spouses before the All Class Reunion at the Mt. Angel Festhalle. We will meet at 1:00 until 4:00 at a location TBA to mix with our classmates and their spouses and catch up on what we all have been doing over these last 'few' years. Then the All Class Reunion will be held at the

Mt. Angel Festhalle with the doors opening at 5:00. The tickets are \$40 per person. Information about purchasing the tickets for that event are included in this newsletter as well as information about the Class Challenge. The All Class Reunion at the Festhalle is an amazing experience! It gives us time to catch up with those friends that we made during our high school years from other classes. Please consider donating to the Class Challenge on behalf of our graduation year, '64. All of the proceeds from the challenge goes to scholarships that the Silverton High School Alumni Association gives to graduating seniors and also to those who have graduated from Silverton High School and are currently enrolled in college classes. This year alone we have given over \$97,000.00 in scholarships. If our class could raise funds that would win the Challenge, a scholarship would be given in our name to a graduating senior. So please think about it and give what you are able, no amount is too small.

You should be receiving a postcard with more information about the location of our no-host get together on Friday afternoon, August 2nd and if not, please email me at: lowerwood@wavecable.com or you may call me at 503-873-3335. This really is a special year and I hope that as many of our classmates that are able to attend will be at both is not one of the two events. Remember, this is Homer Davenport Days so there are a lot of activities going on in Silverton that weekend to enjoy! See you there!

The Alumni display is in conjunction with SHS advertising the 2024 Prom scheduled for April 13, 2024. Included in the display are dresses from the 1970's, 1950's and 2000's. The display features recent prom court photos as well as photos of prior prom festivities from the 1950's and 1960's. Thank you to Tracy Duerst, Kellye Meyer and Mary Rankin for use of the prom dresses. Please send all ideas for future Alumni displays to Dori Meyer at 503-508-1147.

Wanted! Yearbooks from 1960's, 70's & 80's

There are many Alumni who missed out on the opportunity to purchase a yearbook while in school. There are others who no longer have their yearbooks for various reasons and wish to obtain one. The SHS Alumni Association has a supply of yearbooks for sale, however there are many requests for books that we do not have.

Those requests have been added to a wait list which continues to grow. If you have a yearbook that you no longer want, please consider donating it to the Silverton High School Alumni Association. Donations will be accepted at the alumni office at 303 Oak St., Silverton. We will sell the yearbooks for \$10.00 each with the proceeds to be used for scholarships. Please contact Patti Tischer if you have any questions or wish to be added to a wait list for a yearbook. Email is Patische@aol.com or phone 503-949-4129.

An important note from the Editor:

This space is reserved for our future Class Representatives. We're also looking for others to step up and volunteer for the classes that DO NOT have Class Reps at this time. Find your class in the list above; if there is nobody listed as a Representative for your class, we would like YOU to step up and volunteer.

The job is not difficult. Just ask our Treasurer for a list of your classmates and compare it with what you have listed for addresses, Email, and phone number. You don't have to do this "alone"; ask another classmate to help you keep track of your classmates.

Readers: We ask for each of YOU to notify your Class Rep when you move, change your name or update your email address. The Class Rep can then notify the Editor of this Newsletter. If you are willing to help your class out, please notify SilvertonAlumni@gmail.com.
